PROXY STATEMENT

For the Annual Meeting of Shareowners to be held on October 24, 2007

SOLICITATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of SPARTON CORPORATION, an Ohio corporation (the Company), of proxies for use at the 2007 Annual Meeting of Shareowners of the Company (the Annual Meeting) to be held at the Ella Sharp Museum of Art and History, 3225 Fourth Street, Jackson, Michigan 49203 on Wednesday, October 24, 2007, at 10:00 a.m., Local Time, and at any and all adjournments thereof. The cost of solicitation will be paid by the Company. The Company has retained Morrow & Company, Inc. to assist in the solicitation of proxies at an estimated cost of \$6,000, plus expenses, which will be paid by the Company. In addition, officers and employees of the Company and its subsidiaries may solicit proxies personally, by telephone, facsimile or other means, without additional compensation. This Proxy Statement and the form of Proxy are expected to be mailed to shareowners the week of September 24, 2007.

At the meeting, the Company's shareowners will act upon two proposals. The first proposal is the election of four directors, each to serve for a three-year term until the annual meeting held in the year 2010 or until their successors are qualified and elected. The second proposal is the ratification of the appointment of independent auditors. Both proposals are described in more detail in this Proxy Statement.

OUTSTANDING STOCK AND VOTING RIGHTS

In accordance with the Code of Regulations of the Company, the Board of Directors has fixed the close of business on September 14, 2007, as the record date for determination of shareowners entitled to notice of, and to vote at, the Annual Meeting. Only shareowners of record on that date will be entitled to vote. As of September 14, 2007, the record date for the Annual Meeting, the Company had outstanding 9,811,507 shares of Common Stock, each entitled to vote at the Annual Meeting. Votes cast at the meeting and votes submitted by proxy are counted by the inspectors of the election, who are appointed by the Company.

Voting by Proxy

If a shareowner is a corporation or partnership, the accompanying proxy card should be signed in the full corporate or partnership name by a duly authorized person. If the proxy card is signed pursuant to a power of attorney or by an executor, administrator, trustee or guardian, the signer's full title should be given and a certificate or other evidence of appointment should be furnished.

You can vote in one of four ways. You can vote by mail, you can authorize the voting of your shares over the Internet, you can authorize the voting of your shares by telephone or you can vote in person at the Annual Meeting.

If you choose to vote by mail, you may vote by completing and signing the proxy card that accompanies this Proxy Statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this Proxy Statement, the shares you own will be voted in accordance with the recommendations of the Company's Board of Directors. If you choose to vote by mail, your duly signed proxy card must be received by 11:59 p.m., Central Standard Time, on October 23, 2007.

Table of Contents

If you choose to vote by telephone or the Internet, instructions for a shareowner of record to vote by telephone or the Internet are set forth on the enclosed proxy card. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number that appears on the proxy card. These procedures, which comply with Ohio law, allow shareowners to appoint a proxy to vote their shares and to confirm that their instructions have been properly recorded. If you vote by telephone or the Internet, you do not have to mail in your proxy card, but your vote must be received by 11:59 p.m. Central Standard Time on October 22, 2007. Morrow & Company, Inc. may solicit your proxy up to the date and time of the meeting.

If you participate in the Company's 401(k) Plan and hold shares in your plan account, you may give voting instructions as to the number of shares credited to your account as of the record date. Only the trustee of the 401(k) Plan, SunTrust, may vote your plan shares. You may provide voting instructions to the plan trustee, SunTrust, through any of the voting methods described above, except that you may not vote your plan shares in person at the Annual Meeting. Your voting instructions must be received before 11:59 p.m. Central Standard Time on October 22, 2007.

If you are not the record holder of the shares you own because they are held in street name by a bank or brokerage firm, your bank or brokerage firm is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. Under the rules of the New York Stock Exchange, if you do not give instructions to your brokerage firm, it may still be able to vote your shares with respect to certain discretionary items, but it will not be allowed to vote your shares with respect to certain non-discretionary items. In the case of non-discretionary items, for which no instructions are received, the shares will be treated as broker non-votes.

Any proxy duly given pursuant to this solicitation may be revoked by the shareowner, at any time prior to voting, by written notice to the Secretary of the Company, by a later-dated proxy either signed and returned by mail or transmitted using the telephone or Internet voting procedures before the Annual Meeting, or by attending the Annual Meeting and voting in person with adequate notification. Participants in the Company's 401(k) Plan who hold shares in their plan account and desire to revoke their voting instructions must do so before 11:59 p.m. Central Standard Time on October 22, 2007.

