***BancorpSouth to Acquire Louisiana's
Oldest, Largest Independent Insurance Agency***

Baton Rouge, La. BancorpSouth, Inc. (NYSE: BXS) announced today that the Company has reached an agreement in principle to acquire certain assets of WMS, L.L.C., of Baton Rouge, which operates under the name of Wright & Percy Insurance, of Baton Rouge, Louisiana's oldest and largest independent insurance agency. Wright & Percy was founded in 1882 and currently has 130 employees in four offices located in Baton Rouge, its headquarters, Alexandria, Lake Charles and Shreveport.

WMS, L.L.C., President and CEO Markham McKnight said, "Wright & Percy will maintain its separate identity as an insurance agency after the acquisition and will operate as a division of BancorpSouth Insurance Services, Inc., a subsidiary of BancorpSouth Bank. Terms of the acquisition were not disclosed. McKnight said, "This is not only the right move for our agency, it's the right move for our customers. This alliance, as well as our future growth across the state and region, will bring us unparalleled leverage in the insurance marketplace. This makes us stronger than ever.

BancorpSouth Chairman and CEO Aubrey Patterson said, "This acquisition, which we expect to close within the next month, will help diversify BancorpSouth's revenue stream through additional fee income. We have been actively looking to expand our insurance services throughout the company's six-state market area and are pleased that Wright & Percy will join our successful insurance subsidiary. This is a premier, full service agency with strong brand equity in the Louisiana insurance marketplace. This is our third major insurance agency acquisition in four years, and we will consider other similar acquisitions," Patterson said.

In 1999, BancorpSouth acquired Stewart Sneed Hewes, Inc., of Gulfport, Miss., which ranks among the top 100 insurance agencies in the nation. In 2000, BancorpSouth

WMS, L.L.C., Chief Operating Officer Tom Sandahl said, "Our acquisition by BancorpSouth will give us the resources to continue to build this organization, affording us increased opportunities to expand and serve even more customers in our Louisiana market."

Wright & Percy operated from Baton Rouge for its first 114 years, expanding to Lake Charles and Shreveport in 1996 and to Alexandria in 1997. The agency markets and services the offerings of more than 200 insurance carriers across all lines of insurance including personal, commercial, corporate benefits, bonds, life insurance and investments.

Prior to the WMS acquisition, BancorpSouth ranked 34th in the nation among bank holding companies selling insurance and in the top 25 in the nation among banks selling insurance products. "Expanding our insurance production gives us more influence in the industry and the ability to offer our customers more products and better service," Patterson noted.

Headquartered in Tupelo, Miss., BancorpSouth operates approximately 250 commercial banking, insurance, trust, broker/dealer and consumer finance locations in Alabama, Arkansas, Louisiana, Mississippi, Tennessee and Texas with a staff of approximately 3,800 full-time employees. BancorpSouth and its subsidiaries provide, in addition to traditional banking services, mortgage origination and servicing, leasing, credit cards, consumer finance services, trust and fiduciary services, brokerage and investment services and insurance services.
