DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
 NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
 DECEMBER 31, 2005
 (UNAUDITED)

(in thousands of dollars)

1. BASIS OF PRESENTATION

Principles of Consolidation

The consolidated financial statements include the accounts of Douglas Elliman Realty, LLC, formerly Montauk Battery Realty, LLC, a New York limited liability company, and its wholly-owned subsidiaries (the

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

"Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

Nature of Operations

The Company is primarily engaged in the real estate brokerage business through its principal subsidiaries, Douglas Elliman, LLC ("Douglas Elliman"), a residential real estate brokerage company based in New York, New York and its Long Island based operations, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, both of which conduct business as Prudential Douglas Elliman Real Estate ("Prudential Douglas Elliman"). The Company is also engaged in property management through its subsidiary, Residential Management Group, LLC, which conducts business as Douglas Elliman Property Management ("DEPM").

Organization

On October 15, 2002, Montauk Battery Realty, LLC was formed to consolidate the ownership of the then Company's operating entities, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, under one company, which was completed on December 19, 2002. On March 14, 2003, the Company acquired Douglas Elliman and DEPM and, on May 19, 2003, Montauk Battery Realty, LLC changed its name to Douglas Elliman Realty, LLC.

In October 2004, upon receipt of required regulatory approvals, the Company purchased all of the interest in Burr Enterprises Ltd., which conducts business as Preferred Empire Mortgage Company ("Preferred"). Preferred is a mortgage broker.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents. The Company considers all highly liquid financial instruments with an original maturity of less than three months to be cash equivalents.

10

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(UNAUDITED)

(in thousands of dollars)

Property and Equipment. Property, equipment and leasehold improvements are stated at cost. Maintenance and repairs are charged to expense as incurred; costs of major additions and betterments are capitalized. When property and equipment are sold or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in other revenues.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Depreciation is provided on the straight line method over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the related leases or the estimated useful lives of the improvements.

Goodwill and Trademarks. In accordance with Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful life. The Company assesses goodwill and trademarks for impairment using fair value measurement techniques on an annual basis. Based on such annual review, no impairment adjustment is required.

Other intangible assets. Other intangible assets consist primarily of management contracts. Amortization of management contracts is being provided over fifteen years.

Deferred Financing Charges. Deferred financing charges consist primarily of professional fees related to the acquisition of new financing and the restructuring of the Company's debt obligations in March 2003. These are being amortized on a straight-line basis over the life of the related debt obligations which approximates amortization expense under the effective interest method.

Revenue Recognition. Real estate commissions earned by the Company's real estate brokerage business are recorded as revenue on a gross basis upon the closing of a real estate transaction (i.e., the purchase or sale of a home). Property management fees earned by DEPM are recorded as revenue when the related services are performed.

Advertising Costs. Advertising costs are expensed as incurred and are included in operating expenses.

Income Taxes. The Company is a limited liability company. The members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision or liability for federal income taxes is included in the financial statements, except for Preferred Empire Mortgage which is taxed as a C Corporation. Taxes for New York City operations are included in the financial statements as New York City does not follow federal tax regulations for limited liability companies.

3. ACQUISITIONS IN 2005

The Company acquired the interest of several real estate offices in four transactions for an aggregate purchase price of \$1,415. The results of their operations are included in the consolidated financial statements from the dates of acquisition. The Company's acquisition objective was to

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

leverage its position in the real estate brokerage business in the New York metropolitan area.

The acquisitions have been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of the acquisitions was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition, which approximated their book values. The costs of the acquisitions were allocated to goodwill for \$1,248, to fixed assets for \$2, and to listings for \$165. The purchases were primarily funded from the Company's operations, and the Company issued a note for \$733 for one of the real estate transactions. Goodwill acquired is amortizable over 15 years for U.S. income tax purposes. Pro forma information has not been presented because the net impact of the acquisitions would not have been significant to the Company's Consolidated Financial Statements.

Subordinated Notes Payable - PREFSA and New Valley:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA and New Valley each lent the Company \$9,500 of subordinated debt, due 2013 (the "Subordinated Debt"). Based on an appraisal conducted by a third party, the Company valued those membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the Subordinated Debt. The Company is amortizing the value of these membership interests over the term of the Subordinated Debt. The amount amortized to interest expense for the year ended December 31, 2005 was \$172. The Franchiser has significant rights over the use of the franchised service marks and the conduct of the brokerage companies' business. The franchise agreements require the companies to coordinate with the Franchiser on significant matters relating to their operations, including the opening and closing of offices, make substantial royalty payments to the Franchiser and contribute significant amounts to national advertising funds maintained by the Franchiser, indemnify the Franchiser against losses arising out of the operations of their business under the franchise agreements and maintain standards and comply with guidelines relating to their operations which are applicable to all franchisees of the Franchiser's real estate franchise system.