Unless revoked, the shares represented by the enclosed Proxy will be voted at the meeting in accordance with any specification made thereon, if the Proxy is returned properly executed and delivered in time for voting. Unless otherwise specified, the Proxy will be voted FOR the election of the four director nominees and FOR the ratification of the appointment of independent auditors.

PROPOSAL 1
ELECTION OF DIRECTORS

The following directors, whose terms of office expire at the Annual Meeting, Mr. David P. Molfenter, Mr. W. Peter Slusser, Mr. Bradley O. Smith, and Dr. Lynda J. S. Yang are nominees for election to a three (3) year term expiring in 2010. The nominations were made by the Nominating and Corporate Governance Committee and the Board of Directors. No director nominations were received from shareowners. The following portion of this Proxy Statement contains additional information about these nominees.

A plurality of the votes cast at the meeting is required to elect the nominees as directors of the Company. As such, the four individuals who receive the greatest number of votes cast by the holders of Common Stock will be elected as directors. Shares not voted at the Annual Meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting.

It is believed that all four nominees are, and will be at the time of the Annual Meeting, available for election; and, if elected, will serve. However, in the event one or more of them is or should become unavailable, or should decline to serve, it is intended that the proxies will be voted for the balance of the nominees and for such substitute nominee or nominees as the proxy holders may in their discretion select.

Independent and Non-Management Directors

The listing requirements of the New York Stock Exchange (NYSE) require that a majority of the members of a listed company's board of directors be non-management. The question of non-management and independence is determined with respect to every director pursuant to NYSE rules. The NYSE rules also require that certain committees be composed entirely of independent and non-management directors. The committees covered by this requirement are the Audit, Compensation, and Nominating and Corporate Governance Committees. Based upon NYSE rules, six of the Board's then nine members (assuming election of the directors proposed in this proxy statement), a majority, would be independent and seven would be non-management as of June 30, 2007. All current members of the identified committees are non-management and independent in that those directors do not have a material relationship with the

Company directly or as a partner, shareowner or affiliate of an entity that has a

7

Table of Contents

relationship with the Company. The Board made its determination of independence based on the fact that none of the independent directors:

Is an officer or employee of the Company, its subsidiaries, or its affiliates, or has any current or past material relationship within the Company; or,

Has an immediate family member who is an officer of the Company or its subsidiaries or that has any current or past material relationship with the Company; or,

Has worked for, consulted with, or received anything of substantial value from the Company aside from his compensation as a Director; or,

Is currently, or was within the past three years, employed by the independent auditors for the Company; or,

Serves on the compensation committee or the board of directors of any corporation that employs a nominee for Director or a member of their immediate family; or,

Is an executive officer of any entity which the Company's annual sales to or purchases from exceeded one percent of either entity's annual revenues for the last fiscal year; or,

Has beneficial ownership of more than five percent of the Company's outstanding common stock, or,

Serves as a director, trustee, executive officer or similar position of a charitable or non-profit organization to which the Company or its subsidiaries made charitable contributions or payments in fiscal year 2007 in excess of two percent of the organization's charitable receipts.

Board and Committee Information

The Board of Directors, which had seven meetings, including the Annual Meeting, during the past fiscal year, has standing Audit, Compensation, Executive, and Nominating and Corporate Governance Committees. The Audit Committee met four times during the last fiscal year and consisted of Messrs. William I. Noecker (Chairman), James D. Fast, and David P. Molfenter. This Committee operates under a written charter and oversees auditing, financial reporting and internal control matters. It also selects the firm that Sparton retains as its independent auditors and recommends the ratification of their selection by the shareowners. The Committee consults with the independent auditors and oversees their audit and other work. The Committee also consults with the Chairman of the Board, President, and Senior Vice President-Treasurer and oversees those individuals who review Sparton's internal controls and compliance with policies. The members of the Audit Committee are independent, as defined under the New York Stock Exchange listing standards. The Board has determined that Mr. Noecker, in addition to being independent, is an audit committee financial expert as defined in the Security and Exchange Commission's (SEC) regulation S-K, Item 407(d)(5)(ii). The independent auditors have access to the Committee without any other members of management being present. The Audit Committee met with management and the independent auditors before the announcement of earnings each quarter. The Audit Committee also met with the independent auditors without management present on one occasion during fiscal year 2007. The Committee also reviewed the annual consolidated financial statements and annual report on Form 10-K and the Audit Committee report in this Proxy Statement before each was filed with the SEC. The functions and qualifications for membership are set forth in its charter, a copy of which is available on the Company's website.

