On July 27, 2005, the Board of Directors of Build-A-Bear Workshop, Inc. (the Company) approved an amendment (the Amendment) to the Company s 2004 Stock Incentive Plan (the Plan). The Amendment modifies the plan to, among other things:

- Designate certain Company officers who are authorized to determine individuals who may be granted awards under the Plan and to determine the number of shares received by such individuals, as previously approved by the Compensation Committee of the Board of Directors; and
- Provide a procedure for the exercise of options under the Plan.

In addition, the Amendment provides that to the extent options, stock appreciation rights or other stock-based awards under the Plan are subject to restrictions, such options, stock appreciation rights and other stock-based awards shall vest in whole shares only, and holders shall not be deemed to be vested in any fractional shares, regardless of any provision to the contrary in any individual award agreement.

A copy of the Plan, as amended and restated, is filed as Exhibit 10.1 hereto and is incorporated by reference herein. The description of the Amendment contained herein is qualified in its entirety by the full text of such exhibit.
