PROXY STATEMENT

May 21, 2002

This proxy statement contains information related to the annual meeting of stockholders of U.S. RealTel, Inc. to be held on Wednesday, June 26, 2002, beginning at 9:00 a.m., at our offices located at Fifteen Piedmont Center, 3575 Piedmont Road, Suite 100, Atlanta, Georgia 30305, and at any postponements and adjournments thereof. We are first mailing this proxy statement, the foregoing notice of annual meeting of stockholders and the enclosed proxy card to our stockholders on or about May 21, 2002. This proxy statement relates to a solicitation of your proxy by the Company.

ABOUT THE MEETING

What is the purpose of the meeting?

At our annual meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of directors. In addition, our management will report on our performance during fiscal 2001 and respond to questions from stockholders.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on the record date, April 29, 2002, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the meeting, or any postponements or adjournments of the meeting.

What are the voting rights of stockholders?

Each stockholder will be entitled to one vote on each matter to be voted upon at the meeting for each share of our common stock held by the stockholder.

Who may attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by the proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 5,934,475 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

Edgar Filing: U S REALTEL INC - Form DEF 14A

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Table of Contents

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with us either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendation of our board of directors. The board's recommendation is set forth in this proxy statement. The board recommends (1) a vote FOR election of the nominated slate of directors; (2) a vote FOR the appointment of BDO Seidman, LLP as independent auditors for fiscal 2002; and (3) a vote FOR approval of the First Amendment to 1999 Employee Equity Incentive Plan.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each proposal?

The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. Stockholders are not entitled to cumulative votes in the election of directors. A properly executed proxy marked WITHHOLD AUTHORITY with respect to the election of one or more directors will not be voted with respect to the director or directors indicated and will have no effect on the outcome of the vote, although it will be counted for purposes of determining whether there is a quorum.

For each other proposal, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the proposal will be required for approval. A properly executed proxy marked ABSTAIN with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

What are the effects of broker non-votes?

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Accordingly, such broker non-votes will not be included in vote totals and will have no effect on the outcome of any votes. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

Who will pay for the preparation of the proxy?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at Fifteen Piedmont Center, 3575 Piedmont Road, Suite 100, Atlanta, Georgia 30305, and our telephone number is (404) 442-0120. A list of stockholders entitled to vote at the annual meeting will be available at our offices for a period of ten days prior to the meeting and at the meeting itself for examination by any stockholder.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS****Directors Standing for Election**

Our bylaws provide that our board of directors shall consist of not less than five nor more than ten members, with the exact number fixed from time to time by resolution of the board of directors. Our board of directors by resolution has set the number of directors at five, and the board currently has five members, each of whose current term of office expires at the 2002 annual meeting.

Five directors are to be elected at the 2002 Annual Meeting. The board of directors has nominated the following individuals, all of whom are currently serving as directors, to stand for re-election, and proxies representing our common stock will be voted for them absent contrary instructions.

Jordan E. Glazov
Mark J. Grant
Ross J. Mangano
Perry H. Ruda
Gerard H. Sweeney

If a nominee becomes unavailable to serve as a director, the board may designate a substitute nominee.

For additional information regarding the above nominees, including a description of their business experience, please see Management Executive Officers and Directors below.

The board of directors has no reason to believe that any nominee will refuse to act or be unable to accept election; however, in the event that a nominee for a directorship to be elected is unable to accept election or if any other unforeseen contingencies should arise, it is intended that proxies will be voted for the remaining nominee and for such other person as may be designated by the board of directors, unless directed by a proxy to do otherwise.

The board of directors recommends a vote FOR this slate of nominees.

Table of Contents

Audit Committee. The functions of the audit committee are described below under the heading Report of the Audit Committee. Management believes that each of Messrs. Grant, Glazov and Sweeney is independent within the meaning of the rules of the National Association of Securities Dealers. During fiscal 2001, the audit committee met 1 time.

Nominating Committee. The board appointed a nominating committee on March 20, 2002. The nominating committee reviews and makes recommendations to the board regarding nominees for election as directors for the ensuing year at the next annual meeting and from time to time during the year to fill vacancies occurring between annual meetings. The nominating committee has no established procedure for considering nominees recommended by our security holders.

PROPOSAL 2 APPOINTMENT OF INDEPENDENT AUDITORS

What am I voting on?

Based upon the recommendation of the audit committee, the board of directors has appointed BDO Seidman, LLP as independent auditors for fiscal year 2002. Although the company's governing documents do not require submission of the selection of independent auditors to the stockholders for approval, the board of directors considers it desirable that its appointment of BDO Seidman, LLP be ratified by the stockholders. This is an advisory vote. Therefore, even if the proposal is not ratified by the stockholders, our board of directors in its discretion may elect to retain BDO Seidman, LLP as auditors for fiscal year 2002 while considering other options for the future.

