PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished on or about April 25, 2006 to stockholders of Bay National Corporation in connection with the solicitation of proxies by Bay National Corporation's Board of Directors to be used at the annual meeting of stockholders described in the accompanying notice (the "Annual Meeting") and at any adjournments or postponements thereof. The purposes of the Annual Meeting are set forth in the accompanying notice of annual meeting of stockholders.

This proxy material is being sent to Bay National Corporation's stockholders on or about April 25, 2006. Bay National Corporation's annual report, including financial statements for the year ended December 31, 2005, has been mailed to all stockholders with this proxy material.

SOLICITATION AND REVOCATION OF PROXIES

The enclosed proxy is solicited by the Board of Directors of Bay National Corporation. The Board of Directors selected James P. O'Connor and Henry H. Stansbury, or either of them, to act as proxies with full power of substitution. The proxy is revocable at any time prior to or at the Annual Meeting by written notice to Bay National Corporation, by executing a proxy bearing a later date, or by attending the Annual Meeting and voting in person. A written notice of revocation of a proxy should be sent to the Secretary, Bay National Corporation, 2328 West Joppa Road, Suite 325, Lutherville, MD 21093, and will be effective if received by the Secretary prior to the Annual Meeting. The presence of a stockholder at the Annual Meeting alone will not automatically revoke such stockholder's proxy.

In addition to solicitation by mail, officers and directors of Bay National Corporation may solicit proxies personally or by telephone. Bay National Corporation will not specifically compensate these persons for soliciting such proxies. Bay National Corporation will bear the cost of soliciting proxies. These costs may include reasonable out-of-pocket expenses in forwarding proxy materials to beneficial owners. Bay National Corporation will reimburse brokers and other persons for their reasonable expenses in forwarding proxy materials to customers who are beneficial owners of the common stock of Bay National Corporation registered in the name of nominees.

OUTSTANDING SHARES AND VOTING RIGHTS

Stockholders of record at the close of business on March 28, 2006 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the close of business on that date, there were outstanding and entitled to vote 1,927,894 shares of common stock, \$0.01 par value per share, each of which is entitled to one vote.

The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting will be necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

For the election of directors, which requires a plurality of the votes cast, only proxies and ballots indicating votes "FOR" a nominee or "WITHHOLD AUTHORITY" for a nominee are counted to determine the total number of votes cast, and abstentions and broker non-votes have no effect on the outcome of the election.

The affirmative vote of at least a majority of all votes cast at the Annual Meeting is sufficient for the ratification of the appointment of Stegman & Company. An abstention or broker non-vote is not included in calculating votes cast with

respect to these proposals.

1

A broker “non-vote” is a proxy received from a broker or nominee indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power.

All proxies will be voted as directed by the stockholder on the proxy form. A proxy, if executed and not revoked, will be voted in the following manner (unless it contains instructions to the contrary, in which event it will be voted in accordance with such instructions):

FOR the nominees for directors named below.

FOR ratification of the appointment of Stegman & Company as independent public accountants for 2006.

Proxies will be voted in the discretion of the holder on such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

It is anticipated that Bay National Corporation’s directors and officers will vote their shares of common stock in favor of the nominees for election to the Board of Directors listed herein and for the ratification of the appointment of Stegman and Company.

The Board of Directors has determined that all directors, other than Gary T. Gill, Hugh W. Mohler and Eugene M. Waldron, Jr., are “independent” as defined under the applicable rules and listing standards of the Nasdaq Stock Market, Inc., assuming the rules and listing standards were applicable to Bay National Corporation.

Bay National Corporation’s charter and bylaws provide that Bay National Corporation shall have at least three (3) directors, and that the number of directors may be increased or decreased by the Board of Directors. As of March 23, 2006, the number of directors has been fixed at fifteen with all positions filled. Pursuant to Bay National Corporation’s charter and bylaws, the Board of Directors is divided into three classes, with each class serving a three-year term, and the term of one class expiring each year. Bay National Corporation's officers are appointed by the Board of Directors and hold office at the will of the board or as otherwise provided in an employment agreement between an officer and Bay National Corporation.