The Franchiser has the right to terminate Douglas Elliman's and Prudential Douglas Elliman's franchises, upon the occurrence of certain events, including a bankruptcy or insolvency event, a change in control, a transfer of rights under the franchise agreement and a failure to promptly pay amounts due under the franchise agreements. A termination of Douglas Elliman's or Prudential Douglas Elliman's franchise agreement could have a material adverse affect on the Company.

The franchise agreements grant Douglas Elliman and Prudential Douglas Elliman exclusive franchises in New York for the counties of Nassau and Suffolk on Long Island and for Brooklyn, Queens and Manhattan, subject to various exceptions and to meeting certain annual revenue thresholds. If Douglas Elliman or Prudential Douglas Elliman fails to achieve these levels of revenues for two consecutive years or otherwise materially breaches the franchise agreements, the Franchiser would have the right to terminate the applicable brokerage company's exclusivity rights. A loss of these rights could have a material adverse affect on the Company.

DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(DOLLARS IN THOUSANDS)
DECEMBER 31, 2004

1. BASIS OF PRESENTATION

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of Douglas Elliman Realty, LLC, formerly Montauk Battery Realty, LLC, a New York limited liability company, and its wholly-owned subsidiaries (the "Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

NATURE OF OPERATIONS

The Company is primarily engaged in the real estate brokerage business through its principal subsidiaries, Douglas Elliman, LLC ("Douglas Elliman"), a residential real estate brokerage company based in New York, New York and its Long Island based operations, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, both of which conduct business as Prudential Douglas Elliman Real Estate ("Prudential Douglas Elliman"). The Company is also engaged in property management through its subsidiary, Residential Management Group, LLC, which conducts business as Douglas Elliman Property Management ("DEPM").

ORGANIZATION

On October 15, 2002, Montauk Battery Realty, LLC was formed to consolidate the ownership of the then Company's operating entities, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, under one company, which was completed on December 19, 2002. On March 14, 2003, the Company acquired Douglas Elliman and DEPM and, on May 19, 2003, Montauk Battery Realty, LLC changed its name to Douglas Elliman Realty, LLC.

In October 2004, upon receipt of required regulatory approvals, the Company purchased all of the interest in Burr Enterprises Ltd., which conducts business as Preferred Empire Mortgage Company ("Preferred"). Preferred is a mortgage broker, and the seller is a former officer of the Company. See Notes 3 and 4.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS. The Company considers all highly liquid financial instruments with an original maturity of less than three months to be cash equivalents.

DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(DOLLARS IN THOUSANDS)
DECEMBER 31, 2004

PROPERTY AND EQUIPMENT. Property, equipment and leasehold improvements are stated at cost. Maintenance and repairs are charged to expense as incurred; costs of major additions and betterments are capitalized. When property and equipment are sold or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in other income.

Depreciation is provided on the straight line method over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the related leases or the estimated useful lives of the improvements.

GOODWILL AND TRADEMARKS. In accordance with Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful life. The Company assesses goodwill and trademarks for impairment using fair value measurement techniques on an annual basis.

OTHER INTANGIBLE ASSETS. Other intangible assets consist primarily of non-compete agreements and management contracts. Amortization of non-compete agreements is being provided over the contractual term, generally three years or less. Amortization of management contracts is being provided over fifteen years.

DEFERRED FINANCING CHARGES. Deferred financing charges consist primarily of professional fees related to the acquisition of new financing and the restructuring of the Company's debt obligations in March 2003. These are being amortized over the life of the related debt obligations.

REVENUE RECOGNITION. Real estate commissions earned by the Company's real estate brokerage business are recorded as revenue on a gross basis upon the closing of a real estate transaction (i.e., the purchase or sale of a home). Property management fees earned by DEPM are recorded as revenue when the related services are performed.

ADVERTISING COSTS. Advertising costs are expensed as incurred and are included in operating expenses.