The board of directors recommends a vote FOR this proposal

Will a representative of BDO Seidman, LLP be present at the meeting?

One or more representatives of BDO Seidman, LLP will be present at the meeting. The representatives will have an opportunity to make a statement if they desire and will be available to respond to appropriate questions from the stockholders.

**PROPOSAL 3 APPROVAL OF FIRST AMENDMENT TO
1999 EMPLOYEE EQUITY INCENTIVE PLAN**

What is the plan?

Our 1999 Employee Equity Incentive Plan was adopted by our board of directors on April 20, 1999 and approved by the stockholders on September 15, 1999. Under the plan, directors, officers, full-time employees and consultants are eligible to receive awards. The types of awards that may be made under the plan are options to purchase common stock, stock appreciation rights, restricted shares, performance units, performance shares and stock bonuses. Options granted under the plan may be designated as incentive stock options that qualify for favorable tax treatment for the optionee under Section 422 of the Internal Revenue Code of 1986. Unless otherwise provided in a particular grant, any award under the plan will vest in four equal installments, becoming exercisable on each of the first four anniversaries of the grant date. If shares awarded under the plan are awarded under the plan are forfeited, then those shares will again become available for new awards under the plan.

The compensation committee of our board of directors administers the plan. The committee has complete discretion to make all decisions, subject to the express provisions of the plan, relating to the interpretation and operation of the plan, including the discretion to determine which individuals are eligible to receive any award, and to determine the type, number, vesting requirements and other features and conditions of each award.

Table of Contents

The exercise price of incentive stock options granted under the plan may not be less than 100% of the fair market value of the common stock on the option grant date. The exercise price may be paid in cash or by other means, including a cashless exercise method as determined by the compensation committee.

The plan will terminate on April 20, 2009 or at an earlier time determined by the board of directors.

What is the proposed amendment to the plan?

Under the plan as originally adopted, we reserved 484,655 shares for issuance under the plan. Given the number of outstanding options under the plan, many of which are held by former employees, the board of directors determined that this number of shares is insufficient to provide appropriate equity incentive compensation to current employees. The board of directors, therefore, adopted an amendment to the plan on March 20, 2002, increasing the number of shares of common stock available for issuance under the plan to 3,200,000 shares, subject to automatic annual adjustment to an amount equal to 30% of our outstanding common stock on a fully-diluted basis, up to a maximum of 5,000,000 shares.

What am I voting on?

The board of directors generally may amend the plan without stockholder approval. However, stockholders must approve any amendment to the extent necessary to preserve the intended tax treatment of awards under the plan. Specifically, stockholders must approve an amendment to the plan to increase the number of shares subject to incentive stock option awards.

If the stockholders approve the amendment, we may use any of the shares reserved for issuance under the plan for incentive stock option awards. If stockholders do not approve the amendment, we may use only those shares originally reserved for issuance under the plan for incentive stock option awards. However, the number of shares available for awards other than incentive stock option awards will be the increased number approved by the board in March 22, 2002 amendment to the plan. Because the number of shares previously authorized under the plan was more than sufficient to cover incentive stock options outstanding under the plan, the amendment will not have any effect on outstanding options held by any executive officer, director or other employees of the company.

The board of directors recommends a vote **FOR** this proposal.

REPORT OF THE AUDIT COMMITTEE

Our board of directors, in its business judgment, has determined that each member of the audit committee is independent within the meaning of the rules of the National Association of Securities Dealers. The audit committee operates pursuant to an Audit Committee Charter, a copy of which is attached to this Proxy Statement as Appendix A. Our management is responsible for its internal accounting controls and the financial reporting process. Our independent accountants, BDO Seidman, LLP, are responsible for performing an audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States and for expressing an opinion as to their conformity with generally accepted accounting principles. The audit committee's responsibility is to monitor and oversee these processes.

In keeping with that responsibility, the audit committee has reviewed and discussed our audited consolidated financial statements as of and for the fiscal year ended December 31, 2001 with management and the independent accountants. In addition, the audit committee has discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, Communications with Audit Committee, as currently in effect, and with management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The audit committee has also received the written disclosures from the independent accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent accountants their independence. The audit committee has also considered whether the provision of non-audit services by the independent accountants is compatible with maintaining independence between U.S. RealTel and the independent accountants.

The members of the audit committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including the matter of auditor independence. Members of the audit committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the audit committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the auditors are in fact independent.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the audit committee referred to above and in the Audit Committee Charter, the audit committee recommended to the board of directors that the audited consolidated financial statements of U.S. RealTel be included in the Annual Report on Form 10-KSB for the year ended December 31, 2001 for filing with the Securities and Exchange Commission. The audit committee has also recommended the reappointment of the independent auditors and the board of directors concurred in that recommendation.