As Bay National Corporation is the sole stockholder of Bay National Bank, each director of Bay National Bank is elected by the Board of Directors of Bay National Corporation. Bay National Bank's officers are appointed by its Board of Directors and hold office at the will of the board.

BOARD MEETINGS AND COMMITTEES

Bay National Corporation's Board of Directors meets nine times per year (usually the fourth Tuesday of each month with the exception of February, August and December) and such special meeting as circumstances may require. The Board of Directors of Bay National Corporation and Bay National Bank met 9 times during 2005. Each director attended at least 75% of the total number of meetings of the Board of Directors and the Board committees of Bay National Corporation and Bay National Bank which he or she was a member during 2005.

The Board of Directors of Bay National Corporation has standing Audit, Nominating and Compensation Committees. Bay National Bank also has a number of standing committees, including the Asset & Liability Committee, Audit Committee, Capital Committee, Compensation Committee, Executive Committee, Nominating Committee and Strategic Planning Committee. The members of Bay National Corporation's and Bay National Bank's Audit, Compensation and Nominating Committees are the same, and these committees typically hold joint meetings.

Bay National Corporation's policy requires that, in the absence of an unavoidable conflict, all directors are expected to attend the annual meeting of Bay National Corporation's stockholders. Twelve of the members of the Board of Directors of Bay National Corporation attended the 2005 annual meeting.

Audit Committee. Bay National Corporation's Audit Committee members are William B. Rinnier, Chairman, James P. O'Connor, Edwin A. Rommel, III, Henry H. Stansbury and Kenneth H. Trout. The Board of Directors has determined that each of these individuals is "independent," as defined under the applicable rules and listing standards of the Nasdaq Stock Market, Inc., assuming the rules and listing standards of the Nasdaq Stock Market, Inc. were applicable to Bay National Corporation, and the rules and regulations of the Securities and Exchange Commission. In addition, the Board of Directors has determined that each committee member is able to read and understand fundamental financial statements, including Bay National Corporation's consolidated balance sheet, income statement and cash flow statement. In addition, the Board of Directors has determined that Edwin A. Rommel, III is an "audit committee financial expert" as that term is defined by the rules and regulations of the Securities and Exchange Commission.

The Audit Committee of Bay National Corporation and Bay National Bank held four meetings in 2005. The Audit Committee's primary responsibilities are to assist the Board by monitoring (i) the integrity of Bay National

Corporation's financial statements; (ii) the independent auditors' qualifications and independence; (iii) the performance of Bay National Corporation's independent auditors and internal audit firm; (iv) Bay National Corporation's system of internal controls; (v) Bay National Corporation's financial reporting and system of disclosure controls; and (vi) Bay National Corporation's compliance with legal and regulatory requirements.

In addition, the Audit Committee was appointed to oversee treatment of, and any necessary investigation concerning, any employee complaints or concerns regarding Bay National Corporation's accounting and auditing matters. Pursuant to procedures adopted by Bay National Corporation, any employee with such complaints or concerns is encouraged to report them, anonymously if they desire, to the Chair of the Audit Committee for investigation, and appropriate corrective action, by the Audit Committee.

The Audit Committee has adopted a written charter, a copy of which is included in this proxy statement as Appendix A.

Nominating Committee. Bay National Corporation's Nominating Committee members are Carl A.J. Wright, Chairman, Donald G. McClure, Jr., Robert L. Moore, H. Victor Rieger, Jr. and Edwin A. Rommel, III. The Board of Directors has determined that each of these individuals is "independent," as defined under the applicable rules and listing standards of the Nasdaq Stock Market, Inc., assuming the rules and listing standards of the Nasdaq Stock Market, Inc. were applicable to Bay National Corporation. The Nominating Committee has adopted a written charter, a copy of which is included in this proxy statement as Appendix B. A copy of the Nominating Committee Charter is not currently available on our website. Bay National Corporation established the Nominating Committee in January 2006.

