PROXY STATEMENT

2004 Annual Meeting of Stockholders

This Proxy Statement and the enclosed Proxy Card are furnished in connection with the solicitation of proxies by the Board of Directors of CB Bancshares, Inc. (Bancshares) to be used for voting at the 2004 annual meeting of stockholders of Bancshares and at any adjournments or postponements thereof (the Meeting), which will be held on Thursday, April 29, 2004, at 9:00 a.m. (Hawaii Standard Time), on the second floor, City Financial Tower, 201 Merchant Street, Honolulu, Hawaii. The accompanying Notice of Annual Meeting, this Proxy Statement and the Proxy Card are first being mailed to stockholders of Bancshares on or about March 25, 2004.

The annual report of Bancshares, which is being mailed with this Proxy Statement, is not deemed to be proxy solicitation material.

VOTING RIGHTS

Only holders of Bancshares common stock (Common Stock) of record at the close of business (4:00 p.m., Hawaii Standard Time) on March 22, 2004 (the Record Date), are entitled to notice of and to vote at the Meeting. On the Record Date, there were 4,353,213 shares of Common Stock issued and outstanding. Each share of Common Stock is entitled to one vote on any matter which may properly come before the Meeting. There is no cumulative voting with respect to Common Stock.

VOTING BY PROXY

Proxies solicited by the Board of Directors which are properly executed and returned to Bancshares will be voted in accordance with directions given thereon. Executed proxies on which no directions are indicated will be voted FOR election of the Board s nominees for Class III directors. If for any reason a nominee should decline or be unable to stand for election at the 2004 annual meeting of stockholders, an event which Bancshares does not presently anticipate, proxies, if authorized to vote for the Board s nominees, may in their discretion vote for another candidate. The Board of Directors has appointed directors Colbert M. Matsumoto and Maurice H. Yamasato, to act as proxies on behalf of the Board of Directors.

Before the annual meeting, the Bancshares Board of Directors will appoint inspectors of the election. The inspectors will tally all votes cast in person or by proxy for the election of directors. With respect to the election of directors and other actions, abstentions and broker non-votes will not be counted as either a vote for or against and thus abstentions and broker non-votes will have no effect on the outcome of voting. Directors will be elected upon receiving a plurality of the votes cast in person or by proxy at the annual meeting, provided a quorum is present. All other action taken at the meeting will be approved if the votes cast favoring the action exceed the votes cast opposing the action, provided that a quorum is present. The presence in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum. If a quorum is not present in person or represented by proxy, the stockholders entitled to vote, present or represented by proxy, have the power to adjourn the Meeting from time to time, without notice other than an announcement at the Meeting,

until a quorum is present or represented.

A stockholder may revoke his or her proxy at any time before its exercise by filing with the Secretary of Bancshares or the presiding officer of the meeting a written notice of revocation. A stockholder attending the 2004 annual meeting may revoke his or her proxy in person at the meeting at any time before its exercise, and a stockholder's proxy may be revoked or superseded by a duly executed proxy of later date.

Table of Contents

THE ENCLOSED PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF BANCSHARES and delegates discretionary authority with respect to any additional matters which may properly come before the meeting. Although the Board is not currently aware of any additional matter, if other matters do properly come before the meeting, proxies will vote thereon in accordance with their best judgment.

ADMITTANCE TO MEETING

You are entitled to attend the Meeting only if you were a Bancshares shareholder as of the close of business on March 22, 2004 or hold a valid proxy for the Meeting. You should be prepared to present photo identification for admittance. In addition, if you are a record holder, your name will be verified against the list of record holders on the record date prior to being admitted to the meeting. If you are not a record holder but hold Bancshares shares through a broker or nominee (i.e., in street name), you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement prior to March 22, 2004, or other similar evidence of ownership. If you will not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the Meeting. If you are a participant in the Bancshares Employee Stock Ownership Plan (ESOP), your name will be verified against the list of plan participants on the Record Date prior to being admitted to the meeting.