The Compensation Committee, which held six meetings during the last fiscal year and consisted of Messrs. W. Peter Slusser (Chairman), James N. DeBoer, and David P. Molfenter, monitors the remuneration, including stock options, for the Company's executive officers, including the Named Executive Officers (defined below). The Compensation Committee is not authorized to delegate its authority to others, with the exception of the delegation to the Chief Executive Officer of the formulation of proposed compensation amounts to executives and proposed compensation plans and processes. The Compensation Committee does not, as a matter of regular practice, employ compensation consultants to determine the amount or form of executive and director compensation. The compensation

philosophy, the compensation components, and their application as described in the Compensation Discussion and Analysis which appears below, are generally employed by the Compensation Committee in connection with the compensation for all of the executives of the Company.

The Executive Committee, which consisted of Messrs. Bradley O. Smith (Chairman), James N. DeBoer, David W. Hockenbrocht, and William I. Noecker, did not meet during fiscal 2007. The Executive Committee is empowered to act for the full Board in intervals between Board meetings, with the exception of certain matters that by law may not be delegated. The Committee meets as necessary, and all actions by the Committee are reported at the next Board of Directors meeting.

The Nominating and Corporate Governance Committee, which consisted of Messrs. David P. Molfenter (Chairman), James D. Fast and Richard J. Johns, M.D., held four meetings last fiscal year. Dr. Johns attended three meetings prior to his resignation on January 30, 2007. Mr. James N. DeBoer was appointed to the Committee following Dr. Johns resignation. The Committee reviews the makeup of the existing Board of Directors and the tenure of its members, consistent with appropriate principles of corporate governance and applicable regulations. The Committee also receives candidate resumes, and considers and recommends candidates for election to the Board consistent with the needs of the Company, regulatory requirements, and the qualifications of the candidates. The Committee has implemented a formal process for consideration of candidates.

The Company's website address is www.sparton.com. Information provided at the website includes, among other items, the Company's Corporate Governance Guidelines, current charters for the Audit, Compensation, Nominating and Corporate Governance, and Executive Committees of the Board of Directors, Board committees and their membership, and the Company's Code of Business Conduct and Ethics. The committee charters are also available in print and can be obtained by written request directed to the Corporate Secretary at 2400 East Ganson Street, Jackson, Michigan 49202.

All directors attended at least 75% of the meetings of the Board and committees on which they serve. In addition, the directors are expected to attend the Annual Shareowners Meeting. At the Company's fiscal 2006 Annual Meeting, all nine of the directors were in attendance. During fiscal year 2006 and 2007, under the auspices of the Governance and Nominating Committee, the Board conducted several programs for director education which were facilitated by the National Association of Corporate Directors.

Director Qualifications

The Nominating and Corporate Governance Committee is responsible for reviewing with the Board, from time to time, the appropriate qualities, skills and characteristics desired for Board members in the context of the current make-up of the Board. This assessment includes consideration of the following summary of minimum qualifications that the Nominating and Corporate Governance Committee believes must be met by all directors, as well as the following considerations for the composition of the Board as a whole.

Essential Qualities

Relevant and substantial business experience, with an understanding of what is involved in leading a company

Sound business instincts and judgment, with the ability to make informed and strategic decisions

Professional and personal reputation and integrity consistent with the Company's Code of Ethics

Strong interpersonal skills evidencing the ability to work as part of a group and express views that are both challenging to and supportive of management

Commitment and availability to the Company to perform necessary and desired duties, with the ability to accept accountability for their role in Board decisions

Genuinely interested in the Company, its business, and its people, with a willingness to remain committed over a period of several years

Table of Contents

Board Composition Considerations

Strategic mix of directors allowing for diverse expertise and experience fitting the specific needs of the Company, now and anticipated in the future

Multiple directors possessing understanding and expertise in the area of accounting and finance

Minimum of one director with understanding and experience in legal and/or regulatory matters

Multiple directors with specific experience and knowledge of the risks and challenges unique to the industry in which the Company operates

Visionaries with the ability to lead, manage change, and assist in the continued growth of the Company

Familiarity and ability to relate to, and deal with, the media and various financial markets

These factors and others are considered useful by the Board, and are considered in an assessment of the perceived needs of the Board at a particular point in time.

Process for Identifying and Evaluating Director Nominees

The Board is responsible for selecting its own members. The Board delegates the evaluation, selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board and management will be requested to take part in the process as appropriate.

Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. Potential candidates for directors are generally suggested to the committee by current board members and shareowners, and are evaluated at meetings of the committee. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board. The Nominating and Corporate Governance Committee also recommends candidates for the Board's appointment to the committees of the Board.

Procedure for Recommendation of Director Nominees by Shareowners

The Nominating and Corporate Governance Committee will consider director candidates who are recommended by shareowners of the Company. To recommend a nominee, a shareowner should write to the Company's Corporate Secretary at 2400 E. Ganson St., Jackson, MI 49202. To be considered by the Committee for nomination and inclusion in the Company's Proxy Statement for its 2008 Annual Meeting of Shareowners, a shareowner recommendation for a Director must be received by the Company's Secretary no later than 60 days prior to the Annual Meeting. Any recommendation must include (i) the name and address of the candidate, (ii) a brief biographical description, including his or her occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements summarized above, and (iii) the candidate signed consent to be named in the Proxy Statement and to serve as a Director if elected. The Committee may seek additional biographical and background information from any candidate that must be received on a timely basis to be considered by the Committee. Further information regarding shareowner recommendation of director candidates is contained in the Nominating and Corporate Governance Committee Charter, which is available at the Company's website.

Assuming the appropriate biographical and background material is provided for candidates submitted by shareowners, the Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members. All Directors nominees recommended for election at the 2007 Annual Meeting are current members of the Board. The Committee did not receive any director nominations from shareowners for the 2007 Annual Meeting.

Board Compensation

For fiscal 2007, independent directors received an annual base retainer of \$10,000. During fiscal 2007, independent directors also received \$600 for each regularly scheduled Board meeting attended and the annual meeting, and \$500 for each regularly scheduled committee meeting and each special board meeting attended. Non-independent directors are paid \$500 for each regularly scheduled board meeting attended and each special meeting of the Board.

In addition to his directors' fees, which totaled \$14,700 in fiscal 2007, Mr. Bradley O. Smith is compensated for services rendered as Chairman of the Board of Directors. Such compensation totaled \$63,711 for fiscal 2007.

Corporate Governance

The Sarbanes-Oxley Act of 2002 was enacted on July 30, 2002. The statute addresses, among other issues, corporate governance, auditing and accounting, executive compensation, and enhanced and timely disclosure of corporate information. In November 2003, the SEC approved new corporate governance rules for the New York Stock Exchange that address director independence and corporate accountability. The changes were designed to allow shareowners to more easily and efficiently monitor the performance of companies and directors.

Sparton's Board of Directors developed a series of changes to address these new requirements. The Audit Committee revised its charter and adopted a policy for pre-approving all services, audit and non-audit, performed by the Company's Independent Auditors. In addition, the Board adopted charters for the Compensation, Executive, and Nominating and Corporate Governance Committees. These charters address issues such as independence of the committee members, committee organization and powers, member qualifications, duties and responsibilities, and corporate governance. As of June 30, 2007, all members of the Audit, Compensation, and Nominating and Corporate Governance Committees were independent directors. Copies of the charters for each of these committees are located on the Company's website. The Company continues to develop and refine its Corporate Governance policies and practices and their place within the Board's committee structure.

Code of Ethics

The Sparton Way governs the actions and working relationships of Sparton employees, officers and directors. The Sparton Way endorses the highest level of ethical standards, along with addressing other issues such as corporate opportunities, confidentiality, and the protection and proper use of corporate assets. The Company also updated its long standing Code of Business Conduct and Ethics in light of current regulatory requirements.

To the extent any waiver is granted with respect to the Code of Business Conduct and Ethics that requires disclosure under applicable SEC rules, such waiver will also be posted on the website, as will any amendment that may be adopted from time to time. Sparton's Shareowner Letters, Annual Report, Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and news releases are also available at the website, or are available, without charge, by contacting the Shareowners' Relations Department at 1-800-248-9579.

Whistleblower Provisions

It is the policy of Sparton Corporation to encourage its employees and other persons to disclose improper activities, and to address complaints alleging acts of reprisal or intimidation resulting from disclosure of improper activities.

Individuals wishing to report improper activities may call Sparton's Whistleblower service at 1-866-393-7585.

Audit Committee Report

The Audit Committee has reviewed and discussed Sparton's audited consolidated financial statements for the fiscal year ended June 30, 2007, with management and with Sparton's independent registered public accounting firm (independent auditors), BDO Seidman, LLP. Management is responsible for Sparton's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of Sparton's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States).

Based on the review and discussion described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended June 30, 2007, be included in Sparton's Annual Report on Form 10-K for the fiscal year ended June 30, 2007, for filing with the Securities and Exchange Commission.