The Nominating Committee determines whether the incumbent directors should stand for reelection to the Board of Directors and identifies and evaluates candidates for membership on the Board of Directors. In the case of a director nominated to fill a vacancy on the Board of Directors due to an increase in the size of the Board of Directors, the Nominating Committee recommends to the Board of Directors the class of directors in which the director-nominee should serve. The Nominating Committee also conducts appropriate inquiries into the backgrounds and qualifications of possible director candidates and reviews and makes recommendations regarding the composition and size of the Board of Directors.

The Nominating Committee also evaluates candidates for nomination to the Board of Directors who are recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating Committee to become nominees for election to the Board may do so by submitting a written recommendation to the Secretary of Bay National Corporation at 2328 West Joppa Road, Suite 325, Lutherville, MD 21093. Submissions must include sufficient biographical information concerning the recommended individual, including age, five year employment history with employer names and a description of the employer's business, whether such individual can read and understand basic financial statements and board memberships for the Nominating Committee to consider. A written consent of the individual to stand for election if nominated and to serve if elected by the stockholders must accompany the submission. The Nominating Committee will consider recommendations received by a date not later than 120 calendar days before the date the Proxy Statement was released to stockholders in connection with the prior year's annual meeting for nomination at that annual meeting. The Nominating Committee will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

The Nominating Committee evaluates nominees for directors recommended by security holders in the same manner in which it evaluates any nominees for directors. Minimum qualifications include high moral character, mature judgment, familiarity with Bay National Corporation's business and industry, independence of thought and ability to work collegially. Prior to establishing the Nominating Committee in January 2006, Bay National Corporation had no formal procedures by which stockholders who wished to recommend individuals to the Board of Directors could do so.

Compensation Committee. Bay National Corporation's Compensation Committee members are Henry H. Stansbury, Chairman, Edwin A. Rommel, III and Carl A.J. Wright. The Board of Directors has determined that each of these individuals is "independent," as defined under the applicable rules and listing standards of the Nasdaq Stock Market, Inc., assuming the rules and listing standards of the Nasdaq Stock Market, Inc. were applicable to Bay National Corporation. The Compensation Committee of Bay National Corporation and Bay National Bank held one meeting in

2005.

13

The Compensation Committee evaluates the performance of the President and Chief Executive Officer and makes recommendations to the Board of Directors regarding the President and Chief Executive Officer's compensation. The Compensation Committee also reviews the current industry practices regarding compensation packages provided to executive management and the Board of Directors, including salary, bonus, stock options and other perquisites. Based on recommendations from the President and Chief Executive Officer, the Compensation Committee approves compensation provided to members of executive management, excluding the President and Chief Executive Officer. The Compensation Committee also evaluates and recommends to the Board of Directors fees for non-employee board members.

DIRECTOR COMPENSATION

Except for discretionary grants of options to purchase shares of common stock as described below and discretionary payments based on special circumstances, the directors of Bay National Corporation and Bay National Bank were not compensated for their attendance at regularly scheduled or special board meetings or for other services prior to July 2004.

In July 2004, Bay National Bank began paying directors who are not officers or employees of Bay National Corporation or Bay National Bank (e.g., all directors other than Mr. Mohler) ("Qualified Directors") \$200 for each attended regularly scheduled meeting and each special meeting of the Board of Directors of Bay National Bank, and \$150 for each attended regularly scheduled meeting and each special meeting of a committee of the Board of Directors of Bay National Bank. In addition, the chair of the Executive Committee and the chair of the Audit Committee of the Board of Directors of Bay National Bank received an additional \$100 for each attended regularly scheduled meeting and each special meeting. During 2004, Bay National Bank paid (or accrued the payment of) \$23,250 for these meeting fees.

On January 25, 2005, the Board of Directors of Bay National Corporation and Bay National Bank adopted a formal Director Compensation Policy. The Director Compensation Policy provides for compensation for attendance at meetings and reimbursement of expenses in substantially the same manner as that paid from July 2004 to December 2004 except that Qualified Directors of Bay National Bank will receive \$300 for attended meetings of the Board of Directors instead of \$200. The Director Compensation Policy also provides that the Board of Directors or the compensation committee of the Board of Directors of Bay National Bank may authorize discretionary payments to Qualified Directors as a result of outstanding service by the Qualified Director. Furthermore, the Director Compensation Policy provides that the policy may be changed from time to time. During 2005, Bay National Bank accrued \$80,650 for these meeting fees which were subsequently paid in February 2006.