ELECTION OF DIRECTORS

Bancshares Board of Directors are divided into three (3) classes, CLASS I consisting of three (3) directors, CLASS II consisting of four (4) directors, and CLASS III consisting of three (3) directors. The Articles of Incorporation provide for each class of directors to be elected for three-year terms on a staggered basis. At the 2004 annual meeting, three (3) Class III directors are to be elected to serve until the 2007 annual meeting of stockholders and until their respective successors have been elected.

The Board of Directors three nominees for Class III directors are Tomio Fuchu, Duane K. Kurisu and Mike K. Sayama. Messrs. Fuchu, Kurisu and Sayama are incumbent directors of Bancshares and currently directors of the Bank.

THE BANCSHARES BOARD OF DIRECTORS RECOMMENDS TO THE STOCKHOLDERS ITS THREE NOMINEES FOR CLASS III DIRECTORS

Unless authority to vote for the election of directors or for a specified nominee is withheld, all proxies will be voted to elect the Board of Directors three (3) nominees. While Bancshares does not anticipate that any nominee will decline or be unable to stand for election at the 2004 annual meeting, if for any reason any nominee should decline or be unable to serve, proxies may vote for the election of such other person as the Board of Directors shall nominate or proxies shall otherwise select.

The following table sets forth certain information as of March 15, 2004 as to each nominee for Class I, Class II and Class III director now in office, executive officers, and for all executive officers and directors of Bancshares, as a group. Unless otherwise noted, each person listed below is the direct beneficial and record owner of the number of shares indicated, as to which he or she exercises sole voting and investment power. Beneficial ownership has been computed in accordance with Securities and Exchange Commission rules, and it does not necessarily indicate beneficial ownership for any other purpose. The Board of Directors has determined that all current Directors and nominees have met the independence standards of Rule 4200(a)(15) of the National Association of Securities Dealers listing standards, with the exception of Mr. Migita, who is the Chief Executive Officer of the Company.

Supplemental Executive Retirement Plan

Effective as of June 1, 2002, Bancshares has entered into Supplemental Executive Retirement Agreements (SERP) with Messrs. Migita, Lim, Hirata, Kunimoto and, as of May 1, 2003, entered into a SERP with Mr. Weld. The Agreements constitute nonqualified retirement benefit arrangements established for the purpose of supplementing the benefits that such executives may receive under the qualified retirement plans maintained by Bancshares. For Mr. Migita, the SERP provides a projected annual benefit in the event of termination of employment at age 65 (normal retirement date) equal to \$50,000 payable in monthly installments over 18 years. For Messrs. Lim, Hirata, Kunimoto and Weld, the SERP provides a projected annual benefit in the event of termination of employment at normal retirement date equal to 65% of final average compensation, less 50% of the executive's social security benefit and less the pension benefits payable under any Bancshares defined contribution plan, payable to the executive in the form of a life annuity. The 65% formula is reduced 2.5% for each year of service less than 25 years of service and increased by 2.5% for each year of service exceeding 25 years of service (subject to a maximum adjusted percentage of 70%). For this purpose, final average compensation means the average base salary plus bonus for the five year period preceding the executive's termination of employment, and years of service means all years of service from the date of hire. In the event of the executive's termination of employment prior to normal retirement date, the executive is entitled to the amount of the SERP benefit accrued as of the termination date, and the actuarial equivalent value of such benefit will be paid commencing as of the normal retirement date in the form of monthly installments over 18 years. In the event of the executive's termination of employment prior to normal retirement date due to disability, or involuntary termination of employment prior to normal retirement date and within three years following a change of control (as described below), the executive is generally entitled to a SERP benefit payable at normal retirement date equal to the full SERP benefit that he would have received had he remained in the employ of Bancshares and retired at his normal

retirement date. The actuarial equivalent value of the SERP benefit due to disability will be paid commencing as of the normal retirement date in the form of monthly installments over 18 years. In the case of a SERP benefit payable due to a termination of employment on or after normal retirement date or due to a change of control, the executive may elect at the time of establishment of the SERP among alternative distribution options commencing at various times (including, lump sum payment, monthly installment payments over a specified term, and joint and 50% or 100% survivor annuity). In the event of the death of the executive during his employment, the executive's designated beneficiary is generally entitled to the full SERP benefit that the executive would have received had he remained in the employ of Bancshares and retired at his normal retirement date, but the actuarial equivalent value of such benefit will be payable commencing at the time of death in monthly installments over 20