INCOME TAXES. The Company is a limited liability company. The members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision or liability for federal income taxes is included in the financial statements. Taxes for New York City operations are included in the financial statements as New York City does not follow federal tax regulations for limited liability companies.

3. ACQUISITION OF DOUGLAS ELLIMAN AND DEPM

On March 14, 2003, the Company acquired from Insignia Financial Group, Inc. ("Insignia") the operations of Douglas Elliman and DEPM and related trademarks for \$67,250 cash, \$175 in closing costs and the assumption of up to \$4,000 of liabilities. The results of their operations are included in the consolidated financial statements from the date of acquisition. The Company's acquisition objective was to leverage and expand its position in the real estate brokerage business in the New York metropolitan area.

Douglas Elliman was founded in 1911 and is one of Manhattan's leading residential real estate brokers, specializing in the high-end of the sales and rental marketplaces. Douglas Elliman has twelve New York City offices with more than 1,100 real estate brokers. DEPM is a leading manager of rental, co-op and condominium housing in the New York metropolitan area. DEPM provides full service third-party fee management for approximately 250 properties, representing approximately 50,000 units in New York City, Nassau County, Northern New Jersey and Westchester County.

To fund the acquisition, the Company borrowed \$71,500 from two of its members, Prudential Real Estate Financial Services of America, Inc. ("PREFSA") and New Valley Corporation ("New Valley"). PREFSA lent the Company \$52,500 of senior secured debt and PREFSA and New Valley each lent the Company \$9,500 of subordinated debt. In connection with the issuance of the subordinated debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully diluted interest in the Company. Based on an appraisal conducted by an independent third party, the Company valued these additional membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the subordinated debt. The Company is amortizing the value of these membership interests over the term of the subordinated debt.

The acquisition of Douglas Elliman and DEPM has been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of acquisition was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition. Fair values were determined by an independent third-party appraisal.

LIABILITIES	
Accounts payable and accrued expenses	\$ 6,407

Total	\$76,907

The Company assesses intangible assets for impairment using fair value measurement techniques on an annual basis. In accordance with SFAS No. 142, the Company does not amortize goodwill and trademarks, which are deemed to have an indefinite useful live. Douglas Elliman amortized the entire amount of the acquired customer-based intangible assets of \$4,057 in the year ended December 31, 2003. DEPM is amortizing management contracts over 15 years. This represents the expected period of benefit from such assets. For U.S. income tax purposes, the Company and Insignia elected to treat the acquisition of Douglas Elliman, DEPM and the related trademarks as an asset acquisition. As a result, the entire amount of intangible assets is amortizable over 15 years for U.S. income tax purposes.

4. ACQUISITIONS IN 2004

The Company acquired the interest of Preferred for a purchase price of \$2,363, and the interest of several real estate offices in four transactions for an aggregate purchase price of \$1,230. The results of their operations are included in the consolidated financial statements from the dates of acquisition. The Company's acquisition objective was to leverage its position in the real estate brokerage business in the New York metropolitan area.

The acquisitions have been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of the acquisitions was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition,

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

which approximated their book values. The costs of the acquisitions were allocated to goodwill for \$2,357, to fixed assets for \$330, and to other assets for \$906. The purchases were primarily funded from the Company's operations, and the Company issued a note for \$300 for one of the real estate transactions. Goodwill acquired is amortizable over 15 years for U.S. income tax purposes.

 DECEMBER 31, 2004

ACQUISITION TERM NOTE PAYABLE - PREFSA:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA lent the Company \$52,500 of Senior Secured Debt, maturing in 2011 (the "Term Note"). The Term Note bears interest at prime rate plus 2% and is collateralized by substantially all the assets of the Company. The Term Note provides for monthly payments of 3% of gross revenues of Douglas Elliman and Prudential Douglas Elliman prior to March 15, 2005 and 4.5% thereafter so long as the Term Note is outstanding. The payments based on gross revenues are applied first to interest and then to outstanding principal. Additional principal payments are due on June 1 of each year in the amount equal to 60% of the Company's Excess Cash Flow, which is defined in the Term Note loan agreement as the prior year's net income plus cash proceeds received from asset sales and depreciation and amortization expense, less cash capital expenditures, principal payments on notes payable and capital leases (excluding the revolving note facility discussed below), and tax distributions made to the Company's members. The Term Note includes covenants that, among other things, require the Company to meet certain financial ratios, limit the Company's ability to incur debt, and limit capital expenditures.

