Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 8.01. Other Events

On April 3, 2017, Eaton Vance Corp. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Merrill Lynch, Pierce, Fenner & Smith Incorporated and Morgan Stanley & Co. LLC, as representatives of the several underwriters named in the Underwriting Agreement, pursuant to which the Company agreed to sell to the Underwriters \$300 million aggregate principal amount of its 3.500% notes due 2027 (the Notes), for sale by the Underwriters (collectively, the Offering), in a public offering pursuant to a registration statement on Form S-3 (File No. 333-217109), including a preliminary prospectus, filed with the U.S. Securities and Exchange Commission on April 3, 2017. The Offering is expected to close on or about April 6, 2017, subject to customary closing conditions.

The Company expects that the net proceeds from the Offering will be approximately \$296 million, after deducting the underwriting discount and estimated offering expenses payable by the Company. The Company intends to use approximately \$257 million of the net proceeds of the Offering to redeem all of the outstanding \$250 million aggregate principal amount of its 6.50% unsecured senior notes due 2017 (the 2017 Notes) that mature on October 2, 2017 and to pay accrued interest, fees and expenses associated with the redemption. The Company intends to use the remaining net proceeds from the Offering for general corporate purposes, which may include working capital, capital expenditures, repurchases of its non-voting common stock, repayment of indebtedness and potential acquisitions. Pending final use, the Company may invest the net proceeds from the Offering in short-term, interest-bearing securities.

The Notes will be issued pursuant to an Indenture, dated as of October 2, 2007, between the Company and Wilmington Trust Company, as trustee (the Trustee), as supplemented by a Third Supplemental Indenture, to be dated on or about April 6, 2017, between the Company and the Trustee.

The above description of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.