Table of Contents

years. Generally, in the case of a termination of employment for reasons other than disability, death, or change of control, the SERP benefit is subject to vesting over a ten-year period (less than 4 years-0% vesting, 4 years-10%, 5 years-20%, 6 years-30%, 7 years-45%, 8 years-60%, 9 years-80%, and 10 or more years-100%), with the exception of Mr. Migita's SERP benefit which is fully vested due to his established years of service. The estimated benefit under the SERP formula payable at normal retirement date in the form of a life annuity (without application of the offset for an executive's social security benefit and pension benefit), and based on assumed final average compensation and years of service (exclusive of Mr. Migita's SERP benefit which is determined as the above stated fixed dollar amount), is described in the table below. As of December 31, 2003, the current covered compensation is comprised of the salary and bonus amounts reflected in the summary compensation table and their years of service are as follows: Mr. Lim, 27 years of service; Mr. Hirata, 4 years of service; Mr. Kunimoto, 19 years of service; and Mr. Weld, 1 year of service.

Deferred Compensation Agreement

Effective as of June 1, 2002, Bancshares has established the CB Bancshares, Inc. Executive Deferred Compensation Agreement for Ronald K Migita ("Deferred Compensation Agreement"). Under the Deferred Compensation Agreement, an account is maintained on behalf of Mr. Migita to which the annual amount equal to \$130,000 shall be credited to his account ratably as of the last day of each month to which an annual interest rate of 7% compounded monthly shall be added. In the event of termination of employment on or after age 65 ("normal retirement date"), Mr. Migita is entitled to the payment of the balance of his account in the form of alternative distribution options as he may elect at time of the establishment of the Deferred Compensation Agreement (including, lump sum payment, monthly installment payments over a specified term, and joint and 50% or 100% survivor annuity). In the event of his termination of employment prior to normal retirement date, Mr. Migita is entitled to the payment of the balance of his account in the form of monthly installments over 18 years. However, in the event of his involuntary termination of employment prior to normal retirement date and within three years following a "change of control" (as described below), the account balance is valued as the amount Mr. Migita would have received had he remained in the employ of Bancshares and retired on his normal retirement date, and such amount is payable in the

form of the alternative distribution options that he may elect at the time of the establishment of the Deferred Compensation Agreement (including, lump sum payment and monthly installment payments over a specified term). In the event of the death of Mr. Migita during his employment, the account balance is valued in the same manner as in the case of a change of control and payable to his designated beneficiary.

Table of Contents**Change of Control Agreements**

On March 28, 1996, the Board of Directors of Bancshares approved and adopted Change of Control Agreements with five senior executives of Bancshares, including Ronald K. Migita (the CBBI Executives Agreement). On March 28, 1996, the Board of Directors of the Bank approved and adopted Change of Control Agreements between the Bank and eight senior executives (the Bank Executives Agreement). On March 28, 1996, the Board of Directors of ISL approved and adopted Change of Control Agreements between ISL and five of its executives (the ISL Executives Agreement), including Warren Y. Kunimoto, Richard C. Lim and Jasen H. Takei. On July 1, 2000, ISL was merged with and into the Bank. The ISL Executives Agreement remains effective as assumed by the Bank as part of the merger. On May 13, 1999, the Board of Directors of the Bank approved and adopted a Change of Control Agreement with Dean K. Hirata. On July 22, 2003, the Board of Directors of the Bank approved and adopted a Change of Control Agreement with Douglas R. Weld. The CBBI Executives Agreements, the Bank Executives Agreements and the ISL Executives Agreements are collectively referred to below as a Change of Control Agreement, and collectively Change of Control Agreements. An executive who is a party to a Change of Control Agreement is referred to below as an Executive, and collectively the Executives. Bancshares, the Bank and ISL are sometimes referred to below as the Employer. As of the date of this Proxy Statement, Change of Control Agreements remain in effect for a total of nine (9) executives of Bancshares and the Bank.

