Item 1. Security and Issuer.

Item 1 is hereby amended, in pertinent part, by the following:

This Amendment No. 4 to Schedule 13D relating to the Common Stock, par value \$.001 per share, of ImClone Systems Incorporated (“ImClone” or the “Company”) is being filed on behalf of the undersigned to further amend their disclosure with respect to Section 13(d) of the Act and the rules and regulations thereunder. Such disclosure constituted part of the undersigned’s Schedule TO previously filed on September 28, 2001, as amended by filings made on October 12, 2001, October 26, 2001, October 29, 2001 and November 1, 2001. Such disclosure was also amended by Amendment No. 1 to Schedule 13D filed by the undersigned on February 6, 2002, Amendment No. 2 to Schedule 13D filed by the undersigned on March 6, 2002, and Amendment No. 3 to Schedule 13D filed by the undersigned on February 1, 2006.

Item 4. Purpose of the Transaction.

Item 4 is hereby amended, in pertinent part, by the following:

Bristol-Myers Squibb Company (“BMS”) owns 14,392,003 shares of ImClone common stock, or approximately 16.6% of ImClone’s outstanding shares. As part of its ongoing financial review of this investment, BMS has determined to make an offer to acquire all of ImClone.

On July 31, 2008, James M. Cornelius, Chairman and Chief Executive Officer of BMS, called Carl C. Icahn, Chairman of the Board of ImClone, to convey an offer by BMS to enter into an agreement to acquire ImClone for \$60 per share in cash (the “BMS Offer”). The BMS Offer represents a premium of approximately 30% over the closing price of ImClone common stock on July 30, 2008, a premium of approximately 40% over the one-month average closing price of ImClone common stock, and a premium in excess of 40% over the three-month and one-year average closing prices of ImClone common stock. The BMS Offer was authorized by the BMS Board of Directors.

Mr. Cornelius also delivered to Mr. Icahn a letter confirming the BMS Offer. The letter to ImClone confirming the BMS Offer is incorporated herein by reference and is attached as Exhibit 99.1 to this Amendment No. 4 to Schedule 13D.

In the event BMS does not acquire all outstanding shares of ImClone common stock, BMS will continue to evaluate its investment in ImClone from a financial point of view and may sell a portion of or all its ImClone shares or may continue to hold its ImClone shares, subject to business and market conditions that may exist at the time. Any sale by BMS of its ImClone shares would be made subject to the terms and conditions of the stockholder’s agreement between BMS and ImClone which imposes certain restrictions on the timing and manner of sale by BMS of its ImClone shares.

BMS also has a commercialization agreement with ImClone for the codevelopment and copromotion of ERBITUX® in the United States, Canada and Japan. Under its terms, the commercialization agreement would survive any sale by BMS of its shares of ImClone.

The Stockholder Agreement dated as of September 19, 2001, among BMS, Bristol-Myers Squibb Biologics Company and ImClone, and the Development, Promotion, Distribution and Supply Agreement dated as of September 19, 2001, and amended as of March 5, 2002, July 27, 2007, and October 12, 2007 among E. R. Squibb & Sons, LLC, BMS and ImClone, are included as Exhibits 99(d)(2) and 99(d)(3) to the Schedule to Tender Offer Statement filed on September 28, 2001 and Exhibit A to Schedule 13D (Amendment No. 2) filed on March 6, 2002.

Item 7. Material to be Filed as Exhibits

99.1 Letter from Bristol-Myers Squibb Company to the Board of Directors of ImClone Systems Incorporated dated July 31, 2008.

Signature

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