Relationship with Independent Auditors

The Audit Committee appoints the independent auditors for Sparton. In addition to performing the audit of the Company's consolidated financial statements, BDO Seidman, LLP provided various other services during fiscal 2007. The Audit Committee has considered the provision of all non-audit services performed by BDO Seidman, LLP during fiscal 2007 with respect to maintaining auditor independence. The Audit Committee reviewed and pre-approved all professional services requested of, and performed by, BDO Seidman, LLP. The Pre-Approval Policy for audit and non-audit services was included as an appendix to the Company's 2003 Proxy Statement. The aggregate fees billed for fiscal 2007 and 2006 for each of the following categories of services are set forth below.

Pursuant to the Pre-Approval Policy, the Audit Committee annually reviews and pre-approves the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee, and such services are considered approved through the next annual review. The Audit Committee revises the list of pre-approved services from time to time based on subsequent determinations. The Audit Committee may delegate pre-approval authority to one or more of the members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Fiscal 2007

Audit-Related Fees The aggregate audit-related fees of BDO Seidman, LLP for professional services rendered, primarily for the audit of the Company's employee benefit plans and consulting and related assistance regarding the acquisition of Astro, for the fiscal year ended June 30, 2007, were \$56,000.

Audit-Related Fees The aggregate audit-related fees of BDO Seidman, LLP for professional services rendered, primarily for the audit of the Company's employee benefit plans and consulting and related assistance regarding the acquisition of Astro, for the fiscal year ended June 30, 2006, were \$28,000.

Auditor Independence

The Audit Committee is required to consider the independence of BDO Seidman, LLP when engaging the firm to perform audit-related and other services. In 2007, it was determined by the Committee that audit-related and other services provided and the fees paid for those services were compatible with maintaining the independence of BDO Seidman, LLP.

Vote Required

At a meeting on August 29, 2007, the Audit Committee of the Board of Directors took action to approve the retention of the accounting firm of BDO Seidman, LLP as the independent auditors for the Company for the fiscal year ending June 30, 2008. Such approval is subject to shareowner ratification.

In order to be adopted, this proposal must be approved by the holders of a majority of the outstanding shares of our common stock present or represented by proxy and entitled to vote at the Annual Meeting. If the shareowners do not ratify the appointment of BDO Seidman, LLP, our Board of Directors will consider the selection of other auditors.

Board Recommendation

EXECUTIVE COMPENSATION

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis section of this proxy statement (the CD&A) for the fiscal year ended June 30, 2007 which appears below. Based on the review and discussions referred to in the preceding sentence, the Compensation Committee recommended to the Board of Directors that the CD&A be included in this Proxy Statement and incorporated by reference in Sparton's Annual Report on Form 10-K for the fiscal year ended June 30, 2007.

THE COMPENSATION COMMITTEE

W. Peter Slusser, Chairman

James N. DeBoer

David P. Molfenter

Compensation Discussion and Analysis

The rules regarding the disclosure of executive compensation were significantly changed in 2006 by the Securities and Exchange Commission for future proxy statements. In addition to new and different tables, a greater emphasis is placed on providing discussion and analysis of the Company's compensation practices. As a result, the information contained in this 2007 Proxy Statement is not directly comparable to the information contained in the 2006 Proxy Statement.

The Compensation Committee (the Committee) is authorized (i) to assist management with compensation policies and programs for the Company's Chief Executive Officer, the Principal Financial Officer, and its three other most highly compensated executive officers, (the Named Executive Officers) (ii) to review and approve the performance goals established for the Chief Executive Officer and the Named Executive Officers; and (iii) to recommend, after considering the results of the Executives' performance and the Company's profitability, the salaries and incentive bonuses for the Named Executive Officers.

Three independent directors comprise the Committee. Their responsibilities are carried out pursuant to authority delegated by the Board of Directors and in accordance with the federal securities laws and other applicable laws and regulations. The Committee is governed by a written charter which can be found on the Company's website at <http://www.sparton.com>.

Compensation Philosophy

The Company has formulated a compensation philosophy with the objective of fair, competitive and performance-based compensation of its executive officers, including the Named Executive Officers. The philosophy reflects the belief that the total compensation of the Named Executive Officers should be aligned with the Company's performance. While the specific programs may be modified from year to year, the compensation philosophy has remained consistent for many years. The Committee seeks to reward performance with cost-effective compensation that aligns employee efforts with the Company's business strategy through adherence to the following compensation policies:

Named Executive Officers' total compensation should strengthen the relationship between pay and performance by including and emphasizing variable, at-risk compensation that is dependent on achieving specific corporate, business function, and/or individual performance goals.