Included in the accrued fees was a special payment of \$30,000 to Mr. H. Victor Rieger, Jr., a director of Bay National Corporation and Bay National Bank, in recognition of Mr. Rieger's outstanding service as a key member of Bay National Bank's Executive Committee. Since 2001, Bay National Bank has made annual special payments to Mr. Rieger in recognition of his outstanding service.

During 2005, all Qualified Directors of Bay National Bank were also entitled to reimbursement for their reasonable travel costs related to their attendance at board and committee meetings, and all directors of Bay National Corporation and Bay National Bank are reimbursed for reasonable expenses incurred on behalf of Bay National Corporation and Bay National Bank. During 2005, Bay National Corporation and Bay National Bank did not reimburse any travel costs or expenses.

During 2006, it is anticipated that Qualified Directors of Bay National Bank will receive the same cash compensation as the compensation received in 2005. We reserve the right to change these amounts during 2006.

Bay National Corporation does not pay cash remuneration to its directors. It is expected that unless and until Bay National Corporation becomes actively involved in additional businesses other than owning all the capital stock of Bay National Bank, no separate cash compensation will be paid to the directors of Bay National Corporation in addition to that paid to them by Bay National Bank in their capacities as directors of Bay National Bank. However, Bay National Corporation may determine in the future that such separate cash compensation is appropriate.

In November 2001, Bay National Corporation granted each of its then directors options to purchase 3,000 shares of its common stock at \$7.58 per share, the then fair market value. A total of 39,000 options were issued. The options vest in four (4) equal installments with the first 25% installment vesting on the third anniversary of the individual director's appointment to Bay National Corporation's Board of Directors. The remaining 25% installments vest on the fourth, fifth, and sixth anniversary of the individual director's appointment to the Board of Directors. As of March 23, 2006 options to purchase 6,000 shares had been exercised. Options to purchase 31,500 shares were exercisable as of, or within 60 days, of March 23, 2006. The options expire on November 19, 2009.

EMPLOYMENT AGREEMENTS

Hugh W. Mohler. Bay National Bank has entered into a written employment agreement with Mr. Mohler dated September 14, 1999, which became effective upon the opening of Bay National Bank on May 12, 2000. Under this agreement, Mr. Mohler serves as the president of Bay National Bank at an initial annual base salary of \$154,000, subject to annual review. The Compensation Committee of the Board of Directors of the Bank provided Mr. Mohler with base salary increases of \$10,000 beginning with the 2002 calendar year, \$36,000 beginning with the 2005 calendar year, and \$50,000 beginning with the 2006 calendar year. Accordingly, Mr. Mohler's current base salary is \$250,000. Also, the Compensation Committee of the Board of Directors of the Bank approved discretionary bonuses to Mr. Mohler of \$30,000, \$50,000 and \$75,000 in December 2003, 2004 and 2005, respectively (the agreement is silent with respect to the payment of bonuses to Mr. Mohler). These bonuses were paid in January 2004, 2005 and 2006, respectively.

The agreement had an initial term of three years, automatically renewable for one-year terms unless written notice is provided by either party 90 days before expiration of a term. Written notice was not provided by either party 90 days before the expiration of the term which was set to expire on September 13, 2005 and, accordingly the new term is set to expire on September 13, 2006. It is anticipated that the term set to expire in September 2006 will automatically renew to September 2007.

Bay National Bank may terminate the employment agreement without cause upon 30 days' prior written notice and may terminate the employment agreement for cause at any time without prior notice. Mr. Mohler may terminate his employment agreement at any time upon 30 days' prior written notice. In the event Mr. Mohler is terminated without cause, he will continue to receive salary payments for the earlier of six months from the date of termination or until he has found comparable employment. Mr. Mohler is required to use his best efforts to obtain comparable employment. In the event Bay National Bank elects to terminate the employment agreement at the expiration of a term, Bay National Bank must pay Mr. Mohler his then base salary for three months.