The Change of Control Agreements were adopted by the Boards of Directors of the Bank, ISL and Bancshares to encourage continuity of management in the event of a change of control of Bancshares by granting certain benefits to certain senior executives. The Change of Control Agreements become operational upon the occurrence of a Change of Control, (the Effective Date). For the Change of Control Agreements, a Change of Control occurs when (i) a person acquires 20% or more of Bancshares voting stock; (ii) Bancshares shareholders approve a merger, consolidation, or other business combination, or a sale of substantially all of its assets or enters into a similar business transaction (a Transaction), unless after such Transaction, the shareholders immediately prior to the Transaction continue to control a majority of Bancshares voting power in the resulting entity; or (iii) within any 24-month period beginning on or after December 1995, the persons who were directors immediately prior to such period shall cease (for any reason other than death) to constitute at least a majority of the Board of Directors.

In the event of a Change of Control, the benefits that will be provided to the Executives include: (i) employment with the Employer for a three-year period commencing on the Effective Date (the Employment Period), in a commensurate position, with commensurate duties, as held 90 days before the Effective Date; (ii) during the Employment Period, a base salary equal to the highest monthly salary paid during the year prior to the Effective Date; (iii) for each of the years during the Employment Period, a bonus equal to the highest bonus paid with regard to the three fiscal years prior to the Effective Date; (iv) during the Employment Period, participation in all health and welfare, incentive, savings plans and programs, including stock option, retirement and life insurance plans, all on a basis equal to the highest level of participation received during the 90-day period prior to the Effective Date.

Upon an Executive's death, the Change of Control Agreement will automatically terminate. The Employer may terminate the Change of Control Agreements for an Executive, after having established that Executive's disability and giving that Executive required notice. Following a Change of Control, an Executive may terminate the Change of Control Agreement for any reason on 30-day's written notice. The Employer may terminate the Change of Control Agreement for cause.

The Employer is required to make certain payments to the Executives upon termination of the Change of Control Agreements. If a Change of Control Agreement is terminated for death or disability, the Executive will receive those payments that have accrued under the Change of Control Agreement to the date of death, including full base salary, annual prorated bonus and deferred compensation, and any other amounts owed under the Employer's employee benefit plans then in effect. If a Change of Control Agreement is terminated for cause or is voluntarily terminated by

the Executive, the Executive will also receive those payments that have accrued under the Change of Control Agreement to the date of termination other than the prorated bonus.

If the Change of Control Agreement is terminated by the Employer, other than for cause, the Employer must pay to the Executive in a lump sum in cash the aggregate of the following amounts: (i) the Executive's base salary through the date of termination; (ii) a cash amount equal to 2.99 times the sum of: (a) the Executive's average

Table of Contents

annual base salary, as defined (based on the average of the five most recent taxable years); (b) the higher of the (x) annual bonus earned by the Executive for the last fiscal year, or (y) the higher of the annual bonus earned by the Executive for the fiscal year of the Employer including the Effective Date or the last fiscal year of the Employer ended before the Effective Date; and (c) the present value, calculated using an 8% discount rate, of the annual cost to the Employer of obtaining life insurance coverage and benefit plans for the Executive and certain other fringe benefits, all of such amounts being subject to proration based on the number of months remaining in the Employment Period; (iii) a cash amount equal to the difference between (x) the maximum payments the Executive would have received under any long-term incentive compensation or performance plan of the Employer for the remainder of the Employment Period if he had continued in the employ of the Employer for the remainder of the Employment Period, and (y) any amounts actually paid under any such plan with respect to such awards; (iv) a cash amount equal to the present value of the incremental retirement benefits that would have been payable or available to the Executive had the Executive continued in the Employer's employ for the remainder of the Employment Period; and (v) a cash amount equal to any deferred compensation and any other amounts owing to the Executive under the then applicable employee benefit plans. Any amount paid or payable under (ii)(a), (ii)(b) or (iv) above is reduced by any amount paid to the Executive under Bancshares' severance procedures and guidelines or any agreement related thereto.

