Holders of shares of Common Stock and Series B Preferred Stock represented by a properly signed, dated and returned proxy will be treated as present at the Meeting for purposes of determining a quorum. Proxies relating to "street name" shares that are voted by brokers will be counted as shares present for purposes of determining the presence of a quorum but will not be treated as

- (1) This is the amount of incentive compensation payable to the Named Officer under the 1994 Incentive Plan. This amount was paid 60% in cash and 40% in shares of Common Stock.
 - (2) Mr. Speed received a one-time cash award of \$410,000 in lieu of an award of incentive restricted shares granted to the remaining Named Officers.
 - (3) On December 5, 2000, the Compensation Committee of the Board of Directors granted restricted shares to the Named Officers, effective as of January 1, 2000. Under these grants of restricted shares, employees' rights to the restricted shares are conditioned on the Company's achievement of specified performance goals. The Company's performance goal with respect to these awards is the achievement of cumulative funds from operations ("FFO") for the years 2000 through 2003 of \$11.80 per share of Common Stock (10.6% compounded growth). For the years 2000 through 2002, cumulative FFO was \$7.84 per diluted share. The employees' agreements provide that, if the Company's cumulative FFO is \$11.80 or greater by December 31, 2003, the employees' interest in 40% of the restricted shares will become nonforfeitable as of December 31, 2003 and 10% will become nonforfeitable as of December 31 for each of the next six years, provided the employee is still employed by the Company on the relevant vesting date. If the Company's cumulative FFO is at least \$11.60 but less than \$11.80 as of December 31, 2003, 30% of the restricted shares will become nonforfeitable as of such date and 11.67% will vest on December 31 of each of the next six years, provided employee is still employed by the Company on the relevant vesting date. If the Company's cumulative FFO is at least \$11.40 but less than \$11.60 as of December 31, 2003, 20% becomes nonforfeitable as of such date and 13.33% will vest on December 31 of each of the next six years, provided employee is still employed by

the Company on the relevant vesting date. If the Company's cumulative FFO is at least \$11.20 but less than \$11.40 as of December 31, 2003, 10% of the restricted shares will become nonforfeitable as of December 31, 2003 and 15% will vest on December 31 of each of the next six years, provided the employee is still employed by the Company on the relevant vesting date. If the Company's cumulative FFO is less than \$11.20 as of December 31, 2003, 20% of the restricted shares will vest on December 31, 2005 and for the following four years, provided the employee is still employed by the Company on the relevant vesting date. If an employee's employment terminates before December 31, 2009 by reason of death or disability, the employee's interest in any forfeitable restricted shares may become nonforfeitable depending on the number of restricted shares already vested or the number of years elapsed since the date of grant. Dividends on the restricted shares will be retained by the Company, to be paid only when the related shares become nonforfeitable.

- (4) These options were granted under the Company's 1994 Incentive Plan and become exercisable with respect to one-half of the shares on the first anniversary date of grant and one-half of the shares on the second

anniversary date of grant.

- (7) Mr. Petsas became an executive officer of the Company during 2000.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors for 2002 consisted of Messrs. Anagnos, Bailey and Eaves. The Compensation Committee believes that base compensation to the executive officers of the Company should be commensurate

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

with salary levels for other real estate companies and the officer's level of responsibility. The Compensation Committee considered a number of factors in setting the base compensation of Mr. Hoster, the Company's Chief Executive Officer, the most important of which were the level of compensation paid to the chief executive officers of other real estate companies of comparable size, the success of the Company's strategy of acquiring industrial properties and developing industrial properties and his importance in delineating and implementing the Company's future strategies.

The Compensation Committee has determined that the primary goals of the Company's compensation policies should be as follows:

- To provide total compensation opportunities for executive officers which are competitive with those provided to persons in similar positions with which the Company competes for employees.
- To strengthen the mutuality of interest between management and stockholders through the use of incentive compensation directly related to corporate performance and through the use of the stock-based incentives that result in increased Common Stock ownership by executive officers.

The Compensation Committee believes that incentive compensation payable to the executive officers of the Company should be based upon the Company's performance and align the interests of management and the Company's stockholders. In 1994, the Compensation Committee, in conjunction with an independent compensation consultant, formulated the 1994 Incentive Plan. The 1994 Incentive Plan was approved by the Company

11

stockholders in December 1994. Under the 1994 Incentive Plan, each year the Compensation Committee establishes a goal for funds from operations ("FFO") per share, a minimum level for FFO per share below which incentive compensation should not be paid, and an incentive award payout objective for each executive officer. The Compensation Committee determined the FFO targets based upon its analysis of the Company's internally projected financial results for 2002 and the estimates of 2002 FFO prepared by independent securities analysts who followed the Company. For 2002, 60% of the incentive award was paid in cash and 40% in shares of Common Stock. For 2002, the target bonus amounts were 60% of total base salary for Messrs. Speed and McKey and 75% for Mr. Hoster. The Compensation Committee believed that the stockholders of the Company would be benefitted significantly if the FFO goal were met and would be further benefitted if such goal were exceeded, and that management should be compensated for the benefits derived by the Company's stockholders. The target bonus amounts were set by the Compensation Committee after consultation with the compensation consultant who helped the Compensation Committee formulate the 1994 Incentive Plan.

