PROXY STATEMENT

The Board of Directors of ARI Network Services, Inc. (the "Company") submits the enclosed proxy for the annual meeting to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each shareholder of record at the close of business on October 21, 2005 will be entitled to one vote for each share of Common Stock registered in such shareholder's name. As of October 21, 2005, the Company had outstanding 6,148,264 shares of Common Stock. The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date is required for a quorum at the meeting. This proxy statement and the accompanying proxy and Annual Report to Shareholders are being sent to the Company's shareholders commencing on or about November 9, 2005.

Any shareholder executing and delivering the enclosed proxy may revoke the same at any time prior to the voting thereof by written notice of revocation given to the Secretary of the Company.

Unless otherwise directed, all proxies will be voted FOR the election of the individual nominated to serve as director and FOR the other proposal. The director will be elected by a plurality of votes cast at the meeting (assuming a quorum is present). In other words, the nominee receiving the largest number of votes will be elected. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that a failure to vote for an individual results in another individual receiving a larger number of votes. Any votes attempted to be cast against a candidate are not given legal effect and are not counted as votes cast in an election of directors. The other proposal will be approved if the affirmative votes exceed the votes cast against. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present at the meeting but are not affirmative votes or votes against and, therefore, will have no effect on the outcome of the voting.

(RPI). Mr. Weening has served as President of RPI from 1972 to the present. In 1996 Mr. Weening founded Cumulus Media Inc. (NASDAQ:CMLS), a radio broadcasting group, and served as its executive chairman until June 2000. In November 2003, Mr. Weening, without admitting or denying the allegations, entered into a Final Judgment and Order of Permanent Injunction to settle litigation instituted by the Securities and Exchange Commission relating to record-keeping and internal controls violations in connection with his position at Cumulus Media, Inc. Without admitting or denying the Commission's findings, Mr. Weening consented to the issuance of the order that required him to pay a \$75,000 civil penalty and be permanently enjoined from violating the record-keeping and internal controls requirements under the Securities Exchange Act of 1934, including Section 13(b)(5) and Rules 13b2-1 and 13b2-2 promulgated thereunder, and from aiding and abetting violations of Section 13(b)(2)(A) of the Exchange Act.

The Board of Directors held eleven meetings in fiscal 2005. Each incumbent director attended 75 percent or more of the combined number of meetings of the Board and committees on which such director served, during the period for which he has been a director or served on the committee. Directors are encouraged to attend the annual meeting of shareholders, but the Company has not adopted a formal policy requiring attendance at the annual meeting. Four of the Company's five directors attended the 2004 annual meeting of shareholders.

The Board of Directors currently does not have a formal process for shareholders to send communications to the Board of Directors. Nevertheless, efforts are made to ensure that the views of shareholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders on a timely basis. The Board of Directors believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. However, shareholders wishing to formally communicate with the Board of Directors may send communications directly to ARI Network Services, Inc., Attention: Chairman, 11425 West Lake Park Drive, Suite 900, Milwaukee, Wisconsin 53224. The Chairman will review such communications and, if appropriate, forward such communications to other board members.

The Company's Board of Directors has established an audit committee which is currently composed of Mr. Bridge (chairman), Mr. Mortimore and Mr. Weening. The Board of Directors has adopted a written charter which is included in this proxy statement as Appendix A. Information regarding the functions performed by the audit committee, its membership, and the number of meetings held during fiscal 2005 is set forth in the Report of the Audit Committee, included in this annual proxy statement. The members of the audit committee are independent under the rules adopted by the NASD regarding the independence of audit committee members. The Board of Directors has determined that Mr. Bridge, Mr. Mortimore and Mr. Weening are each an audit committee financial expert and are each independent as those terms are defined under applicable Securities and Exchange Commission rules.

The Company's Board of Directors has established a compensation committee that currently is composed of Mr. Bridge and Mr. Feierstein. The duties of the compensation committee are to approve all executive compensation, to administer the Company's 1991 Incentive Stock Option Plan, the 2000 Employee Stock Purchase Plan, the 1993 Director Stock Option Plan and the 2000 Stock Option Plan and to recommend director compensation for approval by the entire Board. The compensation committee met three times during fiscal 2005.

The Company's Board of Directors has not established a nominating committee, as decisions regarding Board membership are made by the full Board. Due to the small size of the Company's Board of Directors, as well as the recent lack of turnover in the Board of Directors, the Board has determined not to have a separate nominating committee. Likewise, the Board has not adopted a written charter governing director nominating decisions. Messrs. Bridge, Feierstein, Mortimore and Weening meet the NASD definition of independence as it would apply to a nominating committee, but Mr. Dearing does not because he is an executive officer of the Company.

Table of Contents

The Board will consider candidates for director that are nominated by shareholders in accordance with the procedures set forth in the Company's by-laws. Under the by-laws, nominations, other than those made by the Board of Directors, must be made pursuant to timely notice in proper form to the secretary of the Company. To be timely, a shareholder's request to nominate a person for director, together with the written consent of such person to serve as a director, must be received by the secretary of the Company at the principal office not later than 90 days and not earlier than 150 days prior to the anniversary date of the annual meeting of shareholders in the immediately preceding year. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination.

