PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 21, 2001

Marex.com, Inc., a Florida corporation (the "Company"), is furnishing this Proxy Statement to its shareholders in connection with the solicitation of proxies to be voted at an Annual Meeting of Shareholders (the "Annual Meeting") of the Company to be held on Monday, May 21, 2001 at 10:00 a.m. Proxies will be used for the following purposes: (1) to elect directors of the Company, each to serve until the 2002 Annual Meeting or until his successor has been duly elected and qualified; (2) to ratify the appointment of Arthur Andersen LLP as independent certified public accountants of the Company for the year ending December 31, 2001; (3) to approve an amendment to the Company's Amended and Restated Articles of Incorporation (the "Amended Articles of Incorporation"), to change the name of the Company to "Marex, Inc." (the "Name Change Amendment"); and (4) to transact any other business that properly comes before the Annual Meeting or any adjournments or postponements thereof. The approximate date on which this Proxy Statement and accompanying form of proxy will first be sent to the Company's shareholders is April 16, 2001.

THIS SOLICITATION IS MADE ON BEHALF OF THE COMPANY BY THE BOARD OF DIRECTORS OF THE COMPANY (the "Board of Directors" or the "Board"). Costs of the solicitation will be paid by the Company. The Company will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to shareholders.

Holders of record of Common Stock, par value \$.01 per share (the "Common Stock"), and of Series A1 Convertible Preferred Stock, par value \$.01 per share (the "Preferred Stock"), of the Company as of the close of business on March 30, 2001 are entitled to receive notice of, and to vote at, the Annual Meeting. The outstanding Common Stock and Preferred Stock are the only classes of securities of the Company entitled to vote at the Annual Meeting. Each share of Common Stock entitles its holder to one vote and each share of Preferred Stock entitles its holder to 7.69 votes. Shareholders are not permitted to cumulate their shares for the purpose of voting. At the close of business on March 30, 2001, there were 7,343,980 shares of Common Stock issued and outstanding and 304,693 shares of Preferred Stock outstanding.

Unless contrary instructions are indicated on the proxy, all shares represented by valid proxies received in time to be voted at the Annual Meeting (and not revoked before they are voted) will be voted "FOR" (i) the election of the five (5) nominees for director recommended by the Board, (ii) the ratification of the appointment of Arthur Andersen LLP as independent certified public accountants of the Company for the year ending December 31, 2001, and (iii) the Name Change Amendment. If any other business properly comes before the Annual Meeting and is submitted to a vote of shareholders, then proxies received by the Board of Directors will be voted in accordance with the best judgment of the designated proxy holders. A shareholder may revoke his or her proxy at any time before exercise by delivering to the Secretary of the Company a written notice of such revocation, by filing with the Secretary of the Company a duly executed proxy bearing a later date, or by voting in person at the Annual Meeting.

Shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a

Edgar Filing: MAREX COM INC - Form DEF 14A

quorum. Directors will be elected by a favorable vote of a plurality of the shares cast at the Annual Meeting, providing a quorum is present. The five nominees who receive the greatest number of votes cast in this manner will become directors upon the tabulation of votes. The ratification of the appointment of Arthur Andersen LLP as independent certified public accountants of the Company for the year ending December 31, 2001, the Name Change Amendment, and all other proposals which properly come before the

4

Annual Meeting will be approved by a favorable vote where the number of shares voted for the proposal exceed the number of shares voted against said proposal at the Annual Meeting, providing that a quorum is present.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company believes that during 2000 all filing requirements applicable to the officers, directors and beneficial 10% shareholders of the Company under Section 16(a) of the Securities Exchange Act of 1934, were complied with.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors on May 25, 2000, the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. The Audit Committee relies on the work and assurances of the Company's management, which is responsible for the financial statements and the financial reporting process, and of the independent auditors whose report expresses an opinion on the conformity of the Company's audited financial statements to accounting principles generally accepted in the United States. The Audit Committee Charter is included as Exhibit A to this Proxy Statement.

The Audit Committee reviewed and discussed the Company's financial statements with management and the independent auditors prior to their issuance. Management advised the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors their independence from Marex and its management. The Audit Committee has also considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence. Based on the work described above, the Audit Committee confirmed the independence of the Company's auditors.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2000, for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE

The executive compensation program of Marex.com, Inc. is designed to: (i) attract and retain high-performing executives; (ii) focus executives on

Edgar Filing: MAREX COM INC - Form DEF 14A

increasing shareholder value by awarding them stock-based compensation directly linked to improvements in shareholder return; (iii) compensate executives based on the Company's performance relative to its competitors and improvements in the Company's performance over time; and (iv) create a performance-oriented environment in which executives can earn increased levels of compensation by achieving superior annual and long-term business results.