Pursuant to the agreement, if Mr. Mohler is employed by Bay National Bank on the date of a "change of control," he is entitled to a payment of 290% of his "base amount" (as that term is defined in Section 280G(b)(3) of the Internal Revenue Code) from Bay National Bank. In general, the employment agreement defines "change of control" as: (i) the acquisition by any person of beneficial ownership of forty percent (40%) or more of the outstanding shares of

common stock of Bay National Bank or Bay National Corporation; (ii) the election of a majority of the members of the Board of Directors who were not approved or nominated by then incumbent board; or (iii) the approval by the stockholders of Bay National Bank or Bay National Corporation of: (a) a reorganization, merger or consolidation of Bay National Bank or Bay National Corporation, subject to certain exceptions; (b) a liquidation or dissolution of Bay National Bank or Bay National Corporation; or (c) the sale or other disposition of all or substantially all of the assets of Bay National Bank or Bay National Corporation.

If the change of control severance payment were required to be paid in 2006, Mr. Mohler would receive approximately \$725,000.

In the employment agreement, Mr. Mohler agrees that for a period of six (6) months after employment with Bay National Bank or any affiliate, he will not, directly or indirectly, own, operate or otherwise be associated with, any financial institution which is located in the Bank's market area. Mr. Mohler also agrees that for a period of one (1) year after employment with Bay National Bank or any affiliate, he will not (i) solicit any person or entity which at the time of his termination was, or within one (1) year prior thereto had been, a customer of Bay National Bank or any of its affiliates or (ii) solicit the employment of any person who was employed by Bay National Bank or any of its affiliates on a full or part time basis at the time of his termination of employment, unless such person (a) was involuntarily discharged by Bay National Bank or the affiliate or (b) voluntarily terminated his relationship with Bay National Bank or the affiliate prior to Mr. Mohler's termination of employment.

Bay National Bank has purchased "key man" life insurance on Mr. Mohler.

Mark A. Semanie. Bay National Bank has agreed to employ Mr. Semanie on an at will basis at a rate of pay of \$180,000 as of January 1, 2006. Mr. Semanie is also eligible for incentive bonuses at the discretion of the Compensation Committee of the Board of Directors, and is entitled to all benefits available to full time employees of Bay National Bank. Mr. Semanie is not a party to a written agreement with Bay National Bank.

The Compensation Committee of the Board of Directors of the Bank approved discretionary bonuses to Mr. Semanie of \$30,000 in December 2002 and 2003, \$40,000 in December 2004, and \$60,000 in December 2005. These bonuses were paid in the subsequent calendar year.

Equity Compensation to Messrs. Mohler and Semanie.

In November 2001, Mr. Mohler was granted options to purchase 37,261 shares of Bay National Corporation common stock, and Mr. Semanie was granted options to purchase 18,630 shares of Bay National Corporation common stock. The options vest in four (4) equal installments with the first 25% installment vesting on the third anniversary of the officer's date of employment with Bay National Bank. The remaining 25% installments vest on the fourth, fifth and sixth anniversary of the individual officer's date of employment with Bay National Bank. A total of 51,233 of these options to purchase shares were exercisable as of, or within 60 days of, March 23, 2006. The options expire on November 19, 2009. They are exercisable at \$7.58 per share. None have been exercised.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Bay National Corporation did not have a class of equity securities registered pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), at any time during the fiscal year ended December 31, 2005. Accordingly, there was no requirement upon Bay National Corporation's officers, directors and 10% or greater shareholders to file any reports required pursuant to Section 16(a) of the Exchange Act with respect to the fiscal year ended December 31, 2005.

On January 27, 2006, Bay National Corporation registered its common stock under Section 12(g) of the Exchange Act. Accordingly, Bay National Corporation's officers, directors, and 10% or greater shareholders are now required to file reports pursuant to Section 16(a) of the Exchange Act.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prior to Bay National Corporation's initial public offering, the organizers of Bay National Corporation and Bay National Bank and certain other investors purchased an aggregate of 112,500 shares of Bay National Corporation's common stock at a purchase price of \$10.00 per share. The primary purpose of this "organizational offering" was to provide Bay National Corporation and Bay National Bank with the capital necessary to fund some of the initial organizational and prepaid operating expenses.