In 2003, the Change of Control Agreements for selected Executives Messrs. Migita, Lim, Kunimoto and Hirata were amended to provide that if any benefit payable under the Agreement would create an excise tax under the excess parachute rules of Code Sections 280G and 4999, the Employer will pay to the Executive an additional amount (the Gross-up) equal to the excise penalty tax amount divided by the sum of one minus the sum of the penalty tax rate plus the executive's marginal income tax rate. The Gross-up shall be paid in a lump sum within 60 days of termination of employment following a Change of Control. In the event the Internal Revenue Service adjusts the excise tax computation of the Employer, such that the Executive is liable for the payment of a greater excise tax under Code Sections 280G and 4999, or such that the Executive does not receive the full benefit that he would have received, the Employer will reimburse the Executive for the full amount necessary to make the Executive whole, including the value of the excise tax and all corresponding interest and penalties due to the Internal Revenue Service. Mr. Weld's Change of Control Agreement includes the above provisions.

With respect to any stock options or restricted stock held by the Executive, upon the earlier of the merger of the Employer with and into another corporation following a Change of Control or six months after termination of the Change of Control Agreement, the Executive will be paid an amount equal to the sum of (i) the product of (a) the excess of (x) the greater of (I) the highest price offered for a share of common stock of Bancshares in conjunction with any tender offer or during the 60-day period immediately preceding the date of the Change of Control, if the Change of Control occurs other than pursuant to a tender offer or (II) the then fair market value of such a share of common stock over (y) the exercise price of any stock option held by the Executive on the date of the Change of Control times (b) the number of shares of common stock subject to such options and (ii) the product of (a) the excess of (x) the amount determined under sub-clause (i)(a) above over (y) the amount, if any, paid to acquire any shares of restricted common stock held by the Executive at the date of the Change of Control times (b) the number of such shares of restricted stock. If the Executive otherwise receives the value of any such stock option or restricted stock under the general provisions of any such award or any generally applicable provisions of any plan under which such options or restricted stock are issued, the number of shares of common stock taken into account above is appropriately reduced.

Board Compensation Committee Report on Executive Compensation

The Compensation Committee (the Committee) considers compensation for executive officers, Mr. Migita and Mr. Lim, and makes recommendations for approval by Bancshares' and City Bank's Board of Directors respectively.

Table of Contents

The Committee designs executive compensation packages to attract and retain key executive officers and to maintain a competitive compensation package in comparison with banks and other financial institutions and business organizations of comparable size and complexity to Bancshares. Bancshares' executive compensation program is comprised of five elements:

annual base salary;

annual bonus award;

supplemental executive retirement plan;

deferred compensation; and

stock compensation awards.

Base salaries. In determining the level of base salary for executive officers, the Committee evaluates a number of factors, including the span of control of each executive as well as the managerial and leadership skills and qualities possessed by the officer, the financial performance of Bancshares and its subsidiaries, including enhancement of value to stockholders, and related business matters such as community involvement and business relationships of the executive officer. In addition, the Committee avails itself of salary surveys prepared by external organizations for comparison purposes.

Qualitative Factors. In examining the personal skills and qualities of an executive officer, the Committee evaluates the executive officer's administrative, managerial, planning and leadership skills, including vision and motivation, implementation and other leadership qualities.

Related Business Factors. The Committee also analyzes related business indicators such as an executive officer's relationship with other businesses on a local, national and international level, an executive officer's community involvement, the public image and reputation projected by the executive officer, the executive officer's communication skills, and the executive officer's relationship with stockholders, employees and government regulators.