The compensation program for executive officers consists of three principal elements: (i) salaries; (ii) discretionary bonuses; and (iii) stock options. The compensation program is designed to set total compensation opportunity (salary, annual bonus and stock options) at a level that is competitive with the median level of total compensation paid to similarly positioned executives at comparable companies. The Compensation Committee believes that this three-part approach best serves the interest of the Company and its stockholders. It enables the Company to meet the requirements of the highly competitive environment in which it operates in while ensuring the achievement of short-term and long-term goals.

SALARIES - The Compensation Committee reviews salaries annually. Salaries are based on the competitive marketplace for comparable jobs. Individual salaries are determined by the Compensation Committee after evaluating the executive's experience, level and scope of responsibility within the Company, and individual performance.

BONUS - Annual discretionary bonus opportunities induce executive officers to achieve financial and strategic goals, which are directly linked with the development of the Company. Under the bonus plan, the Compensation Committee determines the amount of the bonus based on the achievement of financial and strategic goals and other relevant factors. Among factors to be considered by the Compensation Committee is the recommendation of the Chief Executive Officer with respect to the compensation of the Company's key executive officers.

STOCK OPTIONS - The Company awards stock options to better align the interests of its executive officers with those of its shareholders in increasing shareholder value. Stock options are granted at no less than 100% of the fair market value of the Company's Common Stock on the date of grant and vest over a four-year period. Because stock options provide value only in the event of share price appreciation, the Compensation Committee believes stock options represent an important component of the Company's executive compensation program.

The Company's Chief Executive Officer's annual salary was increased pursuant to an employment agreement that was effective January 1, 1999. In addition to the annual salary, the Compensation Committee determined the bonus payment for 2000 based on the successful completion of \$42 million in equity financing, the launch of the Company's e-commerce products, development of key strategic relationships and other initiatives that will result in future increases in shareholder value.

APPENDIX A

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF MAREX.COM, INC.

I. PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors of Marex.com, Inc. (the "Company") in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others, the systems of internal controls which management and the Board of Directors have established and the audit process. The independent auditor is ultimately accountable to the Audit Committee and the Board of Directors, as representatives of the shareholders. The Audit Committee and the Board of Directors have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditor (or to nominate the independent auditor to be proposed for shareholder approval in any proxy statement).

The Audit Committee will fulfill these responsibilities by carrying out the activities enumerated in Sections III-VI of this Charter.

II. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee shall consist of at least three directors, all of whom have no relationship to the Company that may interfere with the exercise of their independence from management and the Company, as determined by the Board of Directors. Each member of the Audit Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

The members of the Audit Committee shall be elected by the Board of Directors. Unless a Chair is elected by the full Board of Directors, the members of the Audit Committee may designate a Chair by majority vote of the full Audit Committee membership. The duties and responsibilities of a member of the Audit Committee are in addition to those duties of such member as a member of the Board of Directors.

Notwithstanding the judgment of the Board of Directors, the following persons shall not be considered independent:

Edgar Filing: MAREX COM INC - Form DEF 14A

- (a) a director who is employed by the Company or any of its affiliates for the current year or any of the past three years;
- (b) a director who accepted any compensation from the Company or any of its affiliates in excess of \$60,000 during the previous fiscal year, other than compensation for board service, benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- (c) a director who is a member of the immediate family of an individual who is, or has been in any of the past three years, employed by the Company or any of its affiliates as an executive officer. Immediate family includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and anyone who resides in such person's home;

17

- (d) a director who is a partner in, or a controlling shareholder or an executive officer of, any for-profit business organization to which the Company made, or from which the Company received, payments (other than those arising solely from investments in the Company's securities) that exceed 5% of the Company's or business organization's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the past three years;
- (e) a director who is employed as an executive of another entity where any of the Company's executives serve on that entity's compensation committee.

Each member of the Audit Committee shall meet the independence requirement; provided that one director who is not independent as defined above, and is not a current employee or an immediate family member of an employee, may be appointed to the Audit Committee, if the Board of Directors, under exceptional and limited circumstances, determines that membership on the Audit Committee by the individual is required by the best interests of the Company and its shareholders, and the Board of Directors discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.