An element of pay for Named Executive Officers should be comprised of long-term incentives to align management interests with those of its shareowners.

The incentive components of pay should be weighted toward long-term factors as described below.

Table of Contents

Total compensation opportunities should enhance the Company's ability to attract, retain and develop knowledgeable and experienced executives.

Base salary should be targeted at compensation comparable to that paid to executives of similar electronics contract manufacturers.

In devising and maintaining the Company's executive compensation program, the Committee reviews published data relevant to the compensation of executives in publicly owned competitor companies which operate in the electronics contract manufacturing industry. The Committee also consults with management, and outside accounting and legal advisors as appropriate. The Committee has not utilized compensation consultants. The Committee's recommendations are subject to approval by the Board of Directors.

Components of Compensation

The key elements of the Company's executive compensation program are base salary, short-term (annual) incentive and long-term incentive compensation. These elements are addressed separately below.

The Committee does not use mathematical formulas exclusively to determine compensation. In setting each component of compensation, the Committee considers all elements of a Named Executive Officer's total compensation package, including base salary, incentive compensation, and the value of benefits.

Base Salaries

A competitive base salary provides the foundation for a total compensation package required to attract, retain, and motivate the Executives in alignment with the Company's business strategies. The Committee reviews with the Chief Executive Officer and approves, with modifications considered appropriate, his recommendation of the annual base salary for each of the Named Executive Officers (other than the Chief Executive Officer) on an annual basis, generally in the first quarter of the fiscal year. The Committee independently reviews and sets the base salary for the Chief Executive Officer, subject to the approval of the Board of Directors.

Base salaries are initially premised upon the responsibilities of each Named Executive Officer. Base salaries are further adjusted based on industry surveys and related data, and performance judgments as to the past and expected future contributions of the Named Executive Officer. The Committee reviews each Named Executive Officer's base salary annually.

Short-Term Incentives

Short-term incentives are paid pursuant to Sparton's Return on Capital Employed (ROCE) Annual Incentive Bonus Plan which is reflective of the Company's goals of relating compensation to corporate performance. This plan permits Named Executive Officers and other key management employees to earn additional compensation if return on capital employed meets or exceeds an established goal. The goal is set on an annual basis and is reflective of the Company's business forecasts for the fiscal year. The ROCE metric is calculated using profit before taxes, as adjusted for non-recurring and certain other items, divided by Average Capital Employed which is defined as the total of average accounts receivable excluding inter-company balances, average inventory and average net property, plant and equipment. If the ROCE target is met, or is within allowable deviations, Named Executive Officers and other key employees share in a fund established for the particular class of employee. The employees of Sparton's newly acquired subsidiary, Astro Instrumentation, Inc., (now known as Sparton Medical Systems, Inc.) including Duane K. Stierhoff, one of the Named Executive Officers, did not participate in the ROCE Plan during fiscal 2007, though certain employees may participate in fiscal 2008. During the 2007 fiscal year, there were no bonuses awarded under the ROCE Plan, as the ROCE plan target goal was not realized.

The performance goals for the ROCE incentive bonus compensation plan are prepared annually by the Chief Executive Officer, reviewed and approved annually by the Committee, and presented to the Board of Directors for their review and approval.

At the discretion of the Committee, bonuses may be paid in addition to or in lieu of bonuses earned under the ROCE incentive bonus plan based on the Committee's evaluation of the individual performance and level of

Table of Contents

responsibility of the Named Executive Officer. During the past fiscal year, select discretionary bonuses were paid to Named Executive Officers aggregating \$56,108.

In determining discretionary annual incentive bonuses for the Named Executive Officers, the Committee evaluates the Chief Executive Officer's recommendations based on individual performance. The Committee independently evaluates the individual performance of the Chief Executive Officer. The results of those evaluations are used by the Committee to award the short-term incentive bonuses to the Named Executive Officers.

In 2006, Sparton Medical Systems Inc. entered into four-year employment agreements with certain members of the management of that subsidiary, including Duane K. Stierhoff. Mr. Stierhoff's employment agreement provides for annual short term incentive bonuses based on the financial results of the subsidiary for the respective fiscal years over the term of the employment agreement. This short term annual incentive bonus is in lieu of Mr. Stierhoff's participation in the ROCE incentive bonus plan. Mr. Stierhoff's bonus for fiscal year 2007 is provided in the Bonus column of the Summary Compensation table.