Bonus Awards. To reinforce the attainment of Company goals, the Committee believes that a substantial portion of the annual compensation of each executive officer should be in the form of variable pay. The annual bonus pool is determined on the basis of the Company's achievement of the financial performance targets established at the beginning of the fiscal year. Once the fiscal year's threshold is reached, specific formulas are in place to calculate the maximum bonus payments that can be made. Individual bonus awards are based on return on equity, return on assets, operating earnings and other financial performance factors. In fiscal 2003, the Company significantly exceeded its corporate performance targets. Awards paid reflected those results plus individual accomplishments of both corporate and functional objectives. Selected officers in addition to Mr. Migita and Mr. Lim received bonuses commensurate with their level of goal attainment.

Stock Compensation Awards. The Bancshares Stock Compensation Plan was initially approved in 1995 to provide awards of stock option grants to executive officers and other key employees. The Stock Compensation Plan is designed to align the interests of executive officers with those of Bancshares' stockholders and reward the executive for creating shareholder value. Stock awards may be granted to key executives and other key employees who are in a position to make a substantial contribution to the long-term success of Bancshares. The Committee administers the Stock Compensation Plan and reviews recommendations for the total stock award allocation and makes recommendations for Mr. Migita and Mr. Lim. Stock compensation awards are not automatically granted every year.

Chief Executive Officer Compensation. The Committee works with an independent consulting firm that furnishes the Committee with executive compensation data drawn from a regional survey of similarly sized commercial banks (the Peer Companies) to determine the compensation levels for the CEO. The Company's CEO was compared with those of its counterparts at the Peer Companies, and the market compensation levels for a comparable position were examined to determine competitive levels for base salary, target bonuses and total cash compensation. The Compensation Committee followed the same general compensation policy described above for all executives. Together with Mr. Migita's annual base salary which increased from \$257,520 to

Table of Contents

\$275,040 in 2003, the Committee awarded him a discretionary bonus of \$350,000 and a stock option of 12,000 shares based on the attainment of certain financial and operational objectives as determined by the Compensation Committee.

Deductibility of Executive Compensation. In 1993, the United States Congress enacted Section 162(m) of the United States Internal Revenue Code of 1986, as amended, effective for taxable years commencing on or after January 1, 1994. This legislation generally limits Bancshares' executive compensation deduction to \$1,000,000 per year per executive for certain compensation paid to its Chief Executive Officer and the four highest compensated executives (other than the CEO) named in the proxy statement. The Committee has determined Bancshares and its subsidiaries will not pay any amounts in the fiscal year ended December 31, 2003 to any executive officer that would result in a loss of federal income tax deduction under Section 162(m). Accordingly, the Committee has not recommended that any special actions be taken or that any plans or programs be revised at this time. The Committee intends to consider Section 162(m) and its effects on Bancshares' executive compensation program when evaluating future compensation.

Table of Contents**Compensation of Directors**

Each person (other than employees of Bancshares and its subsidiaries who do not receive any retainer) who served as a director of Bancshares or the Bank Boards of Directors received an annual retainer of \$10,000 for each Board upon which he serves. Each member of the Board of Directors of Bancshares and the Bank received a fee of \$750 per Board meeting attended and \$750 per standing committee meeting attended, except for Audit Committee meetings for which \$1,000 per meeting attended was received. Each chairman of a standing committee of the Boards of Directors of Bancshares and the Bank also received an annual retainer of (i) \$5,000 for the Audit Committee; (ii) \$3,000 for the Compensation Committee; (iii) \$3,000 for the Executive Committee; (iv) \$1,500 for the Nominating Committee; and (v) \$4,000 for the Senior Loan Committee. The Chairman of the Board of Bancshares also received an additional annual retainer of \$200,000. Employees of Bancshares and its subsidiaries received no meeting fees for any Board of Director or committee meetings attended.

Directors Deferred Compensation Plan

Bancshares maintains a Directors Deferred Compensation Plan (the "DCP") under which each director may elect to defer all or a portion no less than a ratable 50% of the annual retainer fees and meeting fees. Distribution will be made in a single lump sum within ten years following termination, or in equal annual installments over a period of years, not to exceed ten. Under the DCP, deferred amounts may be credited to either a regular account or a company stock account. The amount allocated to the regular account is treated as if such amount were ratable credited each plan year with interest in an amount equal to the interest rate payable on a City Bank one year certificate of deposit issued as of the first day of the plan year. The amount allocated to the company stock account is treated as if such amount were invested in shares of Common Stock.