SUBORDINATED NOTES PAYABLE - PREFSA AND NEW VALLEY:

In connection with the acquisition of Douglas Elliman and DEPM, PREFSA and New Valley each lent the Company \$9,500 of subordinated debt, due 2013 (the "Subordinated Debt"). The Subordinated Debt is subordinate to the Term Note and bears interest at 12% per annum, of which 10% is payable in cash and 2% accrues and is added to the principal amount.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

Interest added to the principal balance in 2004 was \$392. In connection with the issuance of the Subordinated Debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully-diluted interest in the Company. Based on an appraisal conducted by an independent third party, the Company valued those membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the Subordinated Debt. The Company is amortizing the value of these membership interests over the term of the Subordinated Debt. The amount amortized to interest expense for the year ended December 31, 2004 was \$172. Principal payments are due on June 1 of each year in an amount equal to 20% of the Company's Excess Cash Flow computed in the same manner as defined in the Term Note loan agreement.

FRANCHISE TERM NOTES PAYABLE:

In December 2002, The Prudential Real Estate Affiliates, Inc. ("PREA" or the "Franchiser"), an affiliate of PREFSA, lent Prudential Douglas Elliman \$3,300 bearing interest at 9% per annum and due in annual installments of principal and interest of \$514 through 2012.

In March 2003, PREA lent Douglas Elliman \$1,250 bearing interest at 8% per annum and due in annual installments of principal and interest of \$186 through 2013.

The Franchiser has significant rights over the use of the franchised

service marks and the conduct of the brokerage companies' business. The franchise agreements require the companies to coordinate with the Franchiser on significant matters relating to their operations, including the opening and closing of offices, make substantial royalty payments to the Franchiser and contribute significant amounts to national advertising funds maintained by the Franchiser, indemnify the Franchiser against losses arising out of the operations of their business under the franchise agreements and maintain standards and comply with guidelines relating to their operations which are applicable to all franchisees of the Franchiser's real estate franchise system.

The Franchiser has the right to terminate Douglas Elliman's and Prudential Douglas Elliman's franchises, upon the occurrence of certain events, including a bankruptcy or insolvency event, a change in control, a transfer of rights under the franchise agreement and a failure to promptly pay amounts due under the franchise agreements. A termination of Douglas Elliman's or Prudential Douglas Elliman's franchise agreement could have a material adverse affect on the Company.

The franchise agreements grant Douglas Elliman and Prudential Douglas Elliman exclusive franchises in New York for the counties of Nassau and Suffolk on Long Island and for Brooklyn, Queens and Manhattan, subject to various exceptions and to meeting certain annual revenue thresholds. If Douglas Elliman or Prudential Douglas Elliman fails to achieve these levels of revenues for two consecutive years or otherwise materially breaches the franchise agreements, the Franchiser would have the right to terminate the applicable brokerage company's exclusivity rights. A loss of these rights could have a material adverse affect on the Company.

1. BASIS OF PRESENTATION

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of Douglas Elliman Realty, LLC (formerly Montauk Battery Realty, LLC), a New York limited liability company, and its wholly-owned subsidiaries (the "Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

NATURE OF OPERATIONS

The Company is primarily engaged in the real estate brokerage business through its principal subsidiaries, Douglas Elliman, LLC ("Douglas Elliman"), a residential real estate brokerage company based in New York, New York and its Long Island based operations, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, both of which conduct business as Prudential Douglas Elliman Real Estate ("Prudential Douglas Elliman"). The Company is also engaged in property management through its subsidiary, Residential Management Group, LLC ("RMG").

ORGANIZATION

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

On October 15, 2002 Montauk Battery Realty, LLC was formed to consolidate the ownership of the then Company's operating entities, B&H Associates of New York, LLC and B&H of the Hamptons, LLC, under one company, which was completed on December 19, 2002. On March 14, 2003, the Company acquired Douglas Elliman and RMG and, on May 19, 2003, Montauk Battery Realty, LLC changed its name to Douglas Elliman Realty, LLC. See Note 3.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS. The Company considers all highly liquid financial instruments with an original maturity of less than three months to be cash equivalents.

PROPERTY AND EQUIPMENT. Property, equipment and leasehold improvements are stated at cost. Maintenance and repairs are charged to expense as incurred; costs of major additions and betterments are capitalized. When property and equipment are sold or otherwise disposed of, the cost and related accumulated depreciation are eliminated from the accounts and any resulting gain or loss is reflected in other income.