Long Term Incentives.

In keeping with the Company's philosophy of providing a total compensation package that includes long-term incentives, a Named Executive Officer's total compensation package may include stock options, restricted stock, stock units and/or cash. These incentives are designed to motivate and reward Named Executive Officers for maximizing shareowner value and encourage the long-term employment of key employees.

When awarding long-term incentives, the Committee considers a Named Executive Officer's overall level of responsibility, Company performance and individual performance criteria, as well as the compensation practices of the peer group of companies used to evaluate total compensation.

The Company annually reviews the long-term incentive elements of its compensation package, including the beneficial and detrimental aspects of particular compensation components such as stock options, to determine the continuing efficacy of such programs. While the Company has not reached any conclusion, nor have any replacement plans been submitted to the Committee for its consideration as of the date of this Proxy, it is reviewing cash based long-term incentive plans for consideration by the Committee. The Company and the Committee objective is to conclude their respective reviews and institute a new long-term incentive plan, if such a plan is deemed appropriate, within the fiscal year 2008. The effective date of any new program has yet to be determined.

Stock Options.

The number of shares awarded through stock option grants is based primarily on the per share price on the date of the award. As a result, the number of shares underlying stock option awards may vary from year to year, as it is dependent on the price of Sparton's common stock on the date of grant. The size of the award can also be adjusted based on individual factors.

Because the exercise price of these options is equal to the fair market value of Sparton's common stock as of the close of the stock market on the day preceding the date of grant (as specified in the plan), these stock options will only deliver a reward if the stock price appreciates from the price on the date the stock options were granted. This is intended to focus Named Executive Officers on the long-term enhancement of shareowner value.

During fiscal year 2007, no stock options were awarded to the Named Executive Officers other than those awarded to Mr. Duane Stierhoff in conjunction with the acquisition of Sparton Medical Systems, Inc. (See "Grants of Plan Based Awards" table on page 19 for additional information).

It should also be noted that during fiscal year 2007, no outstanding stock options were re-priced, on either an individual or collective basis, consistent with the Company's long established policy of not re-pricing stock options, except to avoid the dilutive effect of certain actions such as the declaration of stock dividends as provided in the Amended and Restated Sparton Corporation Stock Incentive Plan dated October 2001 ("Long Term Incentive Plan").

Table of Contents*Other Compensation*

The Named Executive Officers receive a variety of modest miscellaneous benefits, the value of which is presented for the Named Executive Officers under the caption "All Other Compensation" in the Summary Compensation Table. These benefits include taxable life insurance, health insurance, the Company's qualified pension plan, the Company's 401(k) Plan and other miscellaneous benefits.

Compensation Committee Interlocks and Insider Participation

Mr. Slusser, Mr. DeBoer and Mr. Molfenter are not officers or employees, or former officers or employees of the Company or any of its subsidiaries. No interlocking relationship exists between members of the Company's Board of Directors or the Compensation Committee and the board of directors or compensation committee of any other company, nor has such an interlocking relationship existed in the past.

Table of Contents**Other Benefit Plans***401(k) Retirement Plan*

Sparton maintains a 401(k) retirement savings plan that is available to substantially all U.S. employees. Sparton matches 50% of each participant's voluntary contribution up to 6% of the participant's compensation and a participant vests ratably over a 5-year period in the matching contributions. Prior to July 1, 2007, Sparton's matching contribution was directed to be invested in Sparton stock, which investment could not be redirected. No employee contributions could be invested in such shares. As of July 1, 2007, a participant's investment in Sparton common stock may be directed, at the participant's election and subject to certain limitations, to other available investment options. Also effective July 1, 2007, at the election of the participant, both employer and employee contributions may be invested in any of the available investment options under the plan, which election options now include Sparton common stock. However, an employee's total investment in Sparton common stock is subject to a 20% limitation of the total value of the employee's fund balance.

Astro Instrumentation, Inc. (now Sparton Medical Systems, Inc. as noted above), maintained a 401(k) retirement savings plan for the benefit of its employees prior to its acquisition in May of 2006. The plan was established on January 1, 2002. The plan was funded solely by employee voluntary contributions and Astro Instrumentation, Inc. did not make contributions to the plan on a matching or other basis. The Astro Instrumentation, Inc. 401(k) plan was merged into the Sparton 401(k) plan on July 1, 2007.