Submitted by the audit committee of the board of directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In October 1998, we issued 13,750 shares of our common stock and paid \$152,000 to Access Financial Group, Inc. for services rendered in connection with a private placement of securities. For services rendered in connection with the sale of common stock and warrants in October 1998 and the conversion of convertible debentures in October and December 1998, we issued to Access Financial Group, Inc. warrants to purchase 9,625 shares of our common stock at \$4 per share and warrants to purchase 39,477 shares of our common stock at \$5.25 per share. For services rendered in connection with the exercise of stock options by former holders of our Series A and Series B convertible debentures in February, March and April 1999, we issued to Access Financial Group, Inc. warrants to purchase 4,348 shares of our common stock at \$5.25 per share. In addition, we have paid Access Financial Group \$41,062 for services rendered since January 1999. Mark J. Grant, our President and one of our directors, is a director and president-capital markets of Access Financial Group, Inc. We still maintain a sublease for our former principal executive offices in Fort Lauderdale, Florida from Access Financial Group for approximately \$66,000 per year. That sublease expires in August of 2002. In addition, Access Financial Group is a market maker for our common stock.

On September 24, 1999, we executed a \$1,500,000 convertible promissory note with a partnership and certain trusts of which Ross J. Mangano, one of our directors, is a partner or trustee. The note bore interest at a rate of 7% annually. The principal amount of the note was due and payable on January 2, 2001 unless the holder elected to exercise the right to convert the convertible note into our common stock at \$6.50 per share or into stock of our Argentinean subsidiary. On January 2, 2001, the holder converted the note into stock of our Argentine subsidiary.

Table of Contents

On December 28, 1999, as part of our second private placement in 1999, we issued to Brandywine Operating Partnership, L.P., of whose general partner, Brandywine Realty Trust, Gerard H. Sweeney is president and chief executive officer, a \$3,000,000 convertible debenture, which could be drawn upon until December 28, 2000. The conversion price of this debenture was \$7.50 per share of common stock. This debenture carried interest at 12% and was due at the earlier of July 1, 2001 or the completion of a public offering of our common stock yielding proceeds to us of at least \$10,000,000. The debenture holder also had the option to convert the interest due to shares of our common stock, rather than cash, at \$6.50 per share. We repaid all outstanding principal and interest thereunder and canceled the convertible debenture in December 2000 with a portion of the proceeds of the sale of our North American operations. As part of the issuance of the convertible debenture in December 1999, we sold to Brandywine Operating Partnership, L.P. 384,615 shares of common stock at \$6.50 per share, for a total aggregate purchase price of \$2,500,000. In connection therewith, we issued to Brandywine Operating Partnership, L.P. warrants to purchase 600,000 shares of common stock at an exercise price of \$8.00 per share.

In August 2000, we received an interim bridge financing commitment by issuing to Perry H. Ruda, Jordan E. Glazov, Ross J. Mangano, Gerard H. Sweeney and Victor Chigas, the president of Access Financial Group, promissory notes in the aggregate principal amount of \$1,750,000 and warrants to purchase up to 638,462 shares of our common stock at an exercise price of \$3.25 per share. The promissory notes carried interest at 12% per annum and were due on December 14, 2000. The warrants are exercisable through August 15, 2005. At the time of the commitment, we drew down \$1,355,000 against the commitment and issued 466,921 warrants. We repaid these promissory notes in December 2000 with a portion of the proceeds of the sale of our North American operations.

In June 2000, a \$35,000 non-interest bearing short-term advance was made by a stockholder to the Company, such amount was repaid in May 2001.

On January 2002, we received a financing commitment for up to \$17.5 million from certain trusts of which Ross J. Mangano, one of our directors, is a partner or trustee, for the acquisition of Cypress Communications, Inc. Upon the completion of the purchase, the Company issued a promissory note in the aggregate principal amount of approximately \$16.4 million and warrants to purchase up to 850,000 shares of our common stock at an exercise price of \$1 per share. The promissory note had a closing fee of \$875,000 and carried interest at 7% per annum. The warrants are exercisable through February 2007. We repaid this promissory note, including interest and closing fee, in February 2002.

Consulting fees to Mark J. Grant, one of our directors, amounted to \$143,000 in 2000 and \$81,500 in 1999; no such amounts were paid during the year ended December 31, 2001.

We believe that all transactions between us and the related parties are on terms no less favorable to us than those terms we could have obtained from unaffiliated third parties.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of our outstanding common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock. These persons are required by SEC regulation to furnish us with copies of all such reports they file.

To our knowledge, based solely on a review of the copies of filings furnished to us and/or written or oral representations that no other reports were required, we believe that all of our directors, executive officers and 10% stockholders complied during 2001 with the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934.