46

DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (continued)
(DOLLARS IN THOUSANDS)
(Unaudited)

Depreciation is provided on the straight line method over the estimated useful lives of the related assets. The cost of leasehold improvements is amortized over the lesser of the length of the related leases or the estimated useful lives of the improvements.

GOODWILL AND TRADEMARKS. In accordance with Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), the Company does not amortize goodwill and other intangible assets, primarily trademarks, deemed to have an indefinite useful life. The Company assesses goodwill and certain intangible assets deemed to have an indefinite useful life for impairment using fair value measurement techniques on an annual basis.

OTHER INTANGIBLE ASSETS. Other intangible assets consist primarily of non-compete agreements and management contracts. Amortization of non-compete agreements is being provided on a straight line basis over the contractual term, generally three years or less. Amortization of management contracts is being provided on a straight line basis over fifteen years.

DEFERRED FINANCING CHARGES. Deferred financing charges consist primarily of professional fees related to the acquisition of new financing and the restructuring of the Company's debt obligations in March 2003. These are being amortized over the life of the related debt obligations.

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

REVENUE RECOGNITION. Real estate commissions earned by the Company's real estate brokerage business are recorded as revenue on a gross basis upon the closing of a real estate transaction (i.e., the purchase or sale of a home). Property management fees earned by RMG are recorded as revenue when the related services are performed.

ADVERTISING COSTS. Advertising costs are expensed as incurred and are included in operating expenses.

INCOME TAXES. The Company is a limited liability company. The members of a limited liability company are taxed on their proportionate share of the Company's taxable income. Accordingly, no provision or liability for federal or state income taxes is included in the financial statements.

NEW ACCOUNTING PRONOUNCEMENTS. In December 2003, Financial Accounting Standards Board Interpretation ("FIN") No. 46(R), "Consolidation of Variable Interest Entities (revised December 2003)" was issued. The interpretation revises FIN No. 46, "Consolidation of Variable Interest Entities" to exempt certain entities from the requirements of FIN No. 46. The interpretation requires a company to consolidate a variable interest entity ("VIE"), as defined, when the company will absorb a majority of the VIE's expected losses, receive a majority of the VIE's expected residual returns, or both. FIN No. 46(R) also requires consolidation of existing, non-controlled affiliates if the VIE is unable to finance its operations without investor support, or where the other investors do not have exposure to the significant risks and rewards of ownership. The interpretation applies immediately to a VIE created or acquired after January 31, 2003. For a VIE acquired before February 1, 2003, FIN No. 46(R) applies in the first interim period ending after March 15, 2004. The Company has not completed its assessment of the impact of this interpretation, but does not anticipate a material impact on its consolidated financial statements.

In April 2003, SFAS No. 149, "Amendment of Statement 133 on Derivative Instruments and Hedging Activities" was issued. SFAS No. 149 amends and clarifies accounting for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities under SFAS No. 133.

47

SFAS No. 149 is effective for contracts entered into or modified after June 30, 2003 and for hedging relationships designated after June 30, 2003. The adoption of this statement did not have an impact on the Company's consolidated financial statements.

In May 2003, the FASB issued SFAS No. 150, "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity." SFAS No. 150 establishes standards for how companies classify and measure certain financial instruments with characteristics of both liabilities and equity. It requires companies to classify a financial instrument that is within its scope as a liability (or an asset in some circumstances). SFAS No. 150 is effective immediately for financial instruments entered into or modified after May 15, 2003 and in the first interim period after June 15, 2003 for all other financial

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

instruments. The adoption of this statement did not have an impact on the Company's consolidated financial statements.

3. ACQUISITION OF DOUGLAS ELLIMAN AND RMG

On March 14, 2003, the Company acquired from Insignia Financial Group, Inc. ("Insignia") the operations of Douglas Elliman and RMG and related trademarks for \$67,250 cash, \$175 in closing costs and the assumption of up to \$4,000 of liabilities. The results of their operations are included in the consolidated financial statements from the date of acquisition. The Company's acquisition objective was to leverage and expand its position in the real estate brokerage business in the New York metropolitan area.

Douglas Elliman was founded in 1911 and is one of Manhattan's leading residential real estate brokers, specializing in the high-end of the sales and rental marketplaces. Douglas Elliman has nine New York City offices with more than 900 real estate brokers. RMG is a leading manager of rental, co-op and condominium housing in the New York metropolitan area. RMG provides full service third-party fee management for approximately 250 properties, representing approximately 50,000 units in New York City, Nassau County, Northern New Jersey and Westchester County.