Directors Stock Option Plan

Bancshares maintains a Directors Stock Option Plan under which each director may be entitled to a grant of options as may be determined at the discretion of the Compensation Committee. The options are for the purchase of restricted stock at a price equal to the fair market value of Bancshares stock at the date of grant. The options generally expire three months following the date on which the director terminates service for reasons other than death or disability, and expire one year following termination due to death or disability. The restricted stock is subject to voting and dividend rights but is generally nontransferable during a restriction period that ends upon the director's last consecutive term as a director, at death, upon disability, upon change of control (generally within the meaning of the Change of Control Agreements described above), or upon removal from office by shareholders without cause. Restricted stock is forfeited in the event the director ceases to serve as a director for any reason that does not cause a lapse of the restriction period. The Plan was amended in 2003 to provide that any eligible director entitled to retainer fees may elect, on a completely voluntary basis, to receive a designated percentage of his annual retainer fees in the form of grants of unrestricted Common Stock under the Plan.

The Audit Committee met five times during 2003. The Audit Committee responsibilities include recommending to the Board the engagement and discharge of independent auditors of the financial statements of Bancshares, reviewing the professional service provided by independent auditors, reviewing the independence of

independent auditors, reviewing with the auditors the plan and results of the auditing engagement, considering the range of audit and non-audit fees, reviewing the adequacy of the system of internal accounting controls, reviewing the results of procedures for internal auditing and consulting with the internal auditor with respect to all aspects of the internal auditing program. The Board of Directors has determined that the Audit Committee Members are able to read and understand fundamental financial statements, and that at least one member of the Audit Committee has past employment experience in finance or accounting. The Audit Committee's Report appears below.

The Nominating Committee's role is to recommend the slate of director nominees for election to the Company's Board of Directors and to identify and recommend candidates to fill vacancies occurring between annual shareholder meetings. The Nominating Committee Charter will be available on the Company's website at www.citybankhawaii.com. Each of the members of the Nominating Committee are independent as such is defined in the Rules of the National Association of Security Dealers, Inc. applicable to the Company. The Nominating Committee met one time in 2003. The Nominating Committee is willing to consider director candidates recommended by security holders in the event that such are provided on a timely basis. A stockholder can recommend a nominee by sending a letter addressed to the Company's Corporate Secretary at its headquarters. The Nominating Committee does not have a specific process for identifying and evaluating nominees for directors including nominees recommended by security holders but will review potential candidates and assess his or her qualifications, including capability, ability to serve, conflicts of interest and other relevant factors.

The Compensation Committee is charged with recommending to the entire Board the compensation to be paid to officers and key employees of Bancshares and the Bank and the compensation of members of the Board of Directors. The Compensation Committee also makes recommendations to the entire board regarding the grant of stock options and restricted stock awards. The Compensation Committee met three times during 2003. The Board has determined that each member of the Compensation Committee meets the independence standards of Rule 4200(a)(15) of the National Association of Securities Dealers listing standards.

The Board of Directors met ten times during the fiscal year ended December 31, 2003. Each Director attended, in person or by telephone, at least 75% of the meetings held by the Board of Directors and by the committees on which the Director served. The Company encourages its directors to attend each year's Annual Meeting of Shareholders. In 2003, all directors were present at the Annual Meeting.

Audit Committee Report

The Board of Directors has determined that each of the six Audit Committee members are independent, as defined in Rule 4200(a)(15) of the National Association of Securities Dealer's listing standards and that Donald J. Andres, a member of the Audit Committee, is qualified as an audit committee financial expert.

The Board of Directors has adopted a written charter for the Audit Committee. A copy of the charter is attached to the Proxy Statement as Appendix A.

