ITEM 8.01 OTHER EVENTS.

On May 12, 2005, Tenneco Automotive Inc. announced that it intends to move its muffler and exhaust system operations supplying Harley Davidson from the Company's facility in Salinas, California to its Seward and Lincoln, Nebraska facilities. The company also announced that it intends to consolidate engineering for Harley Davidson at its North American emission control engineering center in Grass Lake, Michigan. The proposed move would take place over the next 15 months and impact roughly 190 employees currently employed at the Salinas plant. The proposed move is designed to improve efficiency and reduce costs by moving operations closer to the customer and filling existing manufacturing capacity. A copy of the press release announcing the proposed move is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