In recognition of the financial and organizational risk undertaken by the purchasers in the organizational offering, on September 10, 1999, the purchasers in the organizational offering received, for no additional consideration, a warrant to purchase one share of common stock at \$10.00 per share for every two shares that they purchased in the organizational offering. As a result, Bay National Corporation issued warrants to purchase an aggregate of 56,250 shares of common stock to the purchasers in the organizational offering.

The warrants became exercisable on April 30, 2001 and were exercisable in whole or in part until November 16, 2004. Prior to expiration on November 16, 2004, 55,000 of the warrants were exercised. The remaining 1,250 warrants expired. Bay National Corporation received an aggregate of \$550,000 from the exercise of the warrants.

Lucy Mohler, the spouse of Hugh W. Mohler, serves as Bay National Corporation's and Bay National Bank's Vice President of Marketing and Investor Relations. Ms. Mohler earned an aggregate compensation of \$72,308 plus benefits valued at \$3,239 during 2004 and aggregate compensation of \$75,000 plus benefits valued at \$3,373 during 2005 from Bay National Bank.

E. Matthew Waldron III and C. Bradford Wright, sons of directors Eugene M. Waldron, Jr. and Carl A.J. Wright, respectively, became employees of Bay National Bank during 2004. Neither of them earned aggregate compensation in excess of \$60,000 during 2004 or 2005.

Director John R. Lerch owns a 100% interest in the property being leased for Bay National Bank's Salisbury, Maryland branch office. This lease, which became effective as of September 1, 1999, was for a term of five years with Bay National Corporation having the option to extend the term for three five-year renewal terms. During the initial lease term, Bay National Corporation paid monthly rent of approximately \$1,980, plus all real estate taxes and utilities. Bay National Corporation exercised its option to extend this lease and it will now terminate on August 31, 2009, unless extended. During the new lease term, Bay National Corporation will pay monthly rent of approximately \$2,292, plus all real estate taxes and utilities. Pursuant to this lease, Bay National Corporation has a right of first refusal to purchase the building in the event the landlord receives a bona fide offer to sell. Bay National Corporation paid Mr. Lerch \$25,004 during 2004 and \$27,500 during 2005.

At the time of entering into the lease in 1999, Bay National Corporation believed that the lease rate was at fair market value, based, in part, on an evaluation of the lease terms by William E. Martin of ERA Martin Associates, a Salisbury-based real estate brokerage firm. Bay National Corporation engaged Mr. Martin to review the lease terms for the purpose of determining whether the terms were consistent with the lease terms for similar properties in the downtown Salisbury area. Although Bay National Corporation did not have an independent third party reevaluate the lease terms in connection with the renewal, management believes that the terms of the lease are at least as favorable as could be obtained from an independent third party.

Director Gary T. Gill is president and chief executive officer of the MacKenzie Companies, which owns the property being leased for Bay National Bank's Lutherville, Maryland corporate and branch offices. Bay National Corporation is a party to two leases with this landlord dated July 16, 1999. These leases were amended during February and October 2004 to add additional space and extended in October 2004 to February 28, 2010. The leases were further amended in January and March 2005 to add additional space. Bay National Corporation has the right to extend the leases for one additional five year term, to February 28, 2015. The various amendments effectively combined both leases.

As of December 31, 2005, Bay National Corporation was leasing 4,067 square feet on the first floor of the building, 6,206 square feet on the third floor of the building, and 1,429 square feet in the basement of the building and was paying \$28,258 in monthly rent, which includes Bay National Corporation's share of taxes and building operating costs. Bay National Corporation paid the landlord \$202,945 during 2004 and \$286,406 during 2005.

The leases were originally entered into well in advance of Mr. Gill's appointment to the Board of Directors in January 2003. Although Bay National Corporation did not have an independent third party reevaluate the lease terms in connection with the renewal, or evaluate the terms of the lease of additional space, management believes that the terms of the lease are at least as favorable as could be obtained from an independent third party.

