complaint against Gregory M. Shepard and his company in the Common Pleas Court of Franklin County, Ohio (the "Court"), seeking (1) declaratory relief that neither State Auto Financial, State Auto Mutual, nor their respective directors and officers violated any fiduciary duties to Mr. Shepard, his company, or State Auto Financial's minority shareholders in responding to a tender offer commenced by Mr. Shepard and his company for State Auto Financial's common shares (the "Shepard tender offer"); (2) declaratory relief that neither State Auto Financial nor its directors and officers have an obligation to call a meeting of shareholders under Ohio's Control Share Acquisition statute with respect to the Shepard tender offer; and (3) compensatory damages in favor of State Auto Financial and State Auto Mutual from Mr. Shepard and his company for knowingly making misrepresentations in connection with their control bid in violation of Ohio's control bid statute. Also as previously reported, on December 19, 2003, Mr. Shepard and his company filed a counterclaim against State Auto Financial, State Auto Mutual, and their respective directors seeking (1) a declaratory judgment requiring State Auto Financial to call a meeting of shareholders under Ohio's Control Share Acquisition statute with respect to the Shepard tender offer; (2) injunctive relief to enjoin State Auto Financial, State Auto Mutual, and their respective directors and employees from taking actions that would have the effect of impeding or interfering with the Shepard tender offer; and (3) compensatory damages from State Auto Mutual, State Auto Mutual's directors, and State Auto Financial's directors for the alleged breach of their fiduciary duties. Mr. Shepard and his company announced the termination of the Shepard tender offer on May 10, 2004.

On May 13, 2004, the Court entered an order (1) dismissing with prejudice all counterclaims against State Auto Financial, State Auto Mutual, and their respective directors, and (2) dismissing without prejudice all claims for declaratory relief against Mr. Shepard and his company. The only remaining claim before the Court in this action is for compensatory damages in favor of State Auto Financial and State Auto Mutual against Mr. Shepard and his company for knowingly making misrepresentations in connection with their control bid in violation of Ohio's control bid statute. This action will remain pending before the Court for trial on this claim, with a new schedule for discovery and trial to be set by the Court at a later date.
