IN WHEATON RIVER MERGER PROPOSAL
SHAREHOLDERS TO NOW RECEIVE 23% OF TOTAL VALUE IN CASH**

**COEUR OBTAINS COMMITTED FINANCING
FROM MAJOR INTERNATIONAL INVESTMENT BANK
FOR ADDITIONAL CASH PAYMENT TO WHEATON RIVER SHAREHOLDERS**

Coeur Mails Information Circular To Wheaton River Shareholders

**Coeur Urges ALL Wheaton River Shareholders To VOTE AGAINST Proposed IAMGold
Transaction On GREEN Proxy Card**

Coeur d'Alene, Idaho, June 21, 2004 Coeur d'Alene Mines Corporation (NYSE:CDE) today announced that it has boosted the cash component of its superior merger proposal to Wheaton River Minerals Ltd. (TSX:WRM, AMEX:WHT) by C\$285 million, funded through a committed financing from a major international investment bank. Coeur's increased cash component now enables Coeur to pay Wheaton River shareholders a minimum of C\$1.00 per Wheaton River share in cash representing 23% of the current value of Coeur's merger proposal.

Coeur also announced that it has commenced mailing of an Information Circular to shareholders of Wheaton River, recommending that they VOTE AGAINST the proposed Wheaton River-IAMGold Corporation (TSX:IMG, AMEX:IAG) plan of arrangement on the GREEN proxy card at Wheaton River's reconvened Special Meeting of Shareholders scheduled for July 6, 2004. In order to ensure that shareholders' votes are counted at the Special Meeting, the GREEN proxy card must be received by the early proxy deadline cutoff of 11:00 am (Toronto Time) on July 2, 2004.

Dennis E. Wheeler, Chairman and Chief Executive Officer of Coeur, said, "We have listened to Wheaton River's shareholders and have increased our cash component. Coeur's superior merger proposal now provides Wheaton River

shareholders with the option to receive a minimum cash consideration of C\$1.00 per share, representing 23% of the current value of Coeur's merger proposal. In stark contrast, the IAMGold transaction offers no cash whatsoever to Wheaton River shareholders and significantly less total value. Furthermore, IAMGold's proposal offers less growth, significantly less trading liquidity, no operating synergies and no management operational expertise.

¹ Assuming all of the current outstanding Wheaton River shareholders elect to receive cash, based on the number of issued and outstanding Wheaton River common shares on May 27, 2004, the date Coeur first announced its proposal.

By any measure, Coeur's merger proposal is clearly superior for Wheaton River shareholders. We strongly recommend that all Wheaton River shareholders VOTE AGAINST the proposed IAMGold transaction on the GREEN proxy card promptly. By doing so, shareholders will be sending a strong message to the Wheaton River Board of Directors that they should negotiate with Coeur regarding Coeur's enhanced superior merger proposal, added Mr. Wheeler.

Under Coeur's enhanced merger proposal, Wheaton River shareholders may now elect to receive either:

- (i) \$5.00 per Wheaton River common share in cash, subject to the maximum cash consideration discussed below; or
- (ii) Coeur common shares or shares of a Canadian subsidiary of Coeur exchangeable into Coeur common shares on a one-to-one basis at the exchange ratio of 0.731 Coeur common shares or exchangeable shares for each Wheaton River common share exchanged.

There is no limit on the number of Wheaton River common shares that may be exchanged for Coeur common stock (or exchangeable shares). However, the maximum aggregate amount of cash that Coeur will pay to Wheaton River shareholders under the enhanced Coeur proposal is C\$570 million. Therefore, elections to receive all cash will be subject to proration if Wheaton River shareholders request in the aggregate to receive more than C\$570 million. Based on the number of issued and outstanding Wheaton River common shares on May 27, 2004, if all Wheaton River shareholders elect to receive all cash for their Wheaton River common shares, shareholders will receive C\$1.00 per Wheaton River common share in cash and 0.577 Coeur common shares or exchangeable shares of a Canadian subsidiary of Coeur (with value equivalent to Coeur common shares). If less than all Wheaton River shareholders elect the all cash option, Wheaton River shareholders will receive up to C\$5.00 per Wheaton River common share in cash (subject to proration based on the maximum aggregate cash consideration of C\$570 million).