Qualified Defined Benefit Plan

The pension plan, in which the Company's Named Executive officers participate (excepting Mr. Stierhoff), is a defined benefit plan covering substantially all of the domestic employees of the Company (other than employees of Sparton Medical Systems, Inc.). The defined benefit plan was amended effective July 1, 2007 to include the employees of Sparton Medical Systems, Inc., including Mr. Stierhoff. During the past year no cash contribution was made by the Company to the plan as in the judgment of the Company's independent actuaries, the pension plan was fully funded. The plan provides a basic benefit of \$2.25 per month for each year of credited service up to a maximum of \$90 per month. In addition, for those participants who contributed 5% of their monthly compensation (excluding bonuses) per month, the plan provides for an additional monthly pension amount equal to 1¹/₂ % of the participant's final five-year average monthly compensation (excluding bonuses) times the participant's years of contributory credited service to a maximum of 30 years. Effective April 1, 2000, the Company amended its defined benefit retirement plan to determine benefits by a cash balance formula. Under the cash balance formula, each participant has a benefit equal to their cash balance account which is credited yearly with 2% of their salary, as well as the interest earned on their previous year-end cash balance. Service under the Company's prior salary-based formula was frozen as of March 31, 2000, and the benefit formula amended to calculate the monthly pension based upon the participant's five-year average earnings as defined.

The following table shows the number of years of credited service and estimated annual retirement benefits, payable under the pension plan, in specified remuneration and service based classification upon normal retirement at age 65 (or June 30, 2007, if the individual is currently age 65 or older). The benefits shown are not subject to any deduction for Social Security or other offset amounts. The maximum amount of annual compensation allowed to be included in determining final average compensation has been limited by Federal statute to \$225,000

Deferred Compensation Plans or Agreements.

The Company does not maintain any plan or any agreements with Named Executive Officers that provides for the deferral of compensation on a basis that is not tax qualified.

Employment Agreements

All of Sparton's regular full time employees enter into a standard employment agreement upon commencement of their employment. The standard employment agreement primarily addresses intellectual property and confidential and proprietary information matters and does not contain provisions pertaining to compensation, with the exception of an employment agreement with Duane K. Stierhoff. In 2006, a subsidiary of the Company, Astro Instrumentation, Inc. (now known as Sparton Medical Systems, Inc.) entered into an employment agreement with Mr. Stierhoff. The Agreement currently provides for: i) a term of four-years, ii) an annual salary of \$180,200, iii) an annual short term

incentive bonus based on the financial results of the subsidiary, iv) options for 10,500 (adjusted for stock dividends) shares of Sparton stock which are exercisable in four equal annual installments, commencing one year from the date of grant, v) a severance based on salary payable under certain defined circumstances, and vi) covenants not to compete, disclose proprietary information or to solicit customers or employees. Mr. Stierhoff's employment agreement has been amended since its inception to reflect changes in his duties.

Potential Payment Upon Termination or Change-in-Control

Mr. Stierhoff's employment agreement provides that in the event the Company terminates his employment for reasons other than misconduct (as defined in the agreement), The Company will continue to pay his salary from the date of termination through the end of this Agreement, less any amounts received by him through other employment subsequent to the termination of the Agreement (Termination Payment). The Termination Payment is subject to Mr. Stierhoff's adherence to certain provisions in the employment agreement, including a covenant not to compete for a period of two years from the date of termination, a perpetual covenant relating to non-disclosure of confidential information, a covenant prohibiting the solicitation of customers for a period of one year from date of termination, and a covenant prohibiting the solicitation of employees for a period of one year from the date of termination.

Table of Contents

None of the agreements described in the Employment Agreement section above, including Mr. Stierhoff's, contain provisions providing for payments in the event of a change-in-control of the Company. The Company currently has a severance policy which provides severance pay equal to one week's pay per year of service, to a maximum of twelve weeks of severance pay which is applicable to all employees, including the Named Executive Officers and other officers upon termination of employment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and person who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Officers, directors and greater than 10% shareowners are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of the forms furnished to the Company, and/or written representations from certain reporting persons, the Company believes that all filing requirements applicable to its officers and directors were met during the fiscal year ended June 30, 2007.

Director Compensation

Independent directors receive an annual base retainer of \$10,000 and \$600 for each regularly scheduled Board meeting attended and the annual meeting, and \$500 for each committee meeting attended and each special board meeting. Non-independent directors are paid \$500 for each regularly scheduled board meeting attended and each special meeting of the Board of Directors. In addition, Directors may be engaged to provide individual consulting services for which they will receive separate compensation. No director provided any such individual consulting services in fiscal year 2007.

The members of the Board of Directors of Sparton received the following compensation during the fiscal year ended June 30, 2007:
