## Item 5. Other Events and Required FD Disclosure

On April 2, 2004, Renal Care Group, Inc. completed its acquisition of National Nephrology Associates, Inc. (NNA). In connection with the acquisition of NNA, Renal Care Group assumed all of the obligations of NNA under its \$160 million of 9% senior subordinated notes due 2011. The obligations under these notes have been guaranteed by all of the wholly-owned subsidiaries of Renal Care Group. Accordingly, the audited consolidated financial statements of Renal Care Group as of December 31, 2002 and 2003 and for each of the three years in the period ended December 31, 2003 (previously filed in the Company's 2003 Annual Report on Form 10-K) must be modified to include updated footnote disclosure reflecting certain condensed consolidating financial information. Attached hereto as Exhibit 99.1 are audited consolidated financial statements of Renal Care Group as of December 31, 2002 and 2003 and for each of the three years in the period ended December 31, 2003. The only difference between these audited financial statements and the audited financial statements previously filed by Renal Care Group in its 2003 Annual Report on Form 10-K is the update of footnote 13, which includes the above referenced condensed consolidating financial information.