The following table sets forth possible results of the consideration options:

Form of Consideration	Mixture of Consideration Based on Shareholder Election	
	All Shares Option	All Cash Option
Cash	-	C\$1.00 per Wheaton River share ⁽¹⁾
Coeur Shares/Exchangeable Shares	0.731 Coeur common shares or exchangeable shares	0.577 Coeur common shares or exchangeable shares ⁽¹⁾
Total Consideration	C\$5.06 per Wheaton River common share ⁽²⁾	C\$5.00 per Wheaton River common share ^{(1) (2)}

(1) Based on the number of issued and outstanding Wheaton River common shares on May 27, 2004 and assuming that all shareholders select the all cash option.

(2) Based on the value of Coeur common stock on May 27, 2004 and an exchange rate on that date of C\$1.3597 for each US\$1.00.

In addition, under Coeur's enhanced proposal, it is contemplated that warrant and option holders of Wheaton River will be entitled to receive an equivalent value of Coeur warrants and options based on the exchange ratio.

Coeur noted that while it is the Company's desire to complete a friendly business combination with Wheaton River by way of a plan of arrangement, if the Wheaton River Board continues to refuse to negotiate with Coeur, Coeur will consider other transaction alternatives, including making a formal offer directly to the shareholders of Wheaton River.

Following is the letter sent today by Dennis E. Wheeler, Chairman and Chief Executive Officer of Coeur, to Wheaton River's shareholders:

**"COEUR BOOSTS CASH COMPONENT IN WHEATON RIVER MERGER PROPOSAL
SHAREHOLDERS TO NOW RECEIVE 23% OF TOTAL VALUE IN CASH**

**SEND A STRONG MESSAGE TO YOUR BOARD THAT IT SHOULD NEGOTIATE
WITH COEUR REGARDING OUR IMPROVED SUPERIOR MERGER PROPOSAL**

**VOTE AGAINST THE PROPOSED WHEATON RIVER-IAMGOLD PLAN OF
ARRANGEMENT ON THE GREEN PROXY CARD TODAY**

June 21, 2004

Dear Wheaton River Shareholder:

Today, Coeur d'Alene Mines Corporation (Coeur) boosted the cash component of its merger proposal to Wheaton River Minerals Ltd. (Wheaton River) by C\$285 million, funded through a committed financing from a major international investment bank. **Coeur's increased cash component now enables Coeur to pay Wheaton River shareholders a minimum of C\$1.00 per Wheaton River share in cash representing 23% of the current value of Coeur's merger proposal.²**

With a new vote of Wheaton River shareholders now scheduled for July 6, 2004 regarding the proposed Wheaton River-IAMGold Corporation (IAMGold) plan of arrangement, Coeur strongly recommends that all Wheaton River shareholders VOTE AGAINST the proposed IAMGold transaction on the GREEN proxy card today. By doing so, you will be sending a strong message to your Board of Directors that you want it to negotiate with Coeur regarding Coeur's enhanced superior merger proposal.

**COEUR IS COMMITTED TO COMPLETING A COMBINATION
WITH WHEATON RIVER**

Coeur has demonstrated its continuing commitment to complete a business combination with Wheaton River. While it is Coeur's desire to complete a friendly business combination with Wheaton River by way of a plan of arrangement, if the Wheaton River Board continues to refuse to negotiate with Coeur, Coeur will consider other transaction alternatives, including making a formal offer directly to the shareholders of Wheaton River.

²Assuming all of the current outstanding Wheaton River shareholders elect to receive cash, based on the number of issued and outstanding Wheaton River common shares on May 27, 2004, the date Coeur first announced its proposal.

DON'T MISS THE OPPORTUNITY TO VOTE AT THE NEW SPECIAL MEETING.

The early cutoff for voting your proxy is 11:00 am (Toronto time) on July 2, 2004. WE BELIEVE COEUR'S ENHANCED MERGER PROPOSAL IS CLEARLY SUPERIOR TO THE WHEATON RIVER-IAMGOLD PLAN OF ARRANGEMENT AND IN THE BEST INTERESTS OF ALL WHEATON RIVER SHAREHOLDERS

Based on closing share prices on May 27, 2004, Coeur's enhanced merger proposal will provide Wheaton River shareholders a total value of approximately C\$5.00 for each Wheaton River common share, of which at least C\$1.00 is cash.

Coeur's enhanced merger proposal represents:

A premium of C\$0.94 for each Wheaton River common share over the IAMGold proposal based on closing share prices on May 27, 2004.

An increase of approximately 11% over Coeur's initial proposal that was announced on May 27, 2004.

A premium of 26% to Wheaton River's closing share price on May 27, 2004.

