NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

In the opinion of the Company, the accompanying unaudited condensed consolidated financial statements prepared in accordance with instructions for Form 10-QSB, include all adjustments (consisting only of normal recurring accruals) which are necessary for a fair presentation of the results for the periods presented. Certain information and footnote disclosures normally included in the financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed consolidated financial statements be read in conjunction with the Company's Annual Report for the year ended December 31, 2004. The balance sheet as of December 31, 2004 was derived from audited financial statements as of that date. The results of operations for the three and nine months ended September 30, 2005 are not necessarily indicative of the results to be expected for the full year.

The condensed consolidated financial statements include the accounts of HMG/Courtland Properties, Inc. (the "Company") and entities in which the Company owns a majority voting interest or controlling financial interest. All material transactions and balances with consolidated and unconsolidated entities have been eliminated in consolidation or as required under the equity method.

2. RECENT ACCOUNTING PRONOUNCEMENT

In May 2005, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 154, Accounting Changes and Error Corrections, a replacement of APB Opinion No. 20 and FASB Statement No. 3. This Statement provides guidance on accounting for reporting of accounting changes and error corrections. It establishes, unless impracticable, retrospective application as the required method for reporting a change in accounting principle in the absence of explicit transition requirements specific to the newly adopted accounting principle. This Statement also provides guidance for determining whether retrospective application of a change in accounting principle is impracticable and for reporting a change when retrospective application is impracticable. This Statement also provides guidance on the correction of an error by restating previously issued financial statements. This Statement shall be effective for accounting changes and corrections of errors made in fiscal years beginning after December 15, 2005. The Company does not expect Financial Accounting Standards Board Statement of Financial Accounting Standards No. 154, Accounting Changes and Error Corrections to have a material effect on its financial statements.

3. GAIN ON SALES OF PROPERTIES

In August 2005, HMG Fieber Associates sold its property located in Kingston, New York, resulting in a net gain to the Company of approximately \$303,000.

4. RESULTS OF OPERATIONS FOR MONTY'S RESTAURANT, MARINA AND OFFICE/RETAIL PROPERTY, COCONUT GROVE, FLORIDA

The Company, through two 50%-owned entities, Bayshore Landing, LLC ("Landing") and Bayshore Rawbar, LLC ("Rawbar"), (collectively, "Bayshore") owns a restaurant, office/retail and marina property located in Coconut Grove (Miami), Florida known as Monty's (the "Monty's Property").

5. INVESTMENTS IN MARKETABLE SECURITIES

Investments in marketable securities consist primarily of large capital corporate equity and debt securities in varying industries or issued by government agencies with readily determinable fair values. These securities are stated at market value, as determined by the most recent traded price of each security at the balance sheet date. Consistent with the Company's overall current investment objectives and activities its entire marketable securities portfolio is classified as trading.

Net gain (loss) from investments in marketable securities for the three and nine months ended September 30, 2005 and 2004 is summarized below:

Description	Three months ended		Nine months ended	
	September 30, 2005	2004	September 30, 2005	2004
Net realized gain (loss) from sales of securities	\$116,000	\$5,000	\$207,000	(\$7,000)
Unrealized net gain (loss) in trading securities	94,000	95,000	61,000	(27,000)
Net change in sales of securities pending delivery	-	11,000	-	10,000
Total net gain (loss) from investments in marketable securities	\$210,000	\$111,000	\$268,000	(\$24,000)

For the three and nine months ended September 30, 2005 net realized gain from sales of marketable securities of approximately \$116,000 and \$207,000, respectively, consisted of approximately \$131,000 of gross gains net of \$15,000 of gross losses for the three month period and \$241,000 of gross gains and \$34,000 of gross losses for the nine month period. For the three and nine months ended September 30, 2004 net realized gain (loss) from sales of marketable securities was approximately \$5,000 and (\$7,000), respectively. These amounts consisted of approximately \$131,000 of gross losses net of \$124,000 of gross gains for the nine month period ended September 30, 2004. Gross gains and losses were not significant for the three month period ended September 30, 2004.

HMG/COURTLAND PROPERTIES, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Continued)
(Unaudited)

Investment gains and losses on marketable securities may fluctuate significantly from period to period in the future and could have a significant impact on the Company's net earnings. However, the amount of investment gains or losses on marketable securities for any given period has no predictive value and variations in amount from period to period have no practical analytical value.

6. OTHER INVESTMENTS

As of September 30, 2005, the Company has committed to invest approximately \$12.1 million in other investments primarily in private capital funds and other partnerships, of which approximately \$10.8 million has been funded. The carrying value of other investments (which reflects distributions and valuation adjustments) is approximately \$5.7 million. During the nine months ended September 30, 2005 the Company made contributions to eleven existing investments and five new investments totaling \$1,606,000 and received cash distributions from existing investments of \$1,052,000.

Included in new investments is a \$1,000,000 investment made in September 2005 representing a 2.375% equity interest in a limited liability company that was recently formed for the sole purpose of acquiring a thirteen-story building with 163,395 square feet located in Coconut Grove, Florida (commonly known as "Grand Bay Plaza") and converting the existing rental office condominiums for sale to investors and end-users.

Net income from other investments for the three and nine months ended September 30, 2005 and 2004, is summarized below:

<u>Description</u>	Three months ended September		Nine months ended September	
	2005	2004	2005	2004
Partnership owning diversified operating companies	\$9,000	\$61,000	\$77,000	\$201,000
Technology-related venture fund	--	(83,000)	43,000	(187,000)
Real estate development and operation	21,000	30,000	22,000	70,000
Income from investment in 49% owned affiliate (T.G.I.F. Texas, Inc.)	24,000	12,000	60,000	47,000
Others, net	(3,000)	(3,000)	(157,000)	(9,000)
Total net gain (loss) from other investments	\$51,000	\$17,000	\$45,000	\$122,000

In March 2005, the Company reduced the remaining carrying value (approximately \$147,000) of one of its investments in a privately held company in the personal cosmetic industry. This investment experienced a decline in demand for its product which is believed to result in other-than-temporary decline in the value of the investment. This write down is included under the caption "Others, net" in the table above. There were no other write downs or significant gains during the three and nine months ended September 30, 2005.

During the nine months ended September 30, 2004, the Company received total distributions approximately of \$611,000 from one investment in a partnership which recapitalized and or sold various operating companies. The excess of the distributions over the Company's carrying value of the investment in this partnership has resulted in capital gains of \$201,000.

6. OTHER INVESTMENTS (continued)

In March and September 2004, the Company reduced the carrying value of one of its investments in a venture capital fund by \$104,000 and \$20,000, respectively. The Company designated this interest rate swap contract as a cash flow hedge. The fair value of the cash flow hedge, which at September 30, 2005 and December 31, 2004, is a loss of \$208,500 and \$289,500, respectively (net of 50% minority interest), is deferred to other comprehensive loss and reclassified to interest expense over the life of the swap contract.

Professional fees expense for the nine months ended September 30, 2005 increased by approximately \$51,000 (39%) as compared with the same comparable period in 2004, respectively. For the nine months ended September 30, 2005, net cash provided by operating activities was approximately \$233,000.