To fund the acquisition, the Company borrowed \$71,500 from two of its members, Prudential Real Estate Financial Services of America, Inc. ("PREFSA") and New Valley Corporation ("New Valley"). PREFSA lent the Company \$52,500 of senior secured debt and PREFSA and New Valley each lent the Company \$9,500 of subordinated debt. In connection with the issuance of the subordinated debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully diluted interest in the Company. Based on an appraisal conducted by an independent third party, the Company valued these additional membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the subordinated debt. The Company is amortizing the value of these membership interests over the term of the subordinated debt.

The acquisition of Douglas Elliman and RMG has been accounted for in accordance with SFAS No. 141, "Business Combinations". The cost of acquisition was allocated to the assets acquired and liabilities assumed based on estimates of their respective fair values at the date of acquisition. Fair values were determined by an independent third-party appraisal.

The Term Note provides for monthly payments of 3% of gross revenues of Douglas Elliman and Prudential Douglas Elliman prior to March 15, 2005 and 4.5% thereafter so long as the Term Note is outstanding. The payments based on gross revenues are applied first to interest and then to outstanding principal. Additional principal payments are due on June 1 of each year in the amount equal to 60% of the Company's Excess Cash Flow, which is defined in the Term Note loan agreement as the prior year's net income plus cash proceeds received from asset sales and depreciation and amortization expense, less cash capital expenditures, principal payments on notes payable and capital leases (excluding the revolving note facility discussed below), and tax distributions made to the Company's members. The Term Note includes covenants that, among other things, require the Company to meet certain financial ratios, limit the Company's ability to incur debt, and limit capital expenditures.

SUBORDINATED NOTES PAYABLE - PREFSA AND NEW VALLEY:

In connection with the acquisition of Douglas Elliman and RMG, PREFSA and New Valley each lent the Company \$9,500 of subordinated debt, due 2013 (the "Subordinated Debt"). The Subordinated Debt is subordinate to the Term Note and bears interest at 12% per annum, of which 10% is payable in cash and 2% accrues and is added to the principal amount. Interest added to the principal balance in 2003 was \$418. In connection with the issuance of the Subordinated Debt, PREFSA and New Valley each acquired additional membership interests representing a 15% fully-diluted interest in the Company. Based on an appraisal conducted by an independent third party, the Company valued those membership interests at \$2,500 and recorded this amount as a reduction to the principal amount of the Subordinated Debt. The Company is amortizing the value of these membership interests over the term of the Subordinated Debt. The amount amortized to interest expense for the year ended December 31, 2003 was \$110. Principal payments are due on June 1 of each year in an amount equal to 20% of the Company's Excess Cash Flow computed in the same manner as defined in the Term Note loan agreement.

FRANCHISE TERM NOTES PAYABLE:

In December 2002, The Prudential Real Estate Affiliates, Inc. ("PREA" or the "Franchiser"), an affiliate of PREFSA, lent Prudential Douglas Elliman \$3,300 bearing interest at 9% per annum and due in annual installments of principal and interest of \$514 through 2012. A portion of the royalties received by PREA are applied to the annual principal payments due under the note.

In March 2003, PREA lent Douglas Elliman \$1,250 bearing interest at 8% per annum and due in annual installments of principal and interest of \$186 through 2013. A portion of the royalties received by PREA are applied to the annual principal payments due under the note.

REVOLVING LOAN FACILITY:

In March 2003, the Company and PREFSA entered into a revolving loan facility for \$5,000, available until March 2006. Borrowings under the facility bear interest at prime rate plus 1.5% and are collateralized by substantially all the assets of the Company. As of December 31, 2003, \$5,000 was available under the facility.

NOTE PAYABLE - DOROTHY HERMAN:

As of December 31, 2003, the Company was indebted to Dorothy Herman, a member and executive officer of Realty, in the amount of \$527 with interest at prime rate plus 1.5%. The principal amount is due on June 1 of each year in the amount equal to approximately 8.29% of the Company's Excess Cash Flow, which is computed in the same manner as defined in the Term Loan agreements, provided New Valley receives an equal payment and PREFSA receives a proportionate payment, each as a return of capital.