The Board will consider proposed nominees whose names are submitted to it by shareholders. However, it does not have a formal process for that consideration because it believes that the informal consideration process has been adequate given the historical absence of shareholder proposals. The Board intends to review periodically whether a formal policy should be adopted.

The Board has generally identified nominees based upon suggestions by non-management directors, management members and/or shareholders. The Board considers factors important for potential members of the Board, including the individual's integrity, general business background and experience, experience with our industry, and the ability to serve on the Board. The Board does not evaluate proposed nominees differently based on who made the proposal.

For fiscal 2006 service, non-employee director compensation consists of an annual cash retainer of \$18,000 and an option grant for 6,000 shares. Audit committee members receive an additional \$6,000 per year (\$8,000 for the chairman) and compensation committee members an additional \$2,500. Any director who fails to attend in a fiscal year at least 75% of the combined number of the meetings of the Board and committees on which such director served, and fails to attend in person at least 75% of the in person Board meetings, may forfeit some or all of the compensation, as the Board may in its discretion determine.

For fiscal 2005 service, non-employee directors received compensation of \$4,500, and options for 16,875 shares, which were granted on December 9, 2004. Audit committee members received options for an additional 7,500 shares (10,000 shares for the chairman) and compensation committee members received options for an additional 2,500 shares. The options have a 10-year term and have an exercise price equal to the fair market value of the stock on the date of grant. The options vested in two equal annual increments, commencing July 31, 2005.

Non-employee directors were not paid until fiscal 2005 for their service during fiscal 2004. On October 26, 2004, non-employee directors other than Mr. Mortimore (who joined the Board at the end of fiscal 2004) received fiscal 2004 compensation consisting of options for 15,000 shares of common stock. Directors received no cash compensation. Audit committee members received options for an additional 3,000 shares and compensation committee members received options for an additional 800 shares. The options have a 10-year term and have an exercise price equal to the fair market value of the stock on the date of grant. The options vested 50% immediately and 50% on July 31, 2005.

Code of Ethics

ARI has adopted a code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. The code of ethics is designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest, compliance with applicable laws, and full, accurate, timely and understandable disclosure in reports we send to our shareholders or file with the SEC. Violations of the code of ethics are to be reported to the audit committee. A copy of the code of ethics may be obtained, without charge, by sending a request to ARI Network Services, Inc., Attention: Corporate Secretary, 11425 West Lake Park Drive, Suite 900, Milwaukee, Wisconsin 53224.

The amount of the payout is adjusted on a sliding scale based upon the extent to which the Company's revenue plan is achieved for each of the three years, ranging from a floor of 75% of the target award if					

the Company's revenue plan is not met to a cap of 200% of the target award if revenue equals or exceeds 150% of plan. The award is paid in three annual installments following fiscal years 2006, 2007 and 2008, provided the participant is then employed by the Company.

Targets for fiscal 2006 will equal the fiscal 2006 bonuses earned, up to 40% of the target bonuses, adjusted upward if the Company overachieves its fiscal 2006 net income objective. Payouts will be adjusted as noted above based on the Company's revenue during fiscal years 2007, 2008 and 2009 and paid in installments following each of those fiscal years, provided the employee is then employed by the Company.

One-half of the threshold amount will be paid in ARI stock, valued at the time of payment, and the remainder paid in cash.

The Company has entered into Change of Control Agreements (Change of Control Agreements) with each of its executive officers. The Change of Control Agreements are intended to reduce the incentive for officers not to support a transaction that is beneficial to shareholders for fear that their employment would be terminated, retain the services of these officers and provide for continuity of management in the event of any Change of Control, as defined below. These Change of Control Agreements provide that each officer shall receive severance benefits equal to two times the sum of salary and targeted bonuses and medical and dental plan continuation for two years if, within two years following a Change of Control, as defined below, the officer's employment is terminated without cause. For this purpose, without cause is defined to include: (i) a significant reduction in the executive's compensation, duties, title or reporting responsibilities; (ii) a change in the executive's job location; or (iii) the termination by the officer of his employment for certain enumerated reasons. In addition, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. If the officer leaves ARI for any other reason, within two years following a Change of Control, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. The officer is under no obligation to mitigate amounts payable under the Change of Control Agreements. In addition, upon a Change of Control, all stock options and similar awards become immediately vested and all deferred compensation becomes payable.

For purposes of the Change of Control Agreements, a Change of Control means any of the following events: the acquisition (other than from ARI) by any individual, entity or group, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 50% or more of the combined voting power of ARI's then outstanding voting securities; (ii) a merger, consolidation, share exchange, or sale or disposition of substantially all of the assets of the Company; or (iii) approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

REPORT OF THE AUDIT COMMITTEE

The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors and to report the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. A complete description of the Committee's duties is set forth in its charter, a copy of which is attached to this proxy statement.

In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Oversight Board (United States). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination and their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held six meetings during fiscal 2005.

In reliance on the views and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended July 31, 2005 for filing with the Securities and Exchange Commission. The Committee has also approved the selection of the Company's independent auditors.
