### SYNCOR AND CARDINAL HEALTH ANNOUNCE AMENDMENT TO MERGER AGREEMENT TO EXTEND TERMINATION DATE

WOODLAND HILLS, CALIFORNIA and DUBLIN, OHIO - November 22, 2002 - Syncor International Corporation (Nasdaq: SCOR) and Cardinal Health, Inc. (NYSE: CAH) today announced that they have agreed to amend their previously announced merger agreement to extend the date after which either party may unilaterally elect to terminate the transaction from December 31, 2002, to January 15, 2003, subject to the terms of the merger agreement. The amendment does not affect any terms of the merger agreement other than the termination provisions.

On November 21, 2002, Syncor and Cardinal Health announced that Cardinal Health had initiated discussions with Syncor regarding the possible modification of the terms of their previously announced merger agreement under which Cardinal Health would acquire Syncor. The purpose of the amendment to the termination date is to provide the parties with further time to continue these discussions. While the parties intend to continue these discussions, there can be no assurance that such discussions will result in the parties agreeing to any revised terms. Cardinal Health has previously stated that it has not yet concluded whether the conditions to the transaction will be satisfied and that "there can be no assurance that the transaction involving the acquisition of Syncor by Cardinal Health will be completed."

Syncor also today announced that it will be mailing to its stockholders a supplemental notice of postponement of its special meeting of stockholders to consider approval of the merger agreement with Cardinal Health. As previously announced, the postponed meeting will now be held on December 6, 2002. Syncor intends to convene the postponed special meeting on December 6 solely for the purpose of adjourning the meeting to a later time, date and place so that additional information can be provided to stockholders.
