Forward-looking and cautionary statements

This report contains forward-looking statements that involve risks and uncertainties. The word “expect” and similar expressions, as well as statements in future tense, are intended to identify forward-looking statements. No assurance can be given that the results expressed or implied in any forward-looking statements will be achieved, and actual results could be affected by one or more risks and uncertainties, which could cause them to differ materially. Among the key risks and uncertainties that may have a direct bearing on the Company’s future operating results, performance, or financial condition expressed or implied by the forward-looking statements are the uncertain nature of the expected benefits if an industrial bank charter can be obtained, and other risks and uncertainties set forth in the “Risk Factors” section of the Company’s Annual Report on Form 10-K for the year ended December 31, 2017 and subsequent quarterly reports on Form 10-Q. All forward-looking statements contained in this report are qualified by these cautionary statements and are made only as of the date of this report. Although the Company may from time to time voluntarily update or revise its prior forward-looking statements to reflect actual results or changes in the Company’s expectations, the Company disclaims any commitment to do so except as required by securities laws.