Some of Bay National Bank's directors and officers and the business and professional organizations with which they are associated have banking transactions with Bay National Bank in the ordinary course of business. It is Bay National Bank's policy that any loans and loan commitments will be made in accordance with applicable laws and on

substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons of comparable credit standing. Appendix A. AUDIT COMMITTEE CHARTER

I. Purpose

The purpose of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Bay National Corporation (the “Company”) is to assist the Board by monitoring the integrity of the Company’s financial statements, the independent auditors’ qualifications and independence, the performance of the Company’s independent auditors and internal audit firm, the Company’s system of internal controls, the Company’s financial reporting and system of disclosure controls and the Company’s compliance with legal and regulatory requirements.

In addition to these purposes, the Committee will also prepare a report to be included in the Company’s annual proxy statement.

The Committee may meet simultaneously as a committee of the Company and any subsidiary of the Company that does not have its own Audit Committee or which has its own audit committee the members of which are the same as the members of the Audit Committee. However, it should hold separate sessions if necessary to address issues that are relevant to one entity but not the other(s) or to consider transactions between the entities or other matters where the Company and one or more subsidiaries may have different interests.

The Committee should consult with counsel, if, in its opinion, any matter has the potential for any conflict between the interests of the Company and those of the Company’s subsidiaries in order to ensure that appropriate procedures are established for addressing any such potential conflict and for ensuring compliance with the Company’s policies regarding any applicable laws, rules and regulations.

The Committee’s job is one of oversight as set forth in this charter. It is not the duty of the Committee to prepare the Company’s financial statements, to plan or conduct audits, or to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles (“GAAP”). The Company’s management is responsible for preparing the Company’s financial statements and for maintaining internal controls, and the independent auditors are responsible for auditing the financial statements. Nor is it the duty of the Committee to assure compliance of the Company’s policies and procedures with applicable laws and regulations.

II. Membership

All members of the Committee will be members of, appointed by and serve at the discretion of the Board. The Board or a majority vote of the committee membership may establish the Chairman.

The Committee shall consist of at least three, but no more than five members, the exact number being determined by the Board. Each member of the Committee shall be “independent” as defined by applicable law, SEC rules and regulations and any exchange or quotation system on or through which the Company’s common stock is traded. Each member of the Committee shall have the ability to read and understand fundamental financial statements and a working familiarity with basic finance and accounting principles.

III. Meetings

Meetings of the Committee shall be held at least annually and at such other times as determined by the Board and/or the members of the Committee as circumstances dictate. A majority shall constitute a quorum of the Committee. The Committee shall maintain minutes of its meetings and report on its actions and activities at meetings of the Board. The Committee members, or the Chair of the Committee on behalf of all of the Committee members, should communicate

with management and the independent auditors on a quarterly basis in connection with their review of the Company's financial statements. The Committee shall disclose in the Company's proxy statement that the Committee is governed by the charter and include a copy in the proxy statement at least once every three years.

Recommendations received by a date not later than 120 calendar days before the date the Company's proxy statement was released to stockholders in connection with the prior year's annual meeting will be considered for nomination at that annual meeting. 6. Conduct appropriate inquiries into the backgrounds and qualifications of possible director candidates.

7. Review and make recommendations, as the Committee deems appropriate, regarding the composition and size of the Board of Directors in order to ensure the Board of Directors has the requisite expertise and its membership consists of persons with sufficiently diverse and independent backgrounds.

These activities should serve as a guide and the Committee may carry out other activities and adopt additional policies and procedures as may be appropriate in light of changed circumstances. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board of Directors from time to time.

The Committee is authorized to study or investigate any matter of interest or concern that the Committee deems appropriate and within its designated purpose and shall have the authority to retain (at the cost of the Company) and terminate outside counsel or other experts for this purpose.

E. Reports

Minutes of each meeting shall be kept and distributed to each member of the Committee, members of the Board of Directors who are not members of the Committee and the Secretary of the Company.