An opportunity for Wheaton River shareholders to receive 23% of the consideration (based on Coeur's closing share price on June 18, 2004) for their Wheaton River common shares in cash even if all Wheaton River shareholders choose to receive cash.

In contrast, the Wheaton River-IAMGold plan of arrangement offers Wheaton River shareholders no cash whatsoever and less total value, as well as less growth, significantly less trading liquidity, no operating synergies, and no management operational expertise.

Under Coeur's enhanced merger proposal, Wheaton River shareholders may now elect to receive either:

- (i) \$5.00 per Wheaton River common share in cash, subject to the maximum cash consideration discussed below; or
 - (ii) Coeur common shares or shares of a Canadian subsidiary of Coeur exchangeable into Coeur common shares on a one-to-one basis at the exchange ratio of 0.731 Coeur common shares or Coeur exchangeable shares for each Wheaton River common share exchanged.
-

There is no limit on the number of Wheaton River common shares that may be exchanged for Coeur common stock (or exchangeable shares). However, the maximum aggregate amount of cash that Coeur will pay to Wheaton River shareholders under the enhanced Coeur proposal is C\$570 million. Therefore, elections to receive cash will be subject to proration if Wheaton River shareholders request in the aggregate to receive more than C\$570 million. Based on the number of issued and outstanding Wheaton River common shares on May 27, 2004, if all Wheaton River shareholders elect to receive cash for their Wheaton River common shares, shareholders will receive C\$1.00 per Wheaton River common share in cash and 0.577 common shares or Coeur exchangeable shares. If less than all Wheaton River shareholders elect the cash option, Wheaton River shareholders will receive up to C\$5.00 per Wheaton River common share in cash (subject to proration based on the maximum aggregate cash consideration of C\$570 million).

**A COMBINED COEUR-WHEATON RIVER WILL BE A GLOBAL LEADER IN THE
PRECIOUS METALS INDUSTRY**

A combination of Coeur and Wheaton River will create a global leader in the precious metals industry, focused on the Americas, with one of the highest growth rates in the sector. Our combination will create the fourth largest North American precious metals company, enhance Coeur's position as the world's largest primary silver producer, and create a top 10 global gold producer with among the lowest cash costs in the industry. The combination will bring together Coeur's wholly owned mines and operating expertise in South America with Wheaton River's properties in South America. Based upon a preliminary review of Wheaton River's publicly available information, Coeur anticipates cost savings of US\$8-10 million annually. The combined company, a totally unhedged precious metals producer, will have a strong balance sheet, increased financial flexibility, and industry leading trading liquidity on both the NYSE and TSX, providing excellent value to both Wheaton River and Coeur shareholders.

COEUR IS WELL-POSITIONED FOR FUTURE SUCCESS

Coeur is in a strong financial position, with US\$235 million in cash and no net debt. In addition to our four operations, we have advanced development projects in Bolivia and Alaska that we expect will nearly double our gold production and increase our silver production by over 50% in the next three years. Between January 1, 2003 and May 27, 2004, Coeur's share price on the NYSE increased 157%, making Coeur one of the best performers in the precious metals sector.

SEND A STRONG MESSAGE TO YOUR BOARD.

**VOTE AGAINST THE PROPOSED WHEATON RIVER-IAMGOLD PLAN OF
ARRANGEMENT ON THE GREEN PROXY CARD TODAY.**

By VOTING AGAINST the proposed IAMGold transaction on the GREEN proxy card, you will be sending a message that your Board of Directors can't ignore that you want them to negotiate with Coeur regarding our enhanced superior merger proposal. Shareholders who previously voted AGAINST the IAMGold transaction, but whose votes were not counted at the June 8, 2004 Special Meeting as a result of Wheaton River's deadline to submit proxies, now have a fair opportunity to make their voices heard. Furthermore, there is now time for Wheaton River shareholders who may have voted in favor of the IAMGold transaction to revoke or change their vote. **Even if shareholders have already voted AGAINST on management's card, we urge you to vote a later dated GREEN proxy card to make sure that this time your vote is counted.**

Wheaton River shareholders who wish to **VOTE AGAINST** the Wheaton River-IAMGold plan of arrangement can revoke or change their vote by simply submitting a **GREEN** proxy card. If shareholders have any questions about how to revoke or change their vote, please call MacKenzie Partners, Inc. at 1-800-322-2885 (toll-free) or 212-929-5500 (call collect).

Very truly yours,

/s/ Dennis E. Wheeler
