EXPLANATORY NOTE

On January 30, 2006, Reinsurance Group of America, Incorporated ("RGA") issued a press release announcing its earnings for the three-month period ended December 31, 2005 and providing certain additional information. RGA is filing this Current Report on Form 8-K to make certain information from that press release available for incorporation into its 2006 shelf registration statement on Form S-3.

ITEM 8.01 OTHER EVENTS.

RGA reported net income for the fourth quarter of \$68.2 million, or

Edgar Filing: REINSURANCE GROUP OF AMERICA INC - Form 8-K

\$1.07 per diluted share, compared to \$55.4 million, or \$0.87 per diluted share in the prior-year quarter.

Fourth-quarter net premiums rose 16 percent to \$1,060.1 million from \$916.8 million a year ago. Net investment income totaled \$169.4 million versus \$168.2 million the year before. Approximately \$12.0 million of the prior-period amount was due to the conversion of a large annuity treaty from a funds-withheld structure to a coinsurance structure.

A. Greig Woodring, president and chief executive officer, commented, "Each of our operating segments contributed to a strong fourth quarter. The U.S. segment reported good results with pre-tax net income totaling \$84.4 million for the quarter versus \$71.8 million in the prior-year quarter. Mortality experience for the quarter was within our range of expectations. For the year, the U.S. reported more than \$2.4 billion in net premiums, a 10 percent increase over the prior year.

"For the quarter, our Canada operations reported pre-tax net income of \$21.4 million compared to \$20.5 million a year ago. Mortality experience continues to be good. Net premiums increased \$30.8 million, or 42 percent for the quarter, and totaled \$103.4 million. Approximately \$3.7 million of the increase in net premiums was the result of a favorable currency exchange rate.

"Other International operations, which include our Asia Pacific and Europe and South Africa segments, reported a strong quarter. Asia Pacific reported pre-tax net income of \$17.8 million compared with pre-tax net income of \$2.5 million in the year-ago quarter. The current quarter reflected favorable mortality experience, while the prior-year period reflected poor mortality experience, including the effect of tsunami related reserves. Net premiums increased

2

26 percent to \$136.4 million from \$108.0 million. Foreign currency fluctuations adversely affected net premiums by approximately \$2.7 million.

"Results in Europe and South Africa were also good, driven by favorable mortality in the UK. Pre-tax net income totaled \$11.9 million compared to \$4.0 million a year ago. The prior-period results reflected adverse mortality experience in the UK. Net premiums increased 12 percent for the quarter to \$141.2 million. This rate of increase has lessened relative to previous years due to a slowdown in the UK primary market. Foreign currency fluctuations, primarily the British pound, adversely affected net premiums by approximately \$9.7 million.

"In the Corporate and Other segment, we negotiated the commutation of the two most significant Argentine pension treaties and have now commuted over 95 percent of our obligations. The residual business is insignificant."

For the year, consolidated net income totaled \$224.2 million, or \$3.52 per diluted share, compared to \$221.9 million, or \$3.52 per diluted share, in the year-ago period. Consolidated net premiums were up 16 percent, to \$3,866.8 million from \$3,347.4 million.

Woodring concluded, "It was a strong quarter, but we did not meet our full-year 2005 earnings expectation due primarily to the adverse claims experience in the U.S. during the second quarter and the negotiation of final settlements for the Argentine pension business. However, we did recoup some of that poor experience in the second half of the year and head into 2006 with good momentum. We expect continued growth in 2006; however, the pace of growth in our North American operations and select international markets, such as the UK, is

Edgar Filing: REINSURANCE GROUP OF AMERICA INC - Form 8-K

expected to moderate."

The Company also announced that its board of directors declared a regular quarterly dividend of \$0.09, payable February 27 to shareholders of record as of February 6.

Reinsurance Group of America, Incorporated, through its subsidiaries, RGA Reinsurance Company and RGA Life Reinsurance Company of Canada, is among the largest global providers of life reinsurance.
