Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On March 4, 2005, OrthoLogic Corp. (the Company) announced that it had entered into an employment agreement with Dr. James M. Pusey, dated as of March 3, 2005 (the Employment Agreement), pursuant to which Dr. Pusey will serve as the Company's Chief Executive Officer. The Employment Agreement is filed with this Current Report on Form 8-K (Form 8-K) as Exhibit 10.1 and is incorporated herein by reference. A form of the Confidential Information and Assignment of Inventions Agreement executed by employees in connection with the commencement of their employment with the Company is filed with this Form 8-K as Exhibit 10.2 and is incorporated herein by reference.

Under the Employment Agreement, Dr. Pusey's employment shall commence no later than March 18, 2005, or such earlier date as may be specified by Dr. Pusey (the Commencement Date) and may be terminated at any time, with or without cause, at the option of either the Company or Dr. Pusey. It provides for a minimum base salary of \$350,000, which may be increased subject to annual reviews, and allows for Dr. Pusey's participation in a discretionary bonus program, which provides for a bonus of up to 50% of his base salary. Dr. Pusey is also entitled to a signing bonus of \$125,000 payable on the Commencement Date and an additional bonus of \$125,000 payable after one year of employment or upon termination without cause if such termination occurs prior to the one year anniversary. In addition, the Employment Agreement provides for the reimbursement of certain business, relocation and travel expenses as well as the medical, dental and other fringe benefits generally granted to the Company's senior management.

On the date of execution of the Employment Agreement (the Signing Date), the Company granted to Dr. Pusey options to purchase 425,000 shares of the Company's common stock at an exercise price equal to the closing price of the Company's common stock on the Signing Date, as reported by the Nasdaq Stock Market, and granted to Dr. Pusey, effective as of the Commencement Date, an option to purchase an additional 75,000 shares of the Company's common stock at an exercise price equal to the closing price of the Company's common stock on that date, as reported by the Nasdaq Stock Market (the grant of the options to purchase 425,000 shares and 75,000 shares are collectively, the Initial Option Grant). The grants are evidenced by a Letter of Stock Option Grant for 200,000 shares and a Letter of Stock Option Grant for 300,000 shares, each of which provide for immediate vesting upon effectiveness of the grants as to 10% of the shares covered thereby and monthly vesting of the remainder in equal amounts over a period of 48 months, subject to continued employment by Dr. Pusey. The Letter of Stock Option Grant for 200,000 shares and the Letter of Stock Option Grant for 300,000 shares are filed with this Form 8-K as Exhibits 10.3 and 10.4, respectively, and are incorporated herein by reference.

On the Signing Date, the Company also granted to Dr. Pusey 200,000 shares of restricted stock of the Company (the Restricted Shares). The grant is evidenced by a Letter of Restricted Stock Grant, which is filed with this Form 8-K as Exhibit 10.5 and is incorporated herein by reference. The Letter of Restricted Stock Grant provides that the Restricted Shares shall be

In the event that the Company undergoes a change of control or a sale of substantially all of its assets, the Employment Agreement provides that Dr. Pusey will be entitled to receive a special bonus of up to \$2.0 million, and at least 90% of the shares included in the Initial Option Grant will fully vest and the restrictions on at least 90% of the Restricted Shares will fully lapse upon such a change of control or sale of assets.