9. FRANCHISE AGREEMENT AND ROYALTY FEES

Douglas Elliman is party to a franchise agreement with PREA entered into in March 2003. The agreement provides for Douglas Elliman to make monthly payments of royalty fees to PREA based on the level of gross revenue, with a royalty rate ranging from 1.8% to 6.0% of gross revenues earned. Pursuant to the franchise agreement, Douglas Elliman was granted a 50% reduction in royalty fees for the first year and a 50% deferral of applicable royalty fees for the second year, which is payable in monthly installments beginning in the first month of the fourth year. The percentage was 0.90% for the period ended December 31, 2003. The agreement also provides for Douglas Elliman to remit advertising and annual franchise fees to PREA, which are based on gross revenues and the number of offices occupied.

Prudential Douglas Elliman is party to a franchise agreement with PREA entered into in December 2002. The agreement provides for Prudential Douglas Elliman to make monthly payments of royalty fees to PREA based on 2.24% of gross revenues earned for the first five years and on a scale ranging from 1.8% to 6.0% of gross revenues earned thereafter. The agreement also provides for Prudential Douglas Elliman to remit advertising and annual franchise fees, which are based on gross revenues and the number of offices occupied. Prudential Douglas Elliman operates each of its offices under its franchiser's brand name, but generally does not own any of the brand names under which it operates.

For the year ended December 31, 2003, total fees incurred under the franchise agreements amounted to approximately \$2,162.

The Franchiser has significant rights over the use of the franchised service marks and the conduct of the brokerage companies' business. The franchise agreements require the companies to coordinate with the Franchiser on significant matters relating to their operations, including the opening and closing of offices, make substantial royalty payments to the Franchiser and contribute significant amounts to national advertising funds maintained by the Franchiser, indemnify the Franchiser against losses arising out of the operations of their business under the franchise agreements and maintain standards and comply with guidelines relating to their operations which are applicable to all franchisees of the Franchiser's real estate franchise system.

DOUGLAS ELLIMAN REALTY, LLC AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (continued)
(DOLLARS IN THOUSANDS)
(Unaudited)

The Franchiser has the right to terminate Douglas Elliman's and Prudential Douglas Elliman's franchises, upon the occurrence of certain events, including a bankruptcy or insolvency event, a change in control, a transfer of rights under the franchise agreement and a failure to promptly pay amounts due under the franchise agreements. A termination of Douglas Elliman's or Prudential Douglas Elliman's franchise agreement could have a material adverse affect on the Company.

The franchise agreements grant Douglas Elliman and Prudential Douglas Elliman exclusive franchises in New York for the counties of Nassau and Suffolk on Long Island and for Manhattan, subject to various exceptions and to meeting certain annual revenue thresholds. If Douglas Elliman or Prudential Douglas Elliman fails to achieve these levels of revenues for two consecutive years or otherwise materially breaches the franchise agreements, the Franchiser would have the right to terminate the applicable brokerage company's exclusivity rights. A loss of these rights could have a material adverse affect on the Company.

10. DEFINED CONTRIBUTION PLANS

Douglas Elliman, Prudential Douglas Elliman and RMG sponsor individual 401(k) plans which allow eligible employees to make pre-tax contributions. Employees who have completed one year of service, as defined, are eligible to participate in the plans. The plans provide for matching employer contributions of 10% of employee contributions up to a maximum annual contribution of \$12 per employee. Participants are immediately vested in their contributions made. Matching contributions for the years ended December 31, 2003 amounted to \$106.

11. COMMITMENTS AND CONTINGENCIES

LAWSUITS

The Company is involved in litigation through the normal course of business. Certain claims arising before the date of acquisition of Douglas Elliman and RMG are subject to indemnification agreements with the prior owners. The majority of these claims have been referred to the insurance carrier and related counsel. The Company believes that the resolution of these matters will not have a material adverse effect on the financial position of the Company.

LEASES

The Company and its subsidiaries are obligated under various operating lease agreements for office facilities. Certain leases are non-cancelable and expire on various dates through September 2013. Rent expense during the year ended December 31, 2003 was approximately \$6,602.

KOA INVESTORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2005
(UNAUDITED)

1. PURPOSE AND ORGANIZATION

A. FORMATION

Koa Investors, LLC (the "Company") was formed as a Delaware limited liability company on November 17, 1999. The Company was formed to acquire a mortgage note and foreclose on the note for the purpose of owning, developing and operating a hotel resort in Keauhou, Hawaii (the "Hotel").