The 2002 FFO goal, which was set by the Compensation Committee at the beginning of the year, underestimated the depth of the nation's economic slowdown during 2002. This sluggishness in the economy was the principal factor in the Company's achievement of only 25% of its target bonus goal for the year. In spite of the fact that the goal was below its target, it was largely non-controllable by management as indicated above. The Company's total return to stockholders was 19.3% and the Company compared favorably to both the S&P 500 and the NAREIT Equity Index as shown in the chart below. As much, the Compensation Committee determined that each of Messrs. Speed, Hoster and McKey should be paid 25% of the amount of incentive compensation provided by the above formula, under which Messrs. Speed, Hoster and McKey received bonuses with respect to 2002 of \$22,500, \$73,125 and \$37,625, respectively, 60% paid in cash

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

and 40% paid in shares of Common Stock.

Directors' Fees. Under the Company's standard compensation arrangements with directors (except Mr. Speed and Mr. Hoster who are salaried officers), directors are paid a monthly stipend of \$1,500. In addition, they are paid \$1,000 plus reimbursement of expenses for attendance at each meeting of the Board of Directors and \$750 plus reimbursement of expenses for each meeting of a committee established by the Board of Directors. Only one fee is paid in the event that more than one meeting is held on a single day.

Directors' Stock Option Plan. At the 2000 annual meeting, the stockholders of the Company approved the 2000 Directors' Plan which replaced the 1991 Directors' Plan. The 2000 Directors' Plan authorizes the issuance of options of up to 150,000 shares of Common Stock to directors of the Company who are not, and have not been for at least one year prior to the date of determination, employees of the Company ("Non-Employee Directors"). Under the 1991 Directors' Plan, each Non-Employee Director of the Company on March 15, 1991 was automatically granted an option to purchase 7,500 shares of Common Stock. Under the 2000 Directors' Plan, each person who first becomes a Non-Employee Director after June 1, 2000 is automatically granted an option to purchase 7,500 shares of Common Stock on the date the person becomes a Non-Employee Director, if such shares of Common Stock are available. Each Non-Employee Director is also granted an option to purchase 2,250 additional shares of Common Stock on the date of any annual meeting at which such Non-Employee Director is reelected to the Board of Directors. The option exercise price is the closing price of a share of Common

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

Stock if shares of Common Stock are listed on an exchange or the average between the bid and the asked price for the date if the shares of Common Stock are traded over-the-counter (or, if no shares of Common Stock were publicly traded on that date, the preceding date that such shares of Common Stock were so traded). Such options are

13

exercisable in full on the date of grant and expire ten years from the date of grant, or, if earlier, six months after the termination of the optionee's service as a Non-Employee Director, unless such service is terminated by reason of death, in which case the optionee's legal representative shall have one year in which to exercise the options.

No director exercised options under the 1991 Directors' Plan or 2000 Directors' Plan during 2002. On March 7, 2002, Mr. Eaves received an option to purchase 7,500 shares of Common Stock at an exercise price of \$24.89 per share. On May 29, 2002, Messrs. Aloian, Anagnos, Bailey, Eaves, Gould and Osnos each received an option to purchase 2,250 shares of Common Stock at an exercise price of \$24.02 per share.

Change in Control Agreements. The Company is a party to a Change in Control Agreement with each of Messrs. Speed, Hoster, McKey, Coleman and Petsas (the "Executives"). These agreements provide that if an Executive is terminated or leaves the Company's employment for certain reasons during the 36-month period with respect to Messrs. Speed, Hoster and McKey and 1.5 times in the cases of Messrs. Coleman and Petsas, the average of the Executive's salary and accrued bonus for the three calendar years that ended immediately before (or coincident with) the Change in Control (the "Average Annual Compensation"). The Change in Control

14

Agreement also gives the Executive the ability to leave the employment of the Company at any time during the six-month period following a Change in Control, in which case the Executive will receive severance payments from the Company for a period of 36 months in the cases of Messrs. Speed, Hoster and McKey and 18 months in the cases of Messrs. Coleman and Petsas equal to one-twelfth of the Executive's Average Annual Compensation; provided that if the Executive receives any remuneration in the form of wages, salary or consulting fees from another employer or income from self-employment during the 36-month (in the case of Messrs. Speed, Hoster and McKey) or 18-month (in the case of Messrs. Coleman and Petsas) severance pay period, the Company's obligation under this sentence shall be reduced by one-half of the amount of such remuneration. Change in Control is defined in such agreement as (i) any change in control of a nature that would be required to be represented under the Exchange Act proxy rules; (ii) any person acquiring beneficial ownership of securities representing 30 percent or more of the combined voting power of the Company's outstanding securities; (iii) certain changes in the Company's Board of Directors; (iv) certain mergers; or (v) the approval of a plan of liquidation by the Company.

A representative of KPMG LLP is expected to be present at the Meeting and will have an opportunity to make a statement, if he so desires, and will be available to respond to appropriate questions.

During the fiscal year ended December 31, 2002, KPMG LLP provided various audit and non-audit services to the Company as follows:

Audit Fees. The aggregate fees billed to the Company by KPMG LLP during the fiscal year 2002 for audit of the Company's annual financial statements and review of those financial statements in the Company's quarterly reports on Form 10-Q totaled \$173,150.

Financial Information Systems Design and Implementation Fees. KPMG LLP did not render information technology services to the Company during the fiscal year ended December 31, 2002.

Edgar Filing: EASTGROUP PROPERTIES INC - Form DEF 14A

All Other Fees. The aggregate fees billed by KPMG LLP for professional services rendered to the Company during fiscal year 2002, other than the audit services referred to above, were \$100,200 for tax preparation and tax consulting services.

The Audit Committee of the Board has considered whether provision of the non-audit related services described above is compatible with maintaining the independent accountants' independence and has determined that those services have not adversely affected KPMG LLP's independence.