The Audit Committee is responsible for providing independent, objective oversight of Bancshares' accounting and system of internal controls, the quality and integrity of Bancshares' financial reports, and the independence and performance of Bancshares' independent auditors. Management is responsible for Bancshares' internal controls and the financial reporting process. KPMG LLP, certified public accountant, as Bancshares' independent auditor and accountant, is responsible for performing an independent audit of Bancshares' financial statements in accordance with generally accepted auditing standards and issuing a report on those financial statements. The Audit Committee monitors and oversees those processes.

In connection with these responsibilities, the Audit Committee has reviewed and discussed Bancshares' audited financial statements for the year ended December 31, 2003 with management and has discussed with KPMG LLP the matters required to be discussed by Statement on Accounting Standards No. 61 (Communication with Audit Committees). Those matters include, among other things: (i) methods used to account for significant unusual transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent auditors' conclusions regarding the

reasonableness of those estimates; and (iv) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has discussed with KPMG LLP its independence from Bancshares in connection with its audit of Bancshares' most recent financial statements. The Audit Committee also has discussed with management of Bancshares and KPMG LLP such other matters and received such assurances from management, as the Audit Committee deemed appropriate.

Based on that review and the various discussions noted above, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Bancshares' Annual Report on Form 10-K for the year ended December 31, 2003, to be filed with the United States Securities and Exchange Commission (SEC). The Board of Directors has appointed KPMG LLP as Bancshares' independent auditor for the fiscal year ending December 31, 2004.

This Audit Committee Report shall not be deemed to be incorporated by reference in any document previously or subsequently filed with the SEC that incorporated by reference all or any portion of this Proxy Statement, except to the extent that Bancshares specifically requests that this Audit Committee Report be specifically incorporated by reference. The information in this Audit Committee Report shall not be deemed to be soliciting material, or be filed with the SEC or subject to Regulation 14A or 14C or to liabilities of Section 18 of the Securities Act.

In accordance with the SEC's auditor independence requirements, the Audit Committee has considered whether KPMG LLP's provision of non-audit services to Bancshares is compatible with maintaining the independence of the auditors. The Audit Committee believes the foregoing expenditures are compatible with maintaining the independence of KPMG LLP as Bancshares' principal independent auditor and accountant.

Pre-approval Policy

The Audit Committee has established policies requiring that the Audit Committee will pre-approve all audit services and permitted non-audit services to be performed for the Company by its independent auditors. The Audit Committee may delegate authority to pre-approve audit services, other than the audit of the Company's annual financial statements, and permitted non-audit services to one or more committee members, provided the decisions made pursuant to this delegated authority must be presented to the full committee at its next scheduled meeting. The Audit Committee has adopted procedures for the pre-approval of services by the Company's independent auditor. The Audit Committee will, on an annual basis, retain the independent audit firm and pre-approve the scope of all audit services and specified audit-related services and the budget for same. All other permitted non-audit services must be pre-approved by the Audit Committee or its delegate. In 2003, 100% of the Audit Related Fees, Tax Fees and All Other Fees incurred by the Company to the independent auditors were pre-approved in compliance with the policies described above.

Indebtedness of Management

Certain directors and executive officers of Bancshares and its subsidiaries, and companies with which such directors and executive officers are associated, were customers of, and had banking transactions with the Bank in the ordinary course of the Bank's business during 2003. Such loans totaled \$3.0 million at December 31, 2003. All loans and commitments to lend included in such transactions were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and, in the opinion of the management of the Bank, did not involve more than a normal risk of collectibility or present other unfavorable features.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires Bancshares' officers and directors, and persons who own more than ten percent of a registered class of Bancshares equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and beneficial owners of more than ten percent of Bancshares Common Stock are required by the SEC regulation to furnish Bancshares with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the registrant pursuant to Rule 16(a)-3(e) during its most recent fiscal year, Bancshares is not aware that any director, officer, or beneficial owner of more than 10% of its common shares failed to file on a timely basis reports required by Section 16(a) of the Exchange Act during the most recent fiscal year or prior fiscal years, except as set forth below.