The Hotel contains 521 guest rooms, cabana style dining services, and a multi-level pool with a poolside grill and bar. The Hotel renovation was completed in January 2005. The Company has engaged Starwood Hotels & Resorts Worldwide, Inc. ("Starwood") as its exclusive managing agent to operate the Hotel.

Pursuant to the operating agreement, the Company will continue in existence until the earlier of December 31, 2051 or upon the decision of the Decision Members, as defined, to terminate the Company.

B. CONTRIBUTIONS

The operating agreement (the "Agreement") provides for contributions generally based upon each member's ownership interest.

C. DISTRIBUTIONS

Cash available for distribution, as defined in the Agreement, is distributed in accordance with the contributions made until the members have received a 12% return on their contributions and have been returned all contributions; thereafter incentive distributions may be earned by some of the members subject to achievement of certain returns, as defined, in the Agreement. As of December 31, 2005 unpaid returns were approximately \$1,289,553.

D. INCOME AND LOSSES

Generally, income and losses are allocated in such a manner as to cause each member's capital account to equal the cash distribution each would receive based upon a hypothetical liquidation at the Company's book basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Edgar Filing: VECTOR GROUP LTD - Form 10-K/A

A. CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash in banks and overnight investments that at various times during the year exceed Federally insured limits. The Company believes it mitigates this risk by banking with high credit institutions.

B. ACCOUNTS RECEIVABLE

Accounts receivable consists of the receivables for guest rooms and other services. Accounts receivable does not bear interest and is evaluated periodically by collectibility. The Company establishes an allowance for doubtful accounts, based on a percentage of the aged accounts receivable throughout the year.

C. INVENTORIES

Inventories, comprised primarily of food, beverage and hotel operating supplies, are stated at the lower cost or market. Cost is determined by the first-in, first-out method.

D. RESTRICTED ASSETS

Restricted assets at December 31, 2005 consisted primarily of amounts held in escrow related to interest, insurance and property taxes.

E. REAL ESTATE UNDER DEVELOPMENT

All costs incurred in connection with the acquisition, development and construction of the Hotel were capitalized. The Hotel was completed in January 2005.

F. LEASEHOLD INTEREST, IMPROVEMENTS AND PERSONAL PROPERTY

Leasehold interest, improvements and personal property are stated at cost. Buildings, improvements and furnishings and equipment are depreciated using the straight-line method over their estimated useful lives. Significant improvements and betterments are capitalized. Maintenance and repairs are charged to expense as incurred.

The estimated useful lives are as follows:

Buildings and improvements	39 years
Land improvements	15 years
Furnishings and equipment	5 years

On a periodic basis, management assesses whether there are any indicators that the value of the real estate and personal property may be impaired. The value is impaired only if management's estimate of the aggregate future cash flows (undiscounted and without interest charges) generated by the Hotel is less than the carrying value of the assets. Any impairment losses would be measured primarily by comparing management's analysis of estimated future cash flows generated by the Hotel discounted at an appropriate rate, to the carrying value of the asset. Management does not believe that the value of any of its real estate and personal property is impaired.

(UNAUDITED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

G. DEFERRED FINANCING COSTS

Costs incurred in obtaining financing or interest cap agreements are amortized over the term of the related debt.

H. DEFERRED GROUND RENT

Base rental expense on the Company's ground lease is recognized ratably over its non-cancelable term. The difference between the ground rent recognized using the straight-line method and the ground rent in accordance with the lease is reflected as deferred ground rent payable on the balance sheets.

I. REVENUE RECOGNITION

Revenues are recognized when services are rendered. The Company receives deposits for events and rooms. Such deposits, which were \$474,802 at December 31, 2005, are deferred and included in accounts payable and accrued expenses in the accompanying balance sheet. The amounts are charged to income when the specific event takes place.

J. INCOME TAXES

No provision or benefit for income taxes has been included in the financial statements because as a limited liability company, the Company is generally not subject to Federal or state income taxes. The effects of the Company's activities accrue directly to the members.

K. ADVERTISING

Advertising and marketing costs, which were \$578,586 for the year ended December 31, 2005, are expensed as incurred.

L. USE OF ESTIMATES

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America ("GAAP"), requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

3. LEASEHOLD INTEREST, IMPROVEMENTS AND PERSONAL PROPERTY AND MORTGAGE NOTE PAYABLE
